

STATE OF NEW YORK

4389--A

2019-2020 Regular Sessions

IN SENATE

March 11, 2019

Introduced by Sens. KAMINSKY, BOYLE, BROOKS, COMRIE, GAUGHRAN, GOUNARDES, HOYLMAN, KAPLAN, KRUEGER, LAVALLE, LIU, SALAZAR, SERRANO, SKOUFIS, STAVISKY -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the environmental conservation law, in relation to prohibiting household cleansing products, cosmetic products and personal care products that contain 1,4-dioxane

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 35-0105 of the environmental conservation law is
2 amended by adding three new subdivisions 4, 5 and 6 to read as follows:

3 4. No household cleansing product shall be distributed, sold, offered
4 or exposed for sale in this state which contains 1,4-dioxane other than
5 such trace concentrations; such trace concentrations shall not exceed
6 two parts per million by December thirty-first, two thousand twenty-two;
7 and further, shall not exceed one part per million by December thirty-
8 first, two thousand twenty-three.

9 5. A manufacturer of a household cleansing product, otherwise subject
10 to the requirements of subdivision four of this section, may apply to
11 the department for a one-year waiver from such requirements for a
12 specific household cleansing product, upon such proof that the manufac-
13 turer has taken steps to reduce the presence of 1,4-dioxane in that
14 product and is unable to comply with the requirements of subdivision
15 four of this section. Thereafter, a manufacturer may apply for one
16 additional one-year waiver for such product, upon such the satisfaction
17 of such similar proof.

18 6. The department is authorized to promulgate such rules and regu-
19 lations as it shall deem necessary to implement the provisions of this
20 section, including rules and regulations with respect to any allowable
21 trace concentrations, consistent with the requirements of this section.

22 § 2. The environmental conservation law is amended by adding a new
23 section 37-0115 to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD10243-03-9

1 § 37-0115. Prohibition of cosmetic products and personal care products
2 containing 1,4-dioxane.

3 1. The term "cosmetic product" shall mean any article (a) intended to
4 be rubbed, sprinkled, or sprayed on, introduced into, or otherwise
5 applied to the human body or any part thereof for beautifying, promoting
6 attractiveness, or altering the appearance, and (b) intended for use as
7 a component of any such article. The term "cosmetic product" shall not
8 include any personal care product as defined in this section for which a
9 prescription is required for distribution or dispensation as provided in
10 section two hundred eighty-one of the public health law or section six
11 thousand eight hundred ten of the education law.

12 2. The term "personal care product" shall mean any product intended
13 for cleaning or cleansing any part of the body, such as the skin and
14 hair, and including but not limited to, hair shampoo, hair conditioner,
15 soap, bath gels and other bath products. The term "personal care prod-
16 uct" shall not include any product for which a prescription is required
17 for distribution or dispensation as provided in section two hundred
18 eighty-one of the public health law or section six thousand eight
19 hundred ten of the education law.

20 3. No person shall sell or offer for sale any cosmetic product
21 containing 1,4-dioxane, other than such trace concentrations, not to
22 exceed ten parts per million.

23 4. No person shall sell or offer for sale any personal care product
24 containing 1,4-dioxane, other than such trace concentrations, as author-
25 ized by the commissioner, in consultation with the department of health,
26 by regulation; and further, such trace concentrations for personal care
27 products shall not to exceed two parts per million by December thirty-
28 first, two thousand twenty-two and one part per million by December
29 thirty-first, two thousand twenty-three.

30 5. The department is authorized to promulgate such rules and regu-
31 lations as it shall deem necessary to implement the provisions of this
32 section, including rules and regulations with respect to any allowable
33 trace concentrations, consistent with the requirements of this section.

34 6. A manufacturer of a cosmetic product or personal care product,
35 otherwise subject to the requirements of this section, may apply to the
36 department for a one-year waiver from such requirements for a specific
37 cosmetic product or personal care product, and upon such proof that the
38 manufacturer has taken steps to reduce the presence of 1,4-dioxane in
39 that product and is unable to comply with the requirements of this
40 section. Thereafter, a manufacturer may apply for one additional one-
41 year waiver for such product, upon its satisfaction of such similar
42 proof.

43 § 3. Section 71-3703 of the environmental conservation law is amended
44 by adding a new subdivision 4 to read as follows:

45 4. Any person who violates any of the provisions of, or who fails to
46 perform any duty imposed by section 37-0115 or any rule or regulation
47 promulgated pursuant hereto, shall be liable for a civil penalty not to
48 exceed one thousand dollars for each day during which such violation
49 continues, and in addition thereto, such person may be enjoined from
50 continuing such violation. Such person shall for a second violation be
51 liable to the people of the state for a civil penalty not to exceed two
52 thousand five hundred dollars for each day during which such violation
53 continues.

54 § 4. This act shall take effect December 31, 2022.
