1 § 3398-b. Program approval. 1. Notwithstanding any other statute, law
2 or rule to the contrary, the department or a local health district may
3 approve an entity to operate a program in one or more jurisdictions upon
4 satisfaction of the requirements set forth in subdivision two of this
5 section. The department or a local health district shall establish stan-
6 dards for program approval and training and may promulgate such rules
7 and regulations as are necessary to implement this section.

8 (a) The department or a local health district in a jurisdiction shall
9 approve or deny an application under this section within forty-five days
10 of the day of receipt of the application and provide a written explana-
11 tion of such determination.

12 (b) An entity in a jurisdiction may make an application under this
13 section at any time, regardless of previous applications.

14 2. The department or local health district may approve an entity to
15 operate a program in a jurisdiction pursuant to this article, upon
16 submission of an application that demonstrates the entity will, at a
17 minimum:

18 (a) provide a hygienic space where participants may consume their
19 pre-obtained drugs that is separate from the space in which the entity
20 performs other business, if any;

21 (b) provide adequate staffing by healthcare professionals or other
22 trained staff;

23 (c) provide sterile injection supplies, collect used hypodermic
24 needles and syringes, provide secure hypodermic needle and syringe
25 disposal services, and provide the ability to self-test the composition
26 of pre-obtained drugs;

27 (d) provide education on safe consumption practices, proper disposal
28 of hypodermic needles and syringes, and overdose prevention, including
29 written information in, at a minimum, the four most commonly spoken
30 languages in the state as determined by the department or local health
31 district;

32 (e) administer first aid, if needed, and monitor participants for
33 potential overdose, including the administration of naloxone by an
34 appropriately trained or credentialed staff member of the program, which
35 may include, but is not limited to a registered nurse pursuant to
36 section sixty-nine hundred nine of the education law;

37 (f) provide referrals to addiction treatment, medical, social welfare,
38 and employment and training services;

39 (g) educate participants on the risks of contracting HIV and viral
40 hepatitis, and provide sexual health resources and supplies, including,
41 but not limited to, male and female condoms;

42 (h) provide access to naloxone or to equivalent treatments, or refer-
43 als to obtain naloxone or such equivalent treatments, for participants;

44 (i) provide reasonable and adequate security of the program site and
45 equipment;

46 (j) ensure confidentiality of program participants by using an anony-
47 mous unique identifier, unless participants provide appropriate consent;

48 (k) train staff members to deliver services offered by the program or
49 attend trainings provided by the department or local health district if
50 required;

51 (l) establish and make available to the public operating procedures
52 for the program, including but not limited to the standard hours of
53 operation, a minimum number of personnel required to be on-site during
54 those hours of operation, the licensing and training standards for staff
55 present, an established maximum number of individuals who can be served
56 at one time and an established relationship with the nearest emergency

1 department of a general acute care hospital, as well as eligibility
2 criteria for program participants if not predetermined by the department
3 or local health district.

4 (m) establish a good neighbor policy that facilitates communication
5 from and to local businesses and residences, to the extent they exist,
6 to address any neighborhood concerns and complaints; and

7 (n) establish a policy for informing local government officials and
8 neighbors about the approved entity's complaint procedures, and the
9 contact number of the director, manager, or operator of the approved
10 entity.

11 § 3398-c. Designation. A department approved program shall also be
12 designated as an authorized syringe exchange program in accordance with
13 the regulations of the department as set forth in 10 NYCRR 80.135 and as
14 a registered provider of an opioid overdose prevention program in
15 accordance with the regulations of the department as set forth in 10
16 NYCRR 80.138. An overdose prevention center program approved by a local
17 health district shall apply to be an authorized syringe exchange program
18 and registered provider of an opioid overdose prevention program.

19 § 3398-d. Reporting. An entity operating an overdose prevention center
20 program under this section shall provide an annual report to the depart-
21 ment and/or local health district that approved it for operation at a
22 date set by the department or local health district that shall include:

23 1. the number of program participants;
24 2. aggregate information regarding the characteristics of program
25 participants;

26 3. the number of hypodermic needles and syringes distributed for use
27 on-site;

28 4. the number of overdoses experienced and the number of overdoses
29 reversed on-site;

30 5. the number of individuals directly and formally referred to other
31 services and the type of service; and

32 6. any other information requested by the department or local health
33 district in furtherance of its public health and safety authority.

34 § 3398-e. Immunity provided. Notwithstanding any other statute, law or
35 rule to the contrary, the following persons shall not be arrested,
36 charged, or prosecuted for any criminal offense, including for attempt,
37 aiding and abetting, or conspiracy, or be subject to any civil or admin-
38 istrative penalty, including seizure or forfeiture of assets or real
39 property or disciplinary action by a professional licensing board, or be
40 denied any right or privilege, solely for participation or involvement
41 in a program approved by the department or local health districts pursu-
42 ant to this article:

43 1. a participant;

44 2. a staff member or administrator of a program, including a health
45 care professional, manager, employee, or volunteer; or

46 3. a property owner who owns real property at which a program is
47 located and operates.

48 § 3398-f. Limitations on immunity. Notwithstanding the provisions of
49 section thirty-three hundred ninety-eight-e of this article, a property
50 owner, staff member, manager, employee, volunteer, or individual utiliz-
51 ing an overdose prevention center program is not immune from criminal
52 prosecution for any activities not permitted or approved pursuant to
53 this article.

54 § 2. This act shall take effect immediately and shall expire and be
55 deemed repealed December 31, 2021.
