AN ACT to amend the education law, in relation to the use of biometric identifying technology

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The education law is amended by adding a new section 2-e to read as follows:

§ 2-e. Use of biometric identifying technology. 1. As used in this section:

a. "biometric identifying technology" shall mean any tool using an automated or semi-automated process that assists in verifying a person's identity based on a person's biometric information.

b. "biometric information" shall mean any measurable physical, physiological or behavioral characteristics that are attributable to a person, including but not limited to facial characteristics, fingerprint characteristics, hand characteristics, eye characteristics, vocal characteristics, and any other characteristics that can be used to identify a person including, but are not limited to: fingerprints; handprints; retina and iris patterns; DNA sequence; voice; gait; and facial geometry.

c. "facial recognition" shall mean any tool using an automated or semi-automated process that assists in uniquely identifying or verifying a person by comparing and analyzing patterns based on the person's face.

2. Public and nonpublic elementary and secondary schools, including charter schools, shall be prohibited from purchasing or utilizing biome-

1 tric identifying technology for any purpose, including school security,
2 until July first, two thousand twenty-two or until the commissioner
3 authorizes such purchase or utilization as provided in subdivision three
4 of this section, whichever occurs later.

5 3. a. The commissioner shall not authorize the purchase or utilization
6 of biometric identifying technology, including but not limited to facial
7 recognition technology, without first issuing a report prepared in
8 consultation with the department's chief privacy officer, making recom-
9 mendations as to the circumstances in which the utilization of such
10 technology is appropriate in public and nonpublic elementary and second-
11 ary schools, including charter schools, and what restrictions and guide-
12 lines should be enacted to protect individual privacy, civil rights, and
13 civil liberty interests. Such report shall be made public and presented
14 to the governor, the temporary president of the senate, and the speaker
15 of the assembly, and shall consider, evaluate and present recommenda-
16 tions concerning:

17 i. the privacy implications of collecting, storing, and/or sharing
18 biometric information of students, teachers, school personnel and the
19 general public entering a school or school grounds;

20 ii. the potential impact of the use of biometric identifying technolo-
21 gy on student civil liberties and student civil rights, including the
22 risks and implications of the technology resulting in false facial iden-
23 tifications, and whether the risks of false facial identifications
24 differs for different subgroups of individuals based on race, national
25 origin, gender, age and other factors, and any other reasonable accuracy
26 concerns with respect to technology;

27 iii. whether, and under what circumstances, such technology may be
28 used for school security and the effectiveness of such technology to
29 protect students and school personnel;

30 iv. whether, and under what circumstances and in what manner, informa-
31 tion collected may be used by schools and shared with students, parents
32 or guardians, outside agencies including law enforcement agencies, indi-
33 viduals, litigants, the courts, and any other third parties;

34 v. the length of time biometric information may be retained and wheth-
35 er, and in what manner, such information may be required to be perma-
36 nently destroyed;

37 vi. the risk of an unauthorized breach of biometric information and
38 appropriate consequences therefor;

39 vii. expected maintenance costs resulting from the storage and use of
40 facial recognition images and other biometric information, including the
41 cost of appropriately securing sensitive data, performing required
42 updates to protect against an unauthorized breach of data, and potential
43 costs associated with an unauthorized breach of data;

44 viii. analysis of other schools and organizations, if any, that have
45 implemented facial recognition technology and other biometric identify-
46 ing technology programs;

47 ix. the appropriateness and potential implications of using any exist-
48 ing databases, including but not limited to, local law enforcement data-
49 bases, as part of biometric identifying technology;

50 x. whether, and in what manner such biometric identifying technology
51 should be assessed and audited, including but not limited to, vendor
52 datasets, adherence to appropriate standards of algorithmic fairness,
53 accuracy, and other performance metrics, including with respect to
54 subgroups of persons based on race, national origin, gender, and age;

1 xi. whether, and in what manner, the use of such technology should be
2 disclosed by signs and the like in such schools, as well as communicated
3 to parents, guardians, students, and district residents; and

4 xii. existing legislation, including but not limited to section 2-d of
5 this article, that may be implicated by or in conflict with biometric
6 technology to ensure the maintenance of records related to the use of
7 such technology, protect the privacy interests of data subjects, and
8 avoid any breaches of data.

9 b. The commissioner shall consult with stakeholders and other inter-
10 ested parties when preparing such report. The office of information
11 technology, the division of criminal justice services, law enforcement
12 authorities and the state university of New York and the city university
13 of New York shall, to the extent practicable, identify and provide
14 representatives to the department, at the request of the commissioner,
15 in order to participate in the development and drafting of such report.

16 4. The commissioner shall, via scheduled public hearings and other
17 outreach methods, seek feedback from teachers, school administrators,
18 parents, individuals with expertise in school safety and security, and
19 individuals with expertise in data privacy issues and student privacy
20 issues, and individuals with expertise in civil rights and civil liber-
21 ties prior to making such recommendations.

22 § 2. This act shall take effect immediately.
