AN ACT to amend the retirement and social security law, in relation to establishing a twenty year retirement plan for members or officers of the regional state park police

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The retirement and social security law is amended by adding
2 a new section 383-e to read as follows:

3 § 383-e. Retirement of officers of the regional state park police;
4 twenty year retirement plan. a. Membership. Every non-seasonally
5 appointed sworn member or officer of the regional state park police who
6 enters or re-enters service in any such title shall be covered by the
7 provisions of this section, and every member described in this subdivi-
8 sion in such service on or before one year prior to the effective date
9 of this section may elect to be covered by the provisions of this
10 section by filing an election therefor with the comptroller. To be
11 effective, such election must be duly executed and acknowledged on a
12 form prepared by the comptroller for that purpose.

13 b. Retirement allowance. A member, covered by the provisions of this
14 section at the time of retirement, shall be entitled to retire upon
15 completion of twenty years of total creditable service in such titles,
16 and shall retire upon the attainment of the mandatory retirement age
17 prescribed by this section, by filing an application therefor in a
18 manner similar to that provided in section three hundred seventy of this
19 article.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD10479-03-0

1 1. Upon completion of twenty years of such service and upon retire-
2 ment, each such member shall receive a pension which, together with an
3 annuity for such years of service as provided in paragraph four of this
4 subdivision, shall be sufficient to provide him or her with a retirement
5 allowance of one-half of his or her final average salary.

6 2. Upon completion of more than twenty years of such service and upon
7 retirement, each such member shall receive, for each year of service in
8 excess of twenty, an additional pension which, together with an annuity
9 for each such year as provided in paragraph four of this subdivision,
10 shall be equal to one-sixtieth of his or her final average salary,
11 provided, however, that the pension payable pursuant to this section
12 shall not exceed three-quarters of final average salary.

13 3. Upon attainment of the mandatory retirement age without completion
14 of twenty years of such service, each such member shall receive a
15 pension which, together with an annuity for such years of service as
16 provided in paragraph four of this subdivision, shall be equal to one-
17 fortieth of his or her final average salary for each year of creditable
18 service in such titles. Every such member shall also be entitled to an
19 additional pension equal to the pension for any creditable service
20 rendered while not an employee in such titles as provided under para-
21 graphs three and four of subdivision a of section three hundred seven-
22 ty-five of this article. This latter pension shall not increase the
23 total allowance to more than one-half of his or her final average sala-
24 ry.

25 4. The annuity provided under paragraphs one, two and three of this
26 subdivision shall be the actuarial equivalent, at the time of retire-
27 ment, of the member's accumulated contributions based upon the rate of
28 contribution fixed under section three hundred eighty-three of this
29 title and upon the salaries earned while in such service. Such annuity
30 shall be computed as it would be if it were not reduced by the actuarial
31 equivalent of any outstanding loan nor by reason of the member's
32 election to decrease his or her contributions toward retirement in order
33 to apply the resulting amount toward payment of contributions for old
34 age and survivor's insurance. Any accumulated contributions in excess of
35 the amount required to provide the annuity computed pursuant to this
36 paragraph shall be used to increase the member's retirement allowance.

37 c. Credit for previous service. In computing the years of total cred-
38 itable service for each member described herein, full credit shall be
39 given and full allowance shall be made for service rendered as a police
40 officer or state university peace officer or member of a police force or
41 department of a state park authority or commission or an organized
42 police force or department of a county, city, town, village, police
43 district, authority or other participating employer or member of the
44 capital police force in the office of general services while a member of
45 the New York state and local police and fire retirement system, of the
46 New York state and local employees' retirement system or of the New York
47 city police pension fund and for all service for which full credit has
48 been given and full allowance made pursuant to the provisions of section
49 three hundred seventy-five-h of this article provided, however, that
50 full credit pursuant to the provisions of such section shall mean only
51 such service as would be creditable service pursuant to the provisions
52 of section three hundred eighty-three, three hundred eighty-three-a,
53 three hundred eighty-three-b, as added by chapter six hundred seventy-
54 four of the laws of nineteen hundred eighty-six, three hundred eighty-
55 three-b, as added by chapter six hundred seventy-seven of the laws of
56 nineteen hundred eighty-six, three hundred eighty-three-c or three

1 hundred eighty-three-d of this title or pursuant to the provisions of
2 title thirteen of the administrative code of the city of New York for
3 any member contributing pursuant to this section who transferred to the
4 jurisdiction of the department of environmental conservation including
5 but not limited to environmental conservation officers and forest
6 rangers, regional state park police or state university of New York
7 peace officers.

8 d. Retirement for cause. Upon receipt of a certificate from the head
9 of the entity where such member is employed or his or her designee, a
10 member as described in subdivision a of this section, who has accrued
11 twenty-five or more years of service credit under this section shall be
12 retired on the first day of the second month next succeeding the date
13 such certificate was filed with the comptroller.

14 e. Credit for military service. In computing the years of total cred-
15 itable service full credit shall be given and full allowance shall be
16 made for service of such member in war after World War I as defined in
17 section three hundred two of this article, provided such member at the
18 time of his or her entrance into the armed forces was in police service
19 as defined in subdivision eleven of section three hundred two of this
20 article.

21 f. Transfer of membership to employees' retirement system. Any member
22 currently enrolled pursuant to this section and who previously trans-
23 ferred service credit from the New York state and local employees'
24 retirement system to the New York state and local police and fire
25 retirement system, may elect to transfer such previously transferred
26 service credit back to the New York state and local employees' retire-
27 ment system, and such member shall have the option to retroactively
28 transfer his or her membership into such employees' retirement system.

29 g. The provisions of this section shall be controlling, notwithstand-
30 ing any provision of this article to the contrary.

31 § 2. All past service costs associated with implementing the
32 provisions of this act shall be borne by the state of New York and may
33 be amortized over a period of ten years.

34 § 3. This act shall take effect on the sixtieth day after it shall
35 have become a law.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill will allow any non-seasonally appointed sworn member or officer of the regional state park police to become covered by the provisions of a special 20-year retirement plan, which will provide a benefit of one-half of final average salary upon retirement, and an additional benefit of one-sixtieth of final average salary for each year of creditable service in excess of 20 years, not to exceed 12 such years.

If this bill is enacted, there will be an increase in the annual contributions of the state of New York of approximately \$710,000 for the fiscal year ending March 31, 2021. In future years, this cost will vary as the billing rates and salary of the affected officers change.

In addition to the annual contributions discussed above, there will be an immediate past service cost to the State of New York of approximately \$8.54 million. This estimate is based on the assumption that payment will be made on March 1, 2021. If the State of New York elects to amortize this cost over a 10-year period, the cost for the first year would be \$1.13 million.

This estimate is based on 284 affected officers, with an annual salary of approximately \$22 million for the fiscal year ending March 31, 2019.
