AN ACT to amend the retirement and social security law, in relation to providing a heart disease presumption for correction officers, correction supervisors, deputy sheriff patrol or deputy sheriff patrol supervisors

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The retirement and social security law is amended by adding
2 a new section 63-g to read as follows:

3 § 63-g. Disability benefits; certain disabilities. Notwithstanding any
4 provision of this chapter or of any general, special or local law to the
5 contrary, any member who is a correction officer, correction supervisor,
6 deputy sheriff patrol or deputy sheriff patrol supervisor who contracts
7 any condition of impairment of health caused by diseases of the heart,
8 resulting in disability or death to such correction officer, correction
9 supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor,
10 presently employed, and who shall have sustained such disability while
11 so employed, shall be presumptive evidence that such disability was
12 incurred in the performance and discharge of duty and the natural and
13 proximate result of an accident, unless the contrary be proved by compe-
14 tent evidence; provided, however, that prior to entry into service, such
15 correction officer, correction supervisor, deputy sheriff patrol or
16 deputy sheriff patrol supervisor successfully passed a physical examina-

tion which failed to disclose evidence of any disease or other impairment of the heart.

§ 2. The retirement and social security law is amended by adding a new section 605-f to read as follows:

§ 605-f. Disability benefits; certain disabilities. Notwithstanding any provision of this chapter or of any general, special or local law to the contrary, any member who is a correction officer, correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor who contracts any condition of impairment of health caused by diseases of the heart, resulting in disability or death to such correction officer, correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor, presently employed, and who shall have sustained such disability while so employed, shall be presumptive evidence that such disability was incurred in the performance and discharge of duty and the natural and proximate result of an accident, unless the contrary be proved by competent evidence; provided, however, that prior to entry into service, such correction officer, correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor successfully passed a physical examination which failed to disclose evidence of any disease or other impairment of the heart.

§ 3. Notwithstanding any other provision of law to the contrary, none of the provisions of this act shall be subject to section 25 of the retirement and social security law.

§ 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow certain members of the New York State and Local Employees' Retirement system (ERS) employed as correction officers, correction supervisors, deputy sheriff patrol, or deputy sheriff patrol supervisors to receive an accidental disability benefit if the member is impaired due to a condition of the heart as a result of an accident, in the performance of his or her duties, unless the contrary be proven by competent evidence. For members in Tiers 1 and 2, the annual benefit would be 3/4 of final average salary (FAS) less worker's compensation. For members in Tiers 3-6 who are covered under the provisions of Article 14-B of the Retirement and Social Security Law (RSSL), the annual benefit would be 2/3 of FAS less worker's compensation. For all other affected members in Tiers 3-6, the annual benefit would be 1/3 of FAS. The provisions of Section 25 of the RSSL will not apply.

If this bill is enacted, it would lead to more disabilities being classified as "accidental". The cost of the revised benefit will depend upon the applicant's age, service, salary, plan, and benefit type otherwise payable.

However, we anticipate that few additional accidental disability retirements will be granted, and thus, the resulting costs are expected to be negligible.

All costs arising from this bill would be shared by the State of New York and all of the participating employers in the ERS.
