13 defeating the purposes of this subdivision. Such denial shall only
14 remain in effect as long as the summonses remain unanswered, or in the
15 case of an administrative tribunal, the registrant fails to comply with
16 the rules and regulations following entry of a final decision.

41 remain in effect as long as the summonses remain unanswered, or in the
42 case of an administrative tribunal, the registrant fails to comply with
43 the rules and regulations following entry of a final decision.

44 § 8-e. Paragraph a of subdivision 5-a of section 401 of the vehicle

42 provisions of this chapter or of any law, ordinance, rule or regulation
43 made by a local authority, or the registrant was liable in accordance
44 with section eleven hundred eleven-e of this chapter for a violation of
45 subdivision (d) of section eleven hundred eleven of this chapter, or the
46 registrant was liable in accordance with section eleven hundred seven-
47 ty-four-a of this chapter for a violation of section eleven hundred
48 seventy-four of this chapter, the commissioner or his or her agent shall
49 deny the registration or renewal application until the applicant

53 and regulations of said tribunal following entry of a final decision.
54 Where an application is denied pursuant to this section, the commis-

§ 9. The vehicle and traffic law is amended by adding a new section 1174-a to read as follows:

§ 1174-a. Owner liability for failure of operator to stop for a school bus displaying a red visual signal and stop-arm. (a) 1. Notwithstanding any other provision of law, a county, city, town or village located within a school district ("district") is hereby authorized and empowered to adopt and amend a local law or ordinance establishing a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with section eleven hundred seventy-four of this chapter when meeting a school bus marked and equipped as provided in subdivisions twenty and twenty-one-c of section three hundred seventy-five of this chapter and operated in such county, city,

1 town or village, in accordance with the provisions of this section. Such
2 demonstration program shall empower such county, city, town or village
3 to install and operate school bus photo violation monitoring systems
4 which may be stationary or mobile, and which may be installed, pursuant
5 to an agreement with a school district within such county, city, town or
6 village, on school buses owned and operated by such school district or
7 privately owned and operated for compensation under contract with such
8 district. Provided, however, that (a) no stationary school bus photo
9 violation monitoring system shall be installed or operated by a county,
10 city, town or village except on roadways under the jurisdiction of such
11 county, city, town or village, and (b) no mobile school bus photo
12 violation monitoring system shall be installed or operated on any such
13 school buses unless such county, city, town or village and such district
14 enter into an agreement for such installation and operation.

15 1-a. Any county, city, town or village, located within a school
16 district, that has adopted a local law or ordinance pursuant to this
17 section establishing a demonstration program imposing liability on the
18 owner of a vehicle for failure of an operator thereof to comply with
19 section eleven hundred seventy-four of this chapter when meeting a
20 school bus marked and equipped as provided in subdivisions twenty and
21 twenty-one-c of section three hundred seventy-five of this chapter and
22 operated in such county, city, town or village may enter into an agree-
23 ment with the applicable school district for the installation, mainte-
24 nance and use of school bus photo violation monitoring systems on school
25 buses pursuant to this section and section twenty-two of the chapter of
26 the laws of two thousand nineteen which added this section, for the
27 proper handling and custody of photographs, microphotographs, vide-
28 otapes, other recorded images and data produced by such systems, and for
29 the forwarding of such photographs, microphotographs, videotapes, other
30 recorded images and data to the applicable county, city, town or
31 village. Any agreement entered into hereunder shall be approved by each
32 participating county, city, town or village by a majority vote of the
33 voting strength of its governing body and by resolution of the district
34 pursuant to section sixteen hundred four, section seventeen hundred
35 nine, section twenty-five hundred three, section twenty-five hundred
36 fifty-four or section twenty-five hundred ninety-h of the education law,
37 as applicable. Provided, however, that where a district has entered an
38 agreement as provided hereunder with a county, no cities, towns or
39 villages within the same county may enter into, or be a party to, any
40 agreement with such district pursuant to this section. Provided further,
41 however, that no county shall enter an agreement with any city school
42 district wholly contained within a city. Nothing in this section shall
43 be construed to prevent a county, city, town, village or district at any
44 time to withdraw from or terminate an agreement entered pursuant to this
45 section and section twenty-two of the chapter of the laws of 2019 which
46 added this section.

