13 the mandatory continuing education requirements prescribed in subdivi-

15 of this subdivision. Licensed athletic trainers who do not satisfy the
16 mandatory continuing education requirements shall not practice until
17 they have met such requirements, and they have been issued a registra-

21 section.

22 (b) Each licensed athletic trainer shall be exempt from the mandatory
23 continuing education requirement for the triennial registration period
24 during which he or she is first licensed. In accordance with the intent
25 of this section, adjustment to the mandatory continuing education
26 requirement may be granted by the department for reasons of health
27 certified by an appropriate health care professional, for extended
28 active duty with the armed forces of the United States, or for other
29 good cause acceptable to the department which may prevent compliance.

30 (c) A licensed athletic trainer not engaged in practice, as determined
31 by the department, shall be exempt from the mandatory continuing educa-

33 declaring such status. Any licensee who returns to the practice of
34 athletic training during the triennial registration period shall notify
35 the department prior to reentering the profession and shall meet such
36 mandatory education requirements as shall be prescribed by regulations
37 of the commissioner.

38 2. During each triennial registration period, an applicant for regis-

41 in subdivision four of this section. Any licensed athletic trainer whose
42 first registration date following the effective date of this section

44 January first, two thousand twenty, shall complete continuing education
45 hours on a prorated basis at the rate of one hour per month for the
46 period beginning January first, two thousand twenty and then fifteen
47 hours per year until his or her first registration date thereafter. A
48 licensee who has not satisfied the mandatory continuing education
49 requirements shall not be issued a triennial registration certificate by
50 the department and shall not practice unless and until a conditional
51 registration certificate is issued as provided for in subdivision three
52 of this section. Continuing education hours taken during one triennium
53 may not be transferred to a subsequent triennium.

54 3. The department, in its discretion, may issue a conditional regis-
55 tration to a licensee who fails to meet the continuing education
56 requirements established in subdivision two of this section but who

1 agrees to make up any deficiencies and complete any additional education
2 which the department may require. The fee for such a conditional regis-
3 tration shall be the same as, and in addition to, the fee for the trien-
4 ennial registration. The duration of such conditional registration shall
5 be determined by the department but shall not exceed one year. Any
6 licensee who is notified of the denial of registration for failure to
7 submit evidence, satisfactory to the department, of required continuing
8 education and who practices without such registration may be subject to
9 disciplinary proceedings pursuant to section sixty-five hundred ten of
10 this title.

11 4. For purposes of this section:

12 (a) "acceptable learning activities" shall include, but not be limited
13 to, formal courses of learning which contribute to professional practice
14 in psychology and/or self-study activities; independent study; formal
15 mentoring activities; publication in professional journals; or lectures,
16 which meet the standards prescribed by regulations of the commissioner;
17 and

20 programs and technical sessions offered by national, state and local
21 professional associations and any other organizations acceptable to the
22 department, and any other organized educational and technical programs
23 acceptable to the department. Formal courses shall be taken from a
24 sponsor approved by the department, based upon an application and fee,
25 pursuant to the regulations of the commissioner.

26 5. The department may, in its discretion and as needed to contribute
27 to the health and welfare of the public, require the completion of
28 continuing education credits in specific subjects to fulfill this manda-
29 tory continuing education requirement.

30 6. A licensed athletic trainer shall maintain adequate documentation
31 of completion of acceptable formal continuing education and shall
32 provide such documentation at the request of the department. Failure to
33 provide such documentation upon the request of the department shall be
34 an act of misconduct subject to disciplinary proceedings pursuant to
35 section sixty-five hundred ten of this title.

36 7. The mandatory continuing education fee shall be payable on or
37 before the first day of each triennial registration period, and shall be
38 paid in addition to the triennial registration fee required by section
39 eighty-three hundred fifty-five of this article.

40 § 8356-b. Special provisions. Any person who is certified as an
41 athletic trainer by the department on the effective date of this section
42 shall have one year from the effective date to apply for and qualify for

46 laws of 1992, is amended to read as follows:

47 § 8357. Non-liability of [~~certified~~] licensed athletic trainers for

51 compensation renders first aid or emergency treatment at the scene of an
52 accident or other emergency, outside a hospital, doctor's office or any
53 other place having proper and necessary athletic training equipment, to
54 a person who is unconscious, ill or injured, shall not be liable for
55 damages for injuries alleged to have been sustained by such person or
56 for damages for the death of such person alleged to have occurred by

1 reason of an act or omission in the rendering of such first aid or emer-
2 gency treatment unless it is established that such injuries were or such
3 death was caused by gross negligence on the part of such athletic train-
4 er. Nothing in this section shall be deemed or construed to relieve a
5 ~~[certified]~~ licensed athletic trainer from liability for damages for
6 injuries or death caused by an act or omission on the part of an athlet-
7 ic trainer while rendering professional services in the normal and ordi-
8 nary course of his or her practice.

21 4. A limited permit holder shall practice only under the supervision
22 of a physician as determined in accordance with the commissioner's regu-
