Introduced by Sen. MARTINEZ -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT to direct the department of environmental conservation to study alternative municipal uses for recycled glass

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The department of environmental conservation, in consultation with the department of transportation, shall conduct a study on alternative municipal uses for recycled glass including, but not limited to, the use of crushed glass in asphalt, concrete, drainage, roadway subgrade, and for the purposes of beach nourishment.

§ 2. The department of environmental conservation shall issue a report containing the findings of the study to the temporary president of the senate, the speaker of the assembly, the chair of the senate environmental conservation committee, and the chair of the assembly environmental conservation committee no later than one year after the effective date of this act and shall submit with this report such legislative proposals as it deems necessary to implement its recommendations. Such report shall also be published on such department's website.

§ 3. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
