- § 2. The executive law is amended by adding a new section 201-b to read as follows:
- § 201-b. State workforce fuel reduction and conservation act. 1. There shall be created within the office of general services a state workforce fuel reduction and conservation program, which shall have the purpose of developing and assisting in the implementation of strategies to reduce gasoline consumption by the state's motor vehicular fleet, and 10 to reduce gasoline consumption through solo motor vehicle trips between home and the workplace by state employees and state contractors.
- 11 12 2. The office of general services, in coordination with the governor's 13 office of employee relations and the office for technology, shall issue a report to the governor and the legislature on or before November 14 fifteenth, two thousand twenty, setting forth a specific plan to reduce 15 16 the number of solo motor vehicle trips between home and the workplace by state employees and state contractors. Such plan shall include, at a 17 18 minimum, proposals to promote the use of transportation other than via single occupancy vehicles by state employees to and from the workplace, 19 20 and while at the workplace: proposals for the development, promotion and 21 implementation of a solo trip reduction program designed to encourage state employees and state contractors to use an alternative mode of 22 23 commuting such as car or van pools, mass transit, biking or walking; 24 authorizing state agencies and authorities to permit alternative work

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

schedules or telecommuting for all state employees and contractors where doing so would result in a reduction in home-workplace travel without decreasing employee efficiency; and a proposal to reimburse state employees and contractors for mass transit costs where doing so results in a net reduction in solo motor vehicle trips.

- 3. The office of general services shall review the size of the state's vehicular fleet, the policies governing the use of such fleet and the actual use of such fleet, and shall issue to the governor and the legislature on or before November fifteenth, two thousand twenty, a specific plan to reduce the use of such fleet in order to reduce gasoline consumption.
- 3. Each state agency covered by section 201-b of the executive law, establishing a program to increase the average passenger occupancy per 13 vehicle in commuting trips between home and the workplace, shall report to the office of general services on the status of such program within one hundred eighty days of the effective date of this act, and on the fifteenth day of January in each year thereafter.
- § 4. Each state agency that maintains its own vehicular fleet shall 19 perform a fuel efficiency audit of such fleet and shall provide such 20 audit to the office of general services within one hundred eighty days 21 of the effective date of this act.
- 5. The department of motor vehicles shall develop programs to educate the driving public on "smart driving," trip reduction and vehi-23 cle maintenance practices that are designed to maximize vehicle fuel 24 efficiency. The department shall issue a report to the governor and the 25 legislature on or before November 15, 2020 on the status of such program.
- 28 § 6. Nothing in this act shall impair any agreements which may be made 29 as a result of collective bargaining or other negotiations between the 30 state and its affected employee organizations.
- 31 § 7. This act shall take effect immediately.
