

STATE OF NEW YORK

3680

2019-2020 Regular Sessions

IN SENATE

February 12, 2019

Introduced by Sen. HARCKHAM -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law and the executive law, in relation to establishing an electronic monitoring program for children diagnosed with an autism spectrum disorder as well as other developmental disabilities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 2509 to read as follows:

3 § 2509. Electronic monitoring for children with developmental disabili-
4 ties. 1. For the purposes of this section the following terms shall
5 have the following meanings:

6 (a) "commissioner" shall mean the commissioner of health;

7 (b) "child" shall mean a person under the age of eighteen years;

8 (c) "eligible applicant" shall mean the parent, legal guardian or
9 custodian of a child who has been diagnosed by a physician as having an
10 autism spectrum disorder as determined by section twenty-five hundred-j
11 of this title or other developmental disability;

12 (d) "authorized family member" shall mean a designated parent, grand-
13 parent, sibling older than the age of eighteen, legal guardian or custo-
14 dian who is authorized to use a receiving device that is able to track
15 the geographic location of an electronic monitoring device. Such indi-
16 viduals shall be listed on the application submitted to the department;
17 and

18 (e) "electronic monitoring device" shall mean any radio, global posi-
19 tioning system, cellular device or any other satellite-based monitoring
20 device that can provide continuous tracking of the geographic location
21 of children and an automated monitoring system that can be used by an
22 appropriate law enforcement agency at the request of an authorized fami-
23 ly member.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD05112-01-9

1 2. The commissioner shall establish a program to provide electronic
2 monitoring devices to an eligible applicant for the purpose of being
3 able to geographically locate a child upon circumstances where the child
4 is unable to be accounted for. The program shall facilitate the safe
5 recovery of children diagnosed with an autism spectrum disorder or
6 another developmental disability who are missing or abducted.

7 3. The program shall be voluntary and the following procedure shall be
8 used for the administration of the program:

9 (a) an eligible applicant may file an application with the department
10 to be granted access to the program;

11 (b) upon filing the application, an eligible applicant shall be issued
12 an electronic monitoring device that may be worn by the child, and a
13 receiver that may be used to track the physical location of the child;

14 (c) if a child is missing an authorized family member may coordinate
15 with the appropriate law enforcement agency and inform the agency of the
16 location of the child using the electronic monitoring device and receiv-
17 er; and

18 (d) all applicant information provided by the parent to the department
19 shall remain confidential and not be divulged by the department except
20 in cases where the authorized family member signs a separate consent
21 form providing that any personally identifiable information on the child
22 may only be released in the event that an authorized family member seeks
23 law enforcement action to find the location of a missing child.

24 4. To the extent possible, the commissioner shall utilize munici-
25 palties and other organizations which currently provide electronic
26 monitoring devices for the purposes of being able to geographically
27 track children who have an autism spectrum disorder or other develop-
28 mental disability.

29 § 2. Section 837 of the executive law is amended by adding a new
30 subdivision 22 to read as follows:

31 22. The division, in cooperation with the department of health, shall
32 provide recommendations to law enforcement agencies regarding the risks
33 associated with autism or other developmental disabilities and appropri-
34 ate response techniques concerning such disabilities. Recommendations
35 shall include information pertaining to the utilization of electronic
36 monitoring devices to determine the location of children diagnosed with
37 autism or other developmental disabilities.

38 § 3. This act shall take effect on the one hundred twentieth day after
39 it shall have become a law.
