Introduced by Sen. COMRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Housing, Construction and Community Development

AN ACT to amend the executive law, in relation to requiring combustible gas detectors in certain structures

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 378 of the executive law is amended by adding a new
2 subdivision 19 to read as follows:

3 19. a. (i) Standards for installation of combustible gas detectors
4 requiring, no later than July first, two thousand twenty that every one
5 or two-family dwelling, or any dwelling accommodation located in a
6 building owned as a condominium or cooperative in the state or any
7 multiple dwellings shall have installed an operable combustible gas
8 detector of such manufacture, design and installation standards as are
9 established by the council.

10 (ii) Standards for the reporting of gas leaks reported via automatic
11 transmission to a gas company by a gas detector by such gas companies.
12 Provided, however, that such standards shall require a gas company to
13 issue an annual report detailing the number of leaks received in a
14 calendar year disaggregated by county.

15 b. For purposes of this subdivision, combustible gas detector means an
16 alarm device that complies with the applicable standards of the American
17 National Standards Institute, or its successors, for residential devices
18 for the detection of combustible quantities of methane and propane
19 gases, unless such standards are superseded by rules adopted by the
20 council. Provided, however, that such devices shall further be equipped
21 with technology enabling such devices to automatically report the occur-
22 rence of each gas leak detected by such devices to the company providing
23 gas to the dwelling in which such device is located.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
