4. Notwithstanding any of the foregoing provisions of this section, any increase in compensation for any officer or employee appointed to a lower graded position from a redeployment list pursuant to subdivision 1 of section 79 of the civil service law who continues to receive his or her former salary pursuant to such subdivision shall be determined on the basis of such lower graded position provided, however, that the increase in salary provided in subdivision two of this section shall not cause such officer's or employee's salary to exceed the job rate of any such lower graded position at salary grade.

Such increase in basic annual salary rates shall not exceed in the aggregate 2 percent of the total basic annual salary rates in effect on March 31, 2020.

2. (a) Effective April 1, 2019, the basic annual salary of incumbents of positions in the institutions under the management and control of Cornell and Alfred universities as representatives of the board of trustees of the state university that, in the opinion of the director of employee relations, would be designated managerial or confidential were they subject to article 14 of the civil service law may be increased pursuant to plans approved by the state university trustees. Such

increase in basic annual salary rates shall not exceed in the aggregate two percent of the total basic annual salary rates in effect March 31, 2020.

3. (a) During the period April 1, 2019 through March 31, 2020, the basic annual salary of incumbents of positions in the non-professional service that, in the opinion of the director of employee relations, would be designated managerial or confidential were they subject to article 14 of the civil service law, except those positions in the Cornell service and maintenance unit that are subject to the terms of a collective bargaining agreement between Cornell university and the employee organization representing employees in such positions and except those positions in the Alfred service and maintenance unit that are subject to the terms of a collective bargaining agreement between Alfred university and the employee organization representing employees in such positions, in institutions under the management and control of Cornell and Alfred universities as representatives of the board of trustees of the state university may be increased pursuant to plans approved by the state university trustees. Such plans may include a new salary schedule which shall supersede the salary schedules then in effect applicable to such employees. Such plans shall provide for an increase in basic annual salary, which, exclusive of performance advancement payments or merit recognition payments, shall not exceed in the aggregate 2 percent of the total basic annual salary rates in effect on March 31, 2019.

(b) During the period April 1, 2020 through March 31, 2021, the basic annual salary of incumbents of positions in the non-professional service that, in the opinion of the director of employee relations, would be designated managerial or confidential were they subject to article 14 of the civil service law, except those positions in the Cornell service and maintenance unit that are subject to the terms of a collective bargaining agreement between Cornell university and the employee organization representing employees in such positions and except those positions in the Alfred service and maintenance unit that are subject to the terms of a collective bargaining agreement between Alfred university and the employee organization representing employees in such positions, in institutions under the management and control of Cornell and Alfred universities as representatives of the board of trustees of the state university may be increased pursuant to plans approved by the state university trustees. Such plans may include a new salary schedule which shall supersede the salary schedules then in effect applicable to such employees. Such plans shall provide for an increase in basic annual salary, which, exclusive of performance advancement payments or merit recognition payments, shall not exceed in the aggregate two percent of the total basic annual salary rates in effect on March 31, 2020.

4. For the purposes of this section, the basic annual salary of an employee is that salary that is obtained through direct appropriation of state moneys for the purpose of paying wages. Nothing in this part shall prevent increasing amounts paid to incumbents of such positions in the professional service in addition to the basic annual salary, provided, however, that the amounts required for such increase and the cost of fringe benefits attributable to such increase, as determined by the comptroller, are made available to the state in accordance with the procedures established by the state university, with the approval of the director of the budget, for such purposes.

5. Notwithstanding any of the foregoing provisions of this section or any law to the contrary, any increase in compensation may be withheld in

whole or in part from any employee to whom the provisions of this section apply pursuant to section fourteen of this act.

(a) in the county of Monroe and who were eligible to receive location pay on March 31, 1985, shall receive location pay at the rate of two hundred dollars per year provided they continue to be otherwise eligible.

