AN ACT to amend the correction law, in relation to inmate telephone services at local correctional facilities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The correction law is amended by adding a new section 623-a to read as follows:

§ 623-a. Inmate telephone services at local correctional facilities.
1. Telephone services contracts for inmates in local correctional facilities shall be subject to the procurement provisions as set forth in article five-A of the general municipal law provided, however, that when determining the best value of such telephone service, the lowest qualified bidder in accordance with the safety requirements of the local correctional facility shall be emphasized.

2. The sheriff of such local correctional facility shall make available either a prepaid or collect call system, or a combination thereof, for telephone service. Under the prepaid system, funds may be deposited into an account in order to pay for station-to-station calls, provided that nothing in this subdivision shall require the sheriff to provide or administer a prepaid system. Under a collect call system, call recipients shall be billed for the cost of an accepted telephone call initiated by an inmate. Under such collect call system, the provider of inmate telephone service, as an additional means of payment, shall permit the recipient of inmate calls to establish an account with such provider in order to deposit funds to pay for such collect calls in advance.

1 3. The commission, in consultation with local correctional facilities,
2 shall establish rules and regulations or procedures to ensure that any