47 1-b. The total cost to the district of the installation, maintenance
48 and use of school bus photo violation monitoring systems pursuant to
49 this section shall be borne entirely by the county, city, town or
50 village within the district which is a party to such agreement. On or
51 before September first of each year, the district shall determine and
52 certify to each county, city, town or village with which it has entered
53 into an agreement pursuant to this section the total cost to the
54 district for the school year ending the preceding June thirtieth of
55 installing, maintaining and using such systems within each such county,
56 city, town or village, respectively, for the proper handling and custody

1 of photographs, microphotographs, videotapes, other recorded images and
2 data produced by such systems, and for the forwarding of such photo-
3 graphs, microphotographs, videotapes, other recorded images and data to
4 the applicable county, city, town or village. On or before the following
5 December first of each year, each such county, city, town or village
6 shall pay to the district such cost so certified to it on or before the
7 preceding September first. Not later than twenty days after each such
8 payment is submitted or is due, whichever occurs first, the district
9 shall submit to the director of the budget and the chairpersons of the
10 fiscal committees of the legislature a report for each such county,
11 city, town and village showing the amount of costs so certified and the
12 amount of payments so received or due. If a county, city, town or
13 village fails to make the payment required to the district by the twen-
14 tieth day after the date such payment was due, (i) the district shall
15 notify the director of the budget and the chairpersons of the fiscal
16 committees of the legislature of such occurrence within twenty-four
17 hours of such day; and (ii) the demonstration program shall be suspended
18 within such county, city, town, or village until such time as such coun-
19 ty, city, town, or village makes the payment required to the district.
20 The district shall notify the director of the budget and the chair-
21 persons of the fiscal committees of the legislature of such payment
22 within seven business days of its receipt. Provided, however, that any
23 notice of liability issued prior to such date shall not be voided.

24 2. Any image or images captured by school bus photo violation monitor-
25 ing systems shall be inadmissible in any disciplinary proceeding
26 convened by any school district or any school bus contractor thereof,
27 and any proceeding initiated by the department involving licensure priv-
28 ileges of school bus operators. Any school bus photo violation monitor-
29 ing device mounted on a school bus shall be directed outwardly from such
30 school bus to capture images of vehicles operated in violation of
31 section eleven hundred seventy-four of this chapter, and images produced
32 by such device shall not be used for any other purpose.

33 3. (i) Any participating school district shall be prohibited from
34 accessing any photographs, microphotographs, videotapes, other recorded
35 images or data from school bus photo violation monitoring systems but
36 shall provide, pursuant to an agreement with a county, city, town or
37 village as provided in this section, for the proper handling and custody
38 of such photographs, microphotographs, videotapes, other recorded images
39 and data produced by such systems, and for the forwarding of such photo-
40 graphs, microphotographs, videotapes, other recorded images and data to
41 the applicable county, city, town or village for the purpose of deter-
42 mining whether a motor vehicle was operated in violation of subdivision
43 (a) of section eleven hundred seventy-four of this title and imposing
44 monetary liability on the owner of such motor vehicle therefor.

45 (ii) Photographs, microphotographs, videotapes, other recorded images
46 and data produced by school bus photo violation monitoring systems shall
47 be destroyed (A) ninety days after the date of the alleged imposition of
48 liability if a notice of liability is not issued for such alleged impo-
49 sition of liability pursuant to this section or (B) upon final disposi-
50 tion of a notice of liability issued pursuant to this section.

51 4. A county, city, town or village establishing a demonstration
52 program pursuant to this section shall adopt and enforce measures to
53 protect the privacy of drivers, passengers, pedestrians and cyclists
54 whose identity and identifying information may be captured by a school
55 bus photo violation monitoring device. Such measures shall include:

1 (i) utilization of necessary technologies to ensure, to the extent
2 practicable, that photographs produced by such school bus photo
3 violation monitoring systems shall not include images that identify the
4 driver, the passengers, the contents of the vehicle, pedestrians and
5 cyclists. Provided, however, that no notice of liability issued pursuant
6 to this section shall be dismissed solely because a photograph or photo-
7 graphs allow for the identification of the contents of a vehicle,
8 provided that such county, city, town or village has made a reasonable
9 effort to comply with the provisions of this paragraph;

10 (ii) a prohibition on the use or dissemination of vehicles' license
11 plate information and other information and images captured by school
12 bus photo violation monitoring systems except: (A) as required to estab-
13 lish liability under this section or collect payment of penalties; (B)
14 as required by court order; or (C) as otherwise required by law;

15 (iii) the installation of signage in conformance with standards estab-
16 lished in the MUTCD at each roadway entrance of the jurisdictional boun-
17 daries of such county, city, town or village giving notice that school
18 bus photo violation monitoring systems are used to enforce restrictions
19 on vehicles violating section eleven hundred seventy-four of this chap-
20 ter. For the purposes of this paragraph, the term "roadway" shall not
21 include state expressway routes or state interstate routes but shall
22 include controlled-access highway exit ramps that enter the jurisdic-
23 tional boundaries of a county, city, town or village; and

24 (iv) oversight procedures to ensure compliance with the aforementioned
25 privacy protection measures.

