## IN SENATE

February 11, 2019

Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Internet and Technology

AN ACT to amend the public authorities law, in relation to emerging technology industrial classifications for clean environment and energy technologies

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subparagraph 6 of paragraph (b) of subdivision 1 of section 3102-e of the public authorities law, as added by section 3 of part I of chapter 407 of the laws of 1999 and as renumbered by section 4 of part D of chapter 59 of the laws of 2004, is amended and a new subparagraph 7 is added to read as follows:

2

(6) remanufacturing technologies, which shall be defined as processes whereby eligible commodities are restored to their original performance standards and are thereby diverted from the solid waste stream, retaining the majority of components that have been through at least one life 10 cycle and replacing consumable portions to enable such commodities to be 11 restored to their original functions. For the purposes of this subdivi-12 sion, "eligible commodities" shall mean commodities (excluding paper) 13 used in conjunction with or as a part of equipment performing the func-14 tions of facsimile machines, photocopiers, printers, duplication equipment, or any combination thereof, including, but not limited to the following: magnetic ink character recognition cartridges, photo conduc-16 tor assemblies, electrostatic cartridges, thermal imaging cartridges, toner cartridges, ink jet cartridges, and printer cartridges. Provided 17 18 further, that "eligible commodities" shall also include equipment used 19 20 to record single frame images on film, where such equipment and film are 21 marketed and sold as a single integrated consumer product, and where 22 such equipment and film may be submitted in whole to a photograph 23 processor for the purposes of processing[-]; and

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