(b) in the city of New York, or in the county of Rockland, Westchester, Nassau, or Suffolk shall continue to receive a downstate adjustment at the rate of three thousand twenty-six dollars effective October 1, 2008.

(c) in the county of Dutchess, Orange, or Putnam shall continue to receive a mid-Hudson adjustment at the rate of one thousand five hundred thirteen dollars effective October 1, 2008. Such location payments shall be in addition to and shall not be a part of an employee's basic annual salary, and shall not affect or impair any advancements or other rights or benefits to which an employee may be entitled by law, provided, however, that location payments shall be included as compensation for purposes of computation of overtime pay and for retirement purposes. For the sole purpose of continuing eligibility for location pay in Monroe county, an employee previously eligible to receive location pay on March 31, 1985 who is on an approved leave of absence or participates in an employer program to reduce to part-time service during summer months shall continue to be eligible for said location pay upon return to full-time state service in Monroe county.

§ 8. Continuation of location compensation for certain officers and employees of the Hudson Valley developmental disabilities services office. 1. Notwithstanding any law, rule or regulation to the contrary, any officer or employee of the Hudson Valley developmental disabilities services office not represented in collective negotiating units established pursuant to article 14 of the civil service law who is receiving location pay pursuant to section 5 of chapter 174 of the laws of 1993 shall continue to receive such location pay under the conditions and at the rates specified by such section.

2. Notwithstanding section eight of this act or any other law, rule or regulation to the contrary, any officer or employee of the Hudson Valley developmental disabilities services office not represented in collective negotiating units established pursuant to article 14 of the civil service law who is receiving location pay pursuant to said section eight of this act shall continue to be eligible for such location pay if such officer's or employee's principal place of employment is changed to a location outside of the county of Rockland as the result of a reduction or redeployment of staff, provided, however, that such officer or employee is reassigned to or otherwise appointed or promoted to a different position at another work location within such Hudson Valley developmental disabilities services office located outside of the county of Rockland. The rate of such continued location pay shall not exceed the rate such officer or employee is receiving on the date of such reassignment, appointment, or promotion.

§ 9. Overtime meal allowance. Notwithstanding any other provision of law to the contrary, individuals in positions in the classified service of the state of New York designated managerial or confidential pursuant to article 14 of the civil service law, shall continue to receive, effective April 1, 2011, an overtime meal allowance in the amount of $5.50 pursuant to eligibility guidelines developed by the director of employee relations.

§ 10. Effect of participation in special annuity program. No officer or employee participating in a special annuity program pursuant to the provisions of article 8-C of the education law shall, by reason of an increase in compensation pursuant to this act, suffer any reduction of the salary adjustment to which that employee would otherwise be entitled by reason of participation in such program, and such salary adjustment shall be based upon the salary of such officer or employee without regard to the reduction authorized by such article.

§ 11. 1. Notwithstanding the provisions of any other section of this act or any other provision of law to the contrary, any increase in compensation provided: (a) in this act, or (b) as a result of a promotion, appointment, or advancement to a position in a higher salary grade, or (c) pursuant to paragraph (c) of subdivision 6 of section 131 of the civil service law, or (d) pursuant to paragraph (b) of subdivision 8 of section 130 of the civil service law, or (e) pursuant to paragraph (a) of subdivision 3 of section 13 of chapter 732 of the laws of 1988, as amended, may be withheld in whole or in part from any officer or employee when, in the opinion of the director of the budget, such withholding is necessary to reflect the job performance of such officer or employee, or to maintain appropriate salary relationships among officers or employees of the state, or to reduce state expenditures to acceptable levels or when, in the opinion of the director of the budget, such increase is not warranted or is not appropriate. As a result of an exercise of the director's authority under this act to withhold any increase, such salary schedules as defined in section one of this act shall be implemented and/or modified by the director of the budget, as necessary, consistent with the provision or withholding of such increases pursuant to this section.

