The commissioner may also provide that the application procedure shall include the taking of a photo image or images of the applicant in accordance with rules and regulations prescribed by the 9 commissioner. In addition, the commissioner also shall require that the applicant provide [his or her] such applicant's social security number, 11 shall provide space so that the applicant may request a notation upon such license that the applicant is a veteran of the United States armed 12 forces, and shall provide space on the application so that the applicant 14 may register in the New York state organ and tissue donor registry under section forty-three hundred ten of the public health law with the following stated on the application in clear and conspicuous type:

"You must fill out the following section: Would you like to be added to the Donate Life Registry? Check box for 'yes' or 'skip this question'."

19 20 The commissioner of health shall not maintain records of any person 21 who checks "skip this question". Except where the application is made in person or electronically, failure to check a box shall not impair the 22 validity of an application, and failure to check "yes" or checking "skip 23 24 this question" shall not be construed to imply a wish not to donate. Where an applicant has 29 30 previously consented to make an anatomical gift or registered in the 31 donate life registry, checking "skip this question" or failing to check 32 a box shall not impair that consent or registration. In addition, an 33 applicant for a commercial driver's license who will operate a commer-34 cial motor vehicle in interstate commerce shall certify that such appli-35 cant meets the requirements to operate a commercial motor vehicle, as 36 set forth in public law 99-570, title XII, and title 49 of the code of 37 federal regulations, and all regulations promulgated by the United 38 States secretary of transportation under the hazardous materials trans-39 portation act. In addition, an applicant for a commercial driver's license shall submit a medical certificate at such intervals as required 40 by the federal motor carrier safety improvement act of 1999 and Part 41 42 383.71(h) of title 49 of the code of federal regulations relating to medical certification and in a manner prescribed by the commissioner. 43 For purposes of this section and sections five hundred three, five 44 hundred ten-a, and five hundred ten-aa of this title, the terms "medical 45 46 certificate" and "medical certification" shall mean a form substantially 47 in compliance with the form set forth in Part 391.43(h) of title 49 of the code of federal regulations. Upon a determination that the holder of 48 a commercial driver's license has made any false statement, with respect 49 50 to the application for such license, the commissioner shall revoke such 51 license.

§ 5. The section heading and paragraph (e) of subdivision 1 of section 4138 of the public health law, the section heading as amended by chapter 201 of the laws of 1972 and paragraph (e) of subdivision 1 as amended by chapter 214 of the laws of 1998, are amended and a new subdivision 8 added to read as follows:
