finance law, or any other contrary provision of law, such funding shall be allocated regionally with one-third of available funds going to New York city and two-thirds of available funds going to the rest of the state and shall be distributed in a manner to be determined by the commissioner without a competitive bid or request for proposal process as follows:

(i) Funding shall first be awarded to repay loans of up to twenty-five physicians who train in primary care or specialty tracks in teaching general hospitals, and who enter and remain in primary care or specialty practices in underserved communities, as determined by the commissioner.

(ii) After distributions in accordance with subparagraph (i) of this paragraph, all remaining funds shall be awarded to repay loans of physicians **or dentists** who enter and remain in primary care or specialty practices in underserved communities, as determined by the commissioner, including but not limited to physicians **or dentists** working in general hospitals, or other health care facilities.

(iii) In no case shall less than fifty percent of the funds available pursuant to this paragraph be distributed in accordance with subparagraphs (i) and (ii) of this paragraph to physicians **or dentists** identified by general hospitals.

(iv) In addition to the funds allocated under this paragraph, for the period April first, two thousand fifteen through March thirty-first, two thousand sixteen, two million dollars shall be available for the purposes described in subdivision ten of this section;

(v) In addition to the funds allocated under this paragraph, for the period April first, two thousand sixteen through March thirty-first, two thousand seventeen, two million dollars shall be available for the purposes described in subdivision ten of this section;

(vi) Notwithstanding any provision of law to the contrary, and subject to the extension of the Health Care Reform Act of 1996, sufficient funds shall be available for the purposes described in subdivision ten of this section in amounts necessary to fund the remaining year commitments for awards made pursuant to subparagraphs (iv) and (v) of this paragraph.

§ 2. Paragraph (e) of subdivision 5-a of section 2807-m of the public health law, as amended by section 6 of part H of chapter 57 of the laws of 2017, is amended to read as follows:

(e) Physician **and dentist** practice support. Four million nine hundred thousand dollars for the period January first, two thousand eight through December thirty-first, two thousand eight, four million nine hundred thousand dollars annually for the period January first, two thousand nine through December thirty-first, two thousand ten, one million two hundred twenty-five thousand dollars for the period January first, two thousand eleven through March thirty-first, two thousand eleven, four million three hundred thousand dollars each state fiscal year for the period April first, two thousand eleven through March thirty-first, two thousand fourteen, up to four million three hundred sixty thousand dollars each state fiscal year for the period April first, two thousand fourteen through March thirty-first, two thousand seventeen, and up to four million three hundred sixty thousand dollars for each state fiscal year for the period April first, two thousand seventeen through March thirty-first, two thousand twenty, shall be set aside and reserved by the commissioner from the regional pools established pursuant to subdivision two of this section and shall be available for purposes of physician **and dentist** practice support. Notwithstanding any contrary provision of this section, sections one hundred twelve and one hundred sixty-three of the state finance law, or any other contrary

provision of law, such funding shall be allocated regionally with one-third of available funds going to New York city and two-thirds of available funds going to the rest of the state and shall be distributed in a manner to be determined by the commissioner without a competitive bid or request for proposal process as follows:

(i) Preference in funding shall first be accorded to teaching general hospitals for up to twenty-five awards, to support costs incurred by physicians **or dentists** trained in primary or specialty tracks who thereafter establish or join practices in underserved communities, as determined by the commissioner.

(ii) After distributions in accordance with subparagraph (i) of this paragraph, all remaining funds shall be awarded to physicians **or dentists** to support the cost of establishing or joining practices in underserved communities, as determined by the commissioner, and to hospitals and other health care providers to recruit new physicians **or dentists** to provide services in underserved communities, as determined by the commissioner.

(iii) In no case shall less than fifty percent of the funds available pursuant to this paragraph be distributed to general hospitals in accordance with subparagraphs (i) and (ii) of this paragraph.

§ 3. Subdivision 10 of section 2807-m of the public health law, as added by section 75-e of part C of chapter 58 of the laws of 2008, paragraphs (a) and (c) as amended by section 13 of part B of chapter 58 of the laws of 2010, is amended to read as follows:

10. Physician **and dentist** loan repayment program. (a) Beginning January first, two thousand eight, the commissioner is authorized, within amounts available pursuant to subdivision five-a of this section, to make loan repayment awards to primary care physicians **and dentists** or other physician **and dentist** specialties determined by the commissioner to be in short supply, licensed to practice medicine **or dentistry** in New York state, who agree to practice for at least five years in an underserved area, as determined by the commissioner. Such physician **or dentist** shall be eligible for a loan repayment award of up to one hundred fifty thousand dollars over a five year period distributed as follows: fifteen percent of total loan debt not to exceed twenty thousand dollars for the first year; fifteen percent of total loan debt not to exceed twenty-five thousand dollars for the second year; twenty percent of total loan debt not to exceed thirty-five thousand dollars for the third year; and twenty-five percent of total loan debt not to exceed thirty-five thousand dollars per year for the fourth year; and any unpaid balance of the total loan debt not to exceed the maximum award amount for the fifth year of practice in such area.

(b) Loan repayment awards made to a physician **or dentist** pursuant to paragraph (a) of this subdivision shall not exceed the total qualifying outstanding debt of the physician **or dentist** from student loans to cover tuition and other related educational expenses, made by or guaranteed by the federal or state government, or made by a lending or educational institution approved under title IV of the federal higher education act. Loan repayment awards shall be used solely to repay such outstanding debt.

(c) In the event that a five-year commitment pursuant to the agreement referenced in paragraph (a) of this subdivision is not fulfilled, the recipient shall be responsible for repayment in amounts which shall be calculated in accordance with the formula set forth in subdivision (b) of section two hundred fifty-four-o of title forty-two of the United States Code, as amended.

(d) The commissioner is authorized to apply any funds available for purposes of paragraph (a) of this subdivision for use as matching funds for federal grants for the purpose of assisting states in operating loan repayment programs pursuant to section three hundred thirty-eight I of the public health service act.

(e) The commissioner may postpone, change or waive the service obligation and repayment amounts set forth in paragraphs (a) and (c), respectively of this subdivision in individual circumstances where there is compelling need or hardship.

(f)(i) When a physician **or dentist** is not actually practicing in an underserved area, he or she shall be deemed to be practicing in an underserved area if he or she practices in a facility or physician's **or dentist's** office that primarily serves an underserved population as determined by the commissioner, without regard to whether the population or the facility or physician's **or dentist's** office is located in an underserved area.

(ii) In making criteria and determinations as to whether an area is an underserved area or whether a facility or physician's **or dentist's** office primarily serves an underserved population, the commissioner may make separate criteria and determinations for different specialties.

§ 4. This act shall take effect immediately.
