Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to screening of students for eating disorders

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 903 of the education law, as 2 amended by chapter 376 of the laws of 2015, is amended to read as 3 follows:

3 1. A health certificate shall be furnished by each student in the public schools upon his or her entrance in such schools and upon his or her entry into the grades prescribed by the commissioner in regulations, provided that such regulations shall require such certificates at least twice during the elementary grades and twice in the secondary grades. An examination and health history of any child may be required by the local school authorities at any time in their discretion to promote the educa-10 tional interests of such child. Each certificate shall be signed by a 12 duly licensed physician, physician assistant, or nurse practitioner, who 13 is authorized by law to practice in this state, and consistent with 14 subdivision three of section six thousand nine hundred two of this chap-15 ter, or by a duly licensed physician, physician assistant, or nurse 16 practitioner, who is authorized to practice in the jurisdiction in which the examination was given, provided that the commissioner has determined 17 that such jurisdiction has standards of licensure and practice compara-18 ble to those of New York. Each such certificate shall describe the 19 20 condition of the student when the examination was made, which shall not 21 be more than twelve months prior to the commencement of the school year 22 in which the examination is required, and shall state whether such 23 student is in a fit condition of health to permit his or her attendance 24 at the public schools. Each such certificate shall also state the 25 student's body mass index (BMI) and weight status category. For purposes

of this section, BMI is computed as the weight in kilograms divided by the square of height in meters or the weight in pounds divided by the 3 square of height in inches multiplied by a conversion factor of 703. Weight status categories for children and adolescents shall be as defined by the commissioner of health. Furthermore, each such certificate shall include an assessment of the student for eating disorders. 7 Such assessment shall be conducted pursuant to standards established by the commissioner of health. In all school districts such physician, 8 9 physician assistant or nurse practitioner shall determine whether a 10 one-time test for sickle cell anemia is necessary or desirable and he or 11 she shall conduct such a test and the certificate shall state the 12 results.

- § 2. Subdivision 1 of section 903 of the education law, as amended by chapter 183 of the laws of 2017, is amended to read as follows:
- 15 1. A health certificate shall be furnished by each student in the 16 public schools upon his or her entrance in such schools and upon his or 17 her entry into the grades prescribed by the commissioner in regulations, provided that such regulations shall require such certificates at least 18 19 twice during the elementary grades and twice in the secondary grades. An 20 examination and health history of any child may be required by the local 21 school authorities at any time in their discretion to promote the educational interests of such child. Each certificate shall be signed by a 22 duly licensed physician, physician assistant, or nurse practitioner, who 23 authorized by law to practice in this state, and consistent with 24 25 subdivision three of section six thousand nine hundred two of this chapter, or by a duly licensed physician, physician assistant, or nurse 27 practitioner, who is authorized to practice in the jurisdiction in which the examination was given, provided that the commissioner has determined 28 that such jurisdiction has standards of licensure and practice compara-29 30 ble to those of New York. Each such certificate shall describe the 31 condition of the student when the examination was made, which shall not 32 be more than twelve months prior to the commencement of the school year in which the examination is required, and shall state whether such 33 student is in a fit condition of health to permit his or her attendance 34 35 at the public schools. The examination may include a diabetes risk anal-36 ysis. Each such certificate shall also state the student's body mass 37 index (BMI) and weight status category. For purposes of this section, BMI is computed as the weight in kilograms divided by the square of 38 height in meters or the weight in pounds divided by the square of height 39 in inches multiplied by a conversion factor of 703. Weight status cate-40 41 gories for children and adolescents shall be as defined by the commis-42 sioner of health. Furthermore, each such certificate shall include an 43 assessment of the student for eating disorders. Such assessment shall be conducted pursuant to standards established by the commissioner of 44 45 health. In all school districts such physician, physician assistant or 46 nurse practitioner shall determine whether a one-time test for sickle 47 cell anemia is necessary or desirable and he or she shall conduct such a test and the certificate shall state the results. 48
- 49 § 3. Subdivision 1 of section 904 of the education law, as amended by 50 section 12 of part B of chapter 58 of the laws of 2007, is amended to 51 read as follows:
- 1. Each principal of a public school, or his or her designee, report to the director of school health services having jurisdiction 54 over such school, the names of all students who have not furnished 55 health certificates as provided in section nine hundred three of this article, or who are children with disabilities, as defined by article

S. 4510 3

1 eighty-nine of this chapter, and the director of school health services shall cause such students to be separately and carefully examined and tested to ascertain whether any student has defective sight or hearing, 3 an eating disorder, or any other physical disability which may tend to prevent him or her from receiving the full benefit of school work, or from requiring a modification of such work to prevent injury to the 7 student or from receiving the best educational results. Each examination shall also include a calculation of the student's body mass index 9 (BMI) and weight status category. For purposes of this section, BMI 10 computed as the weight in kilograms divided by the square of height in 11 meters or the weight in pounds divided by the square of height in inches multiplied by a conversion factor of 703. Weight status categories for 12 children and adolescents shall be as defined by the commissioner of 13 14 health. In all school districts, such physician, physician assistant or 15 nurse practitioner shall determine whether a one-time test for sickle 16 cell anemia is necessary or desirable and he or she shall conduct such 17 tests and the certificate shall state the results. If it should be ascertained, upon such test or examination, that any of such students 18 19 have defective sight or hearing, an eating disorder, or other physical 20 disability, including sickle cell anemia, as above described, the prin-21 cipal or his or her designee shall notify the parents of, or other persons in parental relation to, the child as to the existence of such 22 If the parents or other persons in parental 23 disability <u>or disorder</u>. relation are unable or unwilling to provide the necessary relief and 24 25 treatment for such students, such fact shall be reported by the princi-26 pal or his or her designee to the director of school health services, 27 whose duty it shall be to provide relief for such students. Each school 28 and school district chosen as part of an appropriate sampling methodol-29 shall participate in surveys directed by the commissioner of health 30 pursuant to the public health law in relation to students' BMI 31 weight status categories as determined by the examination conducted 32 pursuant to this section and which shall be subject to audit by 33 commissioner of health. Such surveys shall contain the information required pursuant to this subdivision in relation to students' BMI and 34 35 weight status categories in aggregate. Parents or other persons in 36 parental relation to a student may refuse to have the student's BMI and 37 weight status category included in such survey. Each school and school 38 district shall provide the commissioner of health with any information, 39 records and reports he or she may require for the purpose of such audit. The BMI and weight status survey and audit as described in this section 40 41 shall be conducted consistent with confidentiality requirements imposed 42 federal law. Data collection for such surveys shall commence on a 43 voluntary basis at the beginning of the two thousand seven academic 44 school year, and by all schools chosen as part of the sampling methodol-45 ogy at the beginning of the two thousand eight academic school year. The 46 department shall also utilize the collected data to develop a report of 47 child obesity and obesity related diseases. 48

§ 4. This act shall take effect on the first of July next succeeding the date on which it shall have become a law; provided that section two of this act shall take effect on the same date and in the same manner as chapter 183 of the laws of 2017. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
