STATE OF NEW YORK

3567--A

2019-2020 Regular Sessions

IN SENATE

February 8, 2019

Introduced by Sens. SERRANO, HOYLMAN -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation -- recommitted to the Committee on Environmental Conservation in accordance with Senate Rule 6, sec. 8 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the environmental conservation law, in relation to banning formaldehyde in certain children's products

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Article 37 of the environmental conservation law is amended by adding a new title 9 to read as follows:

TITLE IX

FORMALDEHYDE PROHIBITION

Section 37-0901. Banning formaldehyde in certain children's products.

§ 37-0901. Banning formaldehyde in certain children's products.

1. Definitions. (a) "Children's product" means a product primarily designed, intended or marketed by a manufacturer to be physically applied to or introduced into a child's body, or used by a child, such as baby products, toys, car seats, personal care products, a product designed or intended by the manufacturer to help a child with sucking or teething, to facilitate sleep, relaxation, or the feeding of a child, novelty products, bedding, furniture, furnishings, and children's apparel. "Children's product" does not include (i) batteries; or (ii) consumer electronic products including but not limited to personal computers, audio and video equipment, calculators, wireless phones, game consoles, and handheld devices incorporating a video screen, used to access interactive software and their associated peripherals; or (iii) a food or beverage or an additive to a food or beverage regulated by the United States Food and Drug Administration; or (iv) a pesticide regulated by the United States Environmental Protection Agency; or (v) a

LBD03471-02-0

drug, biologic or medical device regulated by the United States Food and Drug Administration.

(b) "Child" means any person aged twelve and under.

(c) "Intentionally added chemical" means a chemical deliberately used in the formulation of a product or subpart of a product.

2. Formaldehyde in children's products; ban. Beginning April first, two thousand twenty-two, no retailer may sell or offer for sale in this state a children's product that intentionally contains: (a) formaldehyde, including formaldehyde contained in a solution; or

(b) ingredients that chemically degrade under normal conditions of temperature and pressure to release free formaldehyde at levels exceeding 0.05 percent.

§ 2. This act shall take effect on the first of January next succeeding the date upon which it shall have become a law.
