(f) Claim of credit. A taxpayer shall not be allowed to claim this credit to the extent the basis of the calculation of this credit has been claimed for another tax credit under this chapter.

However, if the amount of credit allowable under this subdivision for any taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit not deductible in such taxable year may be carried over to the following three years and may be deducted from the taxpayer's tax for such year or years.

(4) Definitions. As used in this subsection, the term "disabled person" shall mean a resident of the state who has any physical, mental or medical impairment resulting from anatomical, physiological, genetic or neurological conditions which prevents the exercise of a normal bodi-

3 (5) Aggregate amount. The aggregate amount of tax credits allowed
4 pursuant to the authority of this subsection and subdivision fifty-four
5 of section two hundred ten-B of this chapter shall be five million
6 dollars each year. Such aggregate amounts of credits shall be allocated
7 by the commissioner. If the total amount of allocated credits applied
8 for in any particular year exceeds the aggregate amount of tax credits
9 allowed for such year under this section, such excess shall be treated
10 as having been applied for on the first day of the subsequent year.

11 (6) Claim of credit. A taxpayer shall not be allowed to claim this
12 credit to the extent the basis of the calculation of this credit has

23 that has been certified by the commissioner to participate in the small
24 business tax credit for disabled persons tax credit program and that
25 employs one or more qualified employees.

26 (2) The term "qualified employee" means an individual:

27 (i) who has any physical, mental or medical impairment resulting from
28 anatomical, physiological, genetic or neurological conditions which
29 prevents the exercise of a normal bodily function or is demonstrable by
30 medically accepted clinical or laboratory diagnostic techniques;

31 (ii) who has worked for the qualified employer in a full-time or part-
32 time position that pays wages that are equivalent to the wages paid for

46 persons tax credit program, an employer must submit an application (in a
47 form prescribed by the commissioner) to the commissioner. The commis-
48 sioner shall establish guidelines that specify requirements for employ-

50 qualified employees. Any regulations that the commissioner determines
51 are necessary may be adopted on an emergency basis notwithstanding
52 anything to the contrary in section two hundred two of the state admin-
53 istrative procedure act. Such requirements may include the types of
54 industries that the employers are engaged in.

55 (e) If, after reviewing the application submitted by an employer, the
56 commissioner determines that such employer is eligible to participate in

1 the small business tax credit for disabled persons tax credit program,
2 the commissioner shall issue the employer a preliminary certificate of
3 eligibility that establishes the employer as a qualified employer. The
4 certificate of eligibility shall specify the maximum amount of small
5 business tax credit for disabled persons that the employer will be
6 allowed to claim. At the end of the taxable year, a qualified employer
