March 5, 2019

Introduced by Sen. KRUEGER -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to immunization of children who are at least fourteen years of age

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 2164 of the public health law is amended by adding
2 a new subdivision 9-a to read as follows:

3 9-a. Notwithstanding any other provision of law, a child who is at
4 least fourteen years of age shall have the right, regardless of the
5 consent from any person in parental relation to such child, and subject
6 to the applicable grade or comparable age level requirements, to have
7 administered to himself or herself an adequate dose or doses of the
8 immunizing agents, and the booster immunization and vaccine described in
9 subdivision two of this section.

10 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
