1 g. "Housing first principles" means the approach articulated by the
2 United States department of housing and urban development that prior-

6 2. In consultation with the division of housing and community renewal,
7 the office for temporary disability assistance, the office of mental
8 health, and the office for alcoholism and substance abuse, the division
9 shall ensure that homeless veterans are housed according to federal
10 housing first principles.

11 3. The division shall provide immediate housing to every homeless
12 veteran who requests to be housed. Such housing may be transitional
13 housing or permanent housing and shall not be contingent on sobriety,