2. Notwithstanding the provisions of any other section of this act, the salary increase provided for in this act shall not be implemented until the director of the budget delivers notice to the comptroller that such amounts may be paid.

§ 12. Notwithstanding any provision of law to the contrary, the appropriations contained in this act shall be available to the state for the

payment of grievance settlements and awards pursuant to executive order 42, dated October 14, 1970, and title 9, part 560, official compilation of codes, rules and regulations of the state of New York.

Notwithstanding the provisions of this act or of any other law, the increase in salary or compensation of any officer or employee provided by this act shall be added to the salary or compensation of such officer or employee at the beginning of that payroll period the first day of which is nearest to the effective date of such increases as provided in this act, or at the beginning of the earlier of two payroll periods the first days of which are nearest but equally near to the effective dates of such increases as provided in this act, provided, however, that for the purposes of determining the salary of such officer or employee upon reclassification, reallocation, appointment, promotion, transfer, demotion, reinstatement or other change of status, such salary increase shall be deemed to be effective on the date thereof as prescribed in this act, and the payment thereof pursuant to this section on a date prior thereto, instead of on such effective date, shall not operate to confer any additional salary rights or benefits on such officer or employee. Payment of such salary increase may be deferred pursuant to section fourteen of this act.

§ 14. Deferred payment of salary increase. Notwithstanding the provisions of any other section of this act or any other provision of law to the contrary, pending payment pursuant to this act of the basic annual salaries of incumbents of positions subject to this act, such incumbents shall receive, as partial compensation for services rendered, the rate of salary and other compensation otherwise payable in their respective positions. An incumbent holding a position subject to this act at any time during the period from April 1, 2019, until the time when basic annual salaries and other compensation due are first paid pursuant to this act for such services in excess of the salary and other compensation actually received therefor, shall be entitled to a lump sum payment for the difference between the salary and other compensation to which such incumbent is entitled for such services and the salary and other compensation actually received.

§ 15. Use of appropriations. Notwithstanding any provision of the state finance law or any other provision of law to the contrary, the state comptroller is authorized to pay any amounts required during the fiscal year commencing April 1, 2018 or April 1, 2019, by the provisions of this act for any state department or agency from any appropriation or other funds available to such state department or agency for personal service or for other related employee benefits during such fiscal year. To the extent that such appropriations are insufficient in any fund to accomplish the purposes herein set forth, the director of the budget is authorized to allocate to the various departments and agencies, from any appropriations available in any fund, the amounts necessary to pay such amounts. The aforementioned appropriations shall be available for payment of any liabilities or obligations incurred prior to April 1, 2018 or April 1, 2019, in addition to current liabilities.

§ 16. Notwithstanding any provision of the state finance law or any other provision of law to the contrary, the sum of $47,520,000 is hereby appropriated in the general fund/state purposes account (10050) in miscellaneous-all state departments and agencies solely for apportionment/transfer by the director of the budget for use by any state department or agency in any fund for the state fiscal year April 1, 2019 through March 31, 2020 to supplement appropriations for personal service, other than personal service and fringe benefits, and to carry

out the provisions of this act. No money shall be available for expenditure from this appropriation until a certificate of approval has been issued by the director of the budget and a copy of such certificate or any amendment thereto has been filed with the state comptroller, the chair of the senate finance committee and the chair of the assembly ways and means committee. The monies hereby appropriated are available for payment of any liabilities or obligations incurred prior to or during the state fiscal year April 1, 2019 through March 31, 2020. For this purpose, the monies appropriated shall remain in full force and effect for the payment of liabilities incurred on or before March 31, 2020.

§ 17. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after April 1, 2019. Appropriations made by this act shall remain in full force and effect for liabilities incurred through March 31, 2020.

§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section or part contained in any part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part contained in any part thereof directly involved in the controversy which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately provided, however, that the applicable effective date of Parts A through D of this act shall be as specifically set forth in the last section of such Part.
