STATE OF NEW YORK

3778

2019-2020 Regular Sessions

IN SENATE

February 14, 2019

Introduced by Sen. HELMING -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT to authorize Jason Allen to receive certain service credit under section 384-d of the retirement and social security law

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law to the contrary, Jason Allen, a member of the New York State and local police and fire retirement system, who was employed as a police officer with the village of Wolcott, from September 10, 1999 through November 24, 2000, and who, through no fault of his own, failed to file a timely application to participate in the special twenty year retirement plan contained in section 384-d of the retirement and social security law resulting in the crediting of his service with the village of Wolcott in the general retirement plan contained in section 375-i of such law, shall be given full credit in the special twenty year retirement plan for such additional cost of such service upon the election of the village of Wolcott to assume the additional cost of such service. The village of Wolcott may so elect by filing a resolution of its local legislative body together with certification that such police officer did not bar himself from participation in such retirement plan as a result of his own negligence.

§ 2. All employer past service costs associated with implementing the provisions of this act shall be borne by the village of Wolcott and may be amortized over a ten year period.

§ 3. This act shall take effect immediately.

Fiscal Note.--Pursuant to Legislative Law, Section 50:

This bill will grant Jason Allen, a Tier 2 member of the New York State and Local Police and Fire Retirement System, additional service creditable under the provisions of section 384-d of the Retirement and Social Security Law, for time worked as a police officer of the Village

of Wolcott between September 1999 and November 2000. Such service is currently creditable in the age 55 retirement plan on section 375-c, but not in the 20 year plan of section 384-d. Jason Allen is currently employed by the Town of Irondequoit.

If this legislation is enacted during the 2019 legislative session, we estimate there will be an immediate past service cost of approximately $53,800, which would be borne by the Village of Wolcott as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2020. If this cost is amortized over 10 years, the cost for the first year, including interest, would be $7,160.
