b. (i) Annually on or before July first, each for-profit institution of higher education shall report to the department all information regarding subparagraphs (i) through (vi) of paragraph a of this subdivision necessary for the commissioner to establish and maintain the database pursuant to paragraph a of this subdivision. The commissioner shall promulgate rules and regulations regarding the form and content of such report.

(ii) The commissioner shall utilize all information reported by a for-profit institution of higher education and information publicly available from the federal government and any other source as deemed necessary by such commissioner to carry out the provisions of this subdivision.

c. (i) The commissioner shall devise a method for assigning and publishing a letter grade to every for-profit institution of higher education based upon the information contained in the database established pursuant to this subdivision. Such grade shall be updated annually.

(ii) Each for-profit institution of higher education shall prominently display on its website the letter grade most recently assigned to such institution pursuant to subparagraph (i) of this paragraph.

d. The commissioner shall transmit all the information developed pursuant to this subdivision to the state director of the division of veterans' services.

e. As used in this subdivision, the following terms shall have the following meanings:

(i) "For-profit institution of higher education" means a school that:

(1) provides a program leading to an associates or baccalaureate degree;

(2) is legally authorized in New York state to provide a program of education beyond secondary education; and

(3) is neither a public or non-profit institution.

(ii) "Graduation rate of veterans" means the number of veteran students at a for-profit institution of higher education who received certificates, diplomas, or degrees in the program during the latest two calendar years, divided by the number of veteran students who enrolled in the program during the latest two calendar years. The graduation rate of veterans shall be determined within one hundred eighty days from the end of each calendar year and shall be calculated separately for students admitted as freshmen and students who transfer in.

(iii) "Graduate placement rate of veterans" means the number of veteran students obtaining full-time (at least thirty-two hours per week), non-temporary employment in the field of study during the latest two calendar years for which the for-profit institution of higher education has obtained verification, divided by the number of all veteran students graduating from the program during the latest two calendar years. The graduate placement rate shall be determined within one hundred eighty days from the end of each calendar year and shall be calculated separately for veteran students admitted as freshmen and students who transfer in.

(iv) "Total placement rate of veterans" means the product of the graduate placement rate of veterans and the graduation rate of veterans. The total placement rate shall be determined within one hundred eighty days from the end of each calendar year.

(v) "Median cumulative debt amount" means the median amount of cumulative debt, including private, institutional, and federal, incurred by a

veteran student who attended a for-profit institution of higher education whether or not they completed a program at such institution.

(vi) "Average amount borrowed" means the average amount of private, institutional, and federal, loans a veteran student who attended a for-profit institution of higher education borrows to enroll in a program at such institution.

(vii) "Post school earnings" means the sum of any wages, deferred compensation and self-employment earnings.

(viii) "Cohort default rate" means the percentage of a for-profit institution of higher education's veteran borrowers who enter repayment on any private, institutional and federal loans during the fiscal year and default within the cohort default period. Cohort default rate shall be calculated for the periods of three years, five years and ten years.

(ix) "Veteran" shall mean a person who served in and who has received an honorable or general discharge from, the United States army, navy, air force, marines, coast guard, and/or reserves thereof, and/or the army national guard, air national guard, New York guard and/or New York naval militia.

§ 2. Section 353 of the executive law is amended by adding a new subdivision 14-b to read as follows:

14-b. To make available to veterans seeking post secondary education, the information developed by the commissioner of education pursuant to subdivision sixty of section three hundred five of the education law. The division shall post such information on its website and shall provide assistance to veterans in evaluating educational opportunities at for-profit institutions of higher education based upon the information and grading system developed by the commissioner of education.

§ 3. This act shall take effect on the first of January next succeeding the date on which it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
