37 § 1180-e. Owner liability for failure of operator to comply with
38 certain posted maximum speed limits. (a) 1. Notwithstanding any other
39 provision of law, the commissioner of transportation is hereby author-
40 ized to establish a demonstration program imposing monetary liability on
41 the owner of a vehicle for failure of an operator thereof to comply with
42 posted maximum speed limits in a highway construction or maintenance
43 work area when highway construction or maintenance work is occurring and
44 located on an interstate or auxiliary interstate highway under the
45 commissioner's jurisdiction (i) when a work area speed limit is in
46 effect as provided in paragraph two of subdivision (d) or subdivision
47 (f) of section eleven hundred eighty of this article or (ii) when other
48 speed limits are in effect as provided in subdivision (b) or (g) or
49 paragraph one of subdivision (d) of section eleven hundred eighty of
50 this article. Such demonstration program shall empower the commissioner
51 to install photo speed violation monitoring systems within no more than
52 fifteen highway construction or maintenance work areas located on inter-
53 state or auxiliary interstate highways under the commissioner's juris-
54 isdiction and to operate such systems when highway construction or mainte-

56 area speed limit is in effect as provided in paragraph two of subdivi-

2 article or (iv) when other speed limits are in effect as provided in
3 subdivision (b) or (g) or paragraph one of subdivision (d) of section
4 eleven hundred eighty of this article. The commissioner, in consulta-
5 tion with the superintendent of the division of state police, shall
6 determine the location of the highway construction or maintenance work
7 areas located on an interstate or auxiliary interstate highway under the
8 jurisdiction of the commissioner in which to install and operate photo
9 speed violation monitoring systems. In selecting a highway construction
10 or maintenance work area in which to install and operate a photo speed
11 violation monitoring system, the commissioner shall consider criteria
12 including, but not limited to, the speed data, crash history, and road-
13 way geometry applicable to such highway construction or maintenance work
14 area. A photo speed violation monitoring system shall not be installed
15 or operated on an interstate or auxiliary interstate highway exit ramp.

16 2. Notwithstanding any other provision of law, after holding a public
17 hearing in accordance with the public officers law and subsequent
18 approval by a majority of the members of the entire board the chair of
19 the thruway authority is hereby authorized to establish a demonstration
20 program imposing monetary liability on the owner of a vehicle for fail-
21 ure of an operator thereof to comply with posted maximum speed limits in
22 a highway construction or maintenance work area when highway
23 construction or maintenance work is occurring and located on the thruway
24 (i) when a work area speed limit is in effect as provided in paragraph
25 two of subdivision (d) or subdivision (f) of section eleven hundred
26 eighty of this article or (ii) when other speed limits are in effect as
27 provided in subdivision (b) or (g) or paragraph one of subdivision (d)
28 of section eleven hundred eighty of this article. Such demonstration
29 program shall empower the chair to install photo speed violation moni-
30 toring systems within no more than five highway construction or mainte-
31 nance work areas located on the thruway and to operate such systems when
32 highway construction or maintenance work is occurring and within such
33 work areas (iii) when a work area speed limit is in effect as provided
34 in paragraph two of subdivision (d) or subdivision (f) of section eleven
35 hundred eighty of this article or (iv) when other speed limits are in
36 effect as provided in subdivision (b) or (g) or paragraph one of subdivi-
37 vision (d) of section eleven hundred eighty of this article. The chair,
38 in consultation with the superintendent of the division of state police,
39 shall determine the location of the highway construction or maintenance
40 work areas located on the thruway in which to install and operate photo
41 speed violation monitoring systems. In selecting a highway construction
42 or maintenance work area in which to install and operate a photo speed
43 violation monitoring system, the chair shall consider criteria includ-
44 ing, but not limited to, the speed data, crash history, and roadway
45 geometry applicable to such highway construction or maintenance work
46 area. A photo speed violation monitoring system shall not be installed
47 or operated on a thruway exit ramp.

48 3. No photo speed violation monitoring system shall be used in a high-
49 way construction or maintenance work area unless (i) on the day it is to
50 be used it has successfully passed a self-test of its functions; and
51 (ii) it has undergone an annual calibration check performed pursuant to
52 paragraph five of this subdivision. The commissioner or chair, as appli-
53 cable, shall install signs giving notice that a photo speed violation
54 monitoring system is in use, in conformance with standards established
55 in the MUTCD.

1 4. Operators of photo speed violation monitoring systems shall have
2 completed training in the procedures for setting up, testing, and oper-
3 ating such systems. Each such operator shall complete and sign a daily
4 set-up log for each such system that he or she operates that (i) states
5 the date and time when, and the location where, the system was set up
6 that day, and (ii) states that such operator successfully performed, and
7 the system passed, the self-tests of such system before producing a
8 recorded image that day. The commissioner or the chair, as applicable,
9 shall retain each such daily log until the later of the date on which
10 the photo speed violation monitoring system to which it applies has been
11 permanently removed from use or the final resolution of all cases
12 involving notices of liability issued based on photographs, microphoto-
13 graphs, video or other recorded images produced by such system.

14 5. Each photo speed violation monitoring system shall undergo an annu-
15 al calibration check performed by an independent calibration laboratory
16 which shall issue a signed certificate of calibration. The commissioner
17 or the chair, as applicable, shall keep each such annual certificate of
18 calibration on file until the final resolution of all cases involving a
19 notice of liability issued during such year which were based on photo-
20 graphs, microphotographs, videotape or other recorded images produced by
21 such photo speed violation monitoring system.

22 6. (i) Such demonstration program shall utilize necessary technologies
23 to ensure, to the extent practicable, that photographs, microphoto-
24 graphs, videotape or other recorded images produced by such photo speed
25 violation monitoring systems shall not include images that identify the
26 driver, the passengers, or the contents of the vehicle. Provided, howev-
27 er, that no notice of liability issued pursuant to this section shall be
28 dismissed solely because such a photograph, microphotograph, videotape
29 or other recorded image allows for the identification of the driver, the
30 passengers, or the contents of vehicles where the commissioner or the
31 chair, as applicable, shows that they made reasonable efforts to comply
32 with the provisions of this paragraph in such case.

33 (ii) Photographs, microphotographs, videotape or any other recorded
34 image from a photo speed violation monitoring system shall be for the
35 exclusive use of the commissioner or the chair, as applicable, for the
36 purpose of the adjudication of liability imposed pursuant to this
37 section and of the owner receiving a notice of liability pursuant to
38 this section, and shall be destroyed by the commissioner or chair, as
39 applicable, upon the final resolution of the notice of liability to
40 which such photographs, microphotographs, videotape or other recorded
41 images relate, or one year following the date of issuance of such notice
42 of liability, whichever is later. Notwithstanding the provisions of any
43 other law, rule or regulation to the contrary, photographs, microphoto-
44 graphs, videotape or any other recorded image from a photo speed
45 violation monitoring system shall not be open to the public, nor subject
46 to civil or criminal process or discovery, nor used by any court or
47 administrative or adjudicatory body in any action or proceeding therein
48 except that which is necessary for the adjudication of a notice of
49 liability issued pursuant to this section, and no public entity or
50 employee, officer or agent thereof shall disclose such information,
51 except that such photographs, microphotographs, videotape or any other
52 recorded images from such systems:

53 (A) shall be available for inspection and copying and use by the motor
54 vehicle owner and operator for so long as such photographs, microphoto-
55 graphs, videotape or other recorded images are required to be maintained
56 or are maintained by such public entity, employee, officer or agent; and

(B) (1) shall be furnished when described in a search warrant issued by a court authorized to issue such a search warrant pursuant to article six hundred ninety of the criminal procedure law or a federal court authorized to issue such a search warrant under federal law, where such search warrant states that there is reasonable cause to believe such information constitutes evidence of, or tends to demonstrate that, a misdemeanor or felony offense was committed in this state or another state, or that a particular person participated in the commission of a misdemeanor or felony offense in this state or another state, provided, however, that if such offense was against the laws of another state, the court shall only issue a warrant if the conduct comprising such offense would, if occurring in this state, constitute a misdemeanor or felony against the laws of this state; and

(2) shall be furnished in response to a subpoena duces tecum signed by a judge of competent jurisdiction and issued pursuant to article six hundred ten of the criminal procedure law or a judge or magistrate of a federal court authorized to issue such a subpoena duces tecum under federal law, where the judge finds and the subpoena states that there is reasonable cause to believe such information is relevant and material to the prosecution, or the defense, or the investigation by an authorized law enforcement official, of the alleged commission of a misdemeanor or felony in this state or another state, provided, however, that if such offense was against the laws of another state, such judge or magistrate shall only issue such subpoena if the conduct comprising such offense would, if occurring in this state, constitute a misdemeanor or felony in this state; and

(3) may, if lawfully obtained pursuant to this clause and clause (A) of this subparagraph and otherwise admissible, be used in such criminal action or proceeding.

(b) If the commissioner or chair establishes a demonstration program pursuant to subdivision (a) of this section, the owner of a vehicle shall be liable for a penalty imposed pursuant to this section if such vehicle was used or operated with the permission of the owner, express or implied, within a highway construction or maintenance work area located on a controlled-access highway under the jurisdiction of the commissioner or on the thruway in violation of paragraph two of subdivision (d) or subdivision (f), or when other speed limits are in effect in violation of subdivision (b) or (g) or paragraph one of subdivision (d), of section eleven hundred eighty of this article, such vehicle was traveling at a speed of more than ten miles per hour above the posted speed limit in effect within such highway construction or maintenance work area, and such violation is evidenced by information obtained from a photo speed violation monitoring system; provided however that no owner of a vehicle shall be liable for a penalty imposed pursuant to this section where the operator of such vehicle has been convicted of the underlying violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this article.