26 (b) In any such county, city, town or village which has adopted a
27 local law or ordinance pursuant to subdivision (a) of this section, the
28 owner of a vehicle shall be liable for a penalty imposed pursuant to
29 this section if such vehicle was used or operated with the permission of
30 the owner, express or implied, in violation of subdivision (a) of
31 section eleven hundred seventy-four of this article, and such violation
32 is evidenced by information obtained from a school bus photo violation
33 monitoring system; provided however that no owner of a vehicle shall be
34 liable for a penalty imposed pursuant to this section where the operator
35 of such vehicle has been convicted of the underlying violation of subdivi-
36 sion (a) of section eleven hundred seventy-four of this article.

37 (c) For purposes of this section, the following terms shall have the
38 following meanings: "county" shall have the meaning provided in section
39 three of the county law, except that such term shall not include any
40 county wholly contained within a city; "manual on uniform traffic
41 control devices" or "MUTCD" shall mean the manual and specifications for
42 a uniform system of traffic control devices maintained by the commis-
43 sioner of transportation pursuant to section sixteen hundred eighty of
44 this chapter; "owner" shall have the meaning provided in article two-B
45 of this chapter; and "school bus photo violation monitoring system"
46 shall mean a device that is capable of operating independently of an
47 enforcement officer which is installed to work in conjunction with a
48 school bus stop-arm and which automatically produces two or more photo-
49 graphs, two or more microphotographs, a videotape or other recorded
50 images of a vehicle at the time it is used or operated in violation of
51 subdivision (a) of section eleven hundred seventy-four of this article.

52 (d) A certificate, sworn to or affirmed by a technician employed by
53 the county, city, town or village in which the charged violation
54 occurred, or a facsimile thereof, based upon inspection of photographs,
55 microphotographs, videotape or other recorded images produced by a
56 school bus photo violation monitoring system, shall be prima facie

1 evidence of the facts contained therein. Any photographs, microphoto-
2 graphs, videotape or other recorded images evidencing such a violation
3 shall be available for inspection in any proceeding to adjudicate the
4 liability for such violation pursuant to a local law or ordinance
5 adopted pursuant to this section.

6 (e) An owner liable for a violation of subdivision (a) of section
7 eleven hundred seventy-four of this article pursuant to a local law or
8 ordinance adopted pursuant to this section shall be liable for monetary
9 penalties in accordance with a schedule of fines and penalties to be set
10 forth in such local law or ordinance, except that if a city by local law
11 has authorized the adjudication of such owner liability by a parking
12 violations bureau, such schedule shall be promulgated by such bureau.
13 The liability of the owner pursuant to this section shall be two hundred
14 fifty dollars for a first violation, two hundred seventy-five dollars
15 for a second violation both of which were committed within a period of
16 eighteen months, and three hundred dollars for a third or subsequent
17 violation all of which were committed within a period of eighteen
18 months; provided, however, that such local law or ordinance may provide
19 for an additional penalty not in excess of twenty-five dollars for each
20 violation for the failure to respond to a notice of liability within the
21 prescribed time period.

22 (f) An imposition of liability under a local law or ordinance adopted
23 pursuant to this section shall not be deemed a conviction as an operator
24 and shall not be made part of the operating record of the person upon
25 whom such liability is imposed nor shall it be used for insurance
26 purposes in the provision of motor vehicle insurance coverage.

27 (g) 1. A notice of liability shall be sent by first class mail to each
28 person alleged to be liable as an owner for a violation of subdivision
29 (a) of section eleven hundred seventy-four of this article pursuant to
30 this section. Personal delivery on the owner shall not be required. A
31 manual or automatic record of mailing prepared in the ordinary course of
32 business shall be prima facie evidence of the facts contained therein.

33 2. A notice of liability shall contain the name and address of the
34 person alleged to be liable as an owner for a violation of subdivision
35 (a) of section eleven hundred seventy-four of this article pursuant to
36 this section, the registration number of the vehicle involved in such
37 violation, the location where such violation took place, the date and
38 time of such violation and the identification number of the camera which
39 recorded the violation or other document locator number.

40 3. The notice of liability shall contain information advising the
41 person charged of the manner and the time in which he or she may contest
42 the liability alleged in the notice. Such notice of liability shall also
43 contain a warning to advise the persons charged that failure to contest
