2 addressing the issue.

3 13. (a) The commission shall designate the division of the state

37 confidential non-public information, and using false identification.

39 conduct described in subparagraphs (ii), (iii) and (iv) of this para-

42 by a governing body to the casino, unless disclosure is required by this
43 section, the commission, other law, or court order.

44 (g) The commission, by regulation, may authorize and promulgate any
45 rules necessary to implement agreements with other states, or authorized
46 agencies thereof to enable the sharing of information to facilitate

48 betting activity, match fixing, and other conduct that corrupts a
49 betting outcome of an event or events for purposes of financial gain.

50 (h) The commission shall study the potential for the creation of an
51 interstate database of all wagering information for the purpose of
52 integrity monitoring, and shall create a final report regarding all

8 (c) A governing body may notify the commission that it desires to
9 require casinos to use official league data in wagering involving
10 specific tier three sports wagers by providing notice in the form and

17 for purchase by the casinos on commercially reasonable terms as deter-
18 mined by the commission.

19 (d) When determining whether or not a supplier of official league data
20 is offering commercially reasonable terms, the commission shall consider
21 the amount charged by the supplier of official league data to gaming
22 operators in other jurisdictions. This information shall be provided to
23 the commission by the supplier of official league data upon request of
24 the commission. Any entity providing data to a casino for the purpose of
25 tier two wagers, other than a supplier of official league data, shall
26 obtain a license as a casino vendor enterprise and such license shall be
27 issued pursuant to the provisions of section thirteen hundred twenty-
28 seven of this article and in accordance with the regulations promulgated
29 by the commission.

30 (e) No casino shall enter into an agreement with a governing body or
31 an entity expressly authorized to distribute official league data to be
32 the exclusive recipient of their official league data.

33 (f) The commission shall promulgate regulations to allow an authorized
34 bettor to file a complaint alleging an underpayment or non-payment of a
35 winning wager. Any such regulations shall provide that the commission

37 event that have been obtained from the relevant governing body, where
38 applicable, in determining the validity of such claim.

39 15. A casino shall not permit wagering by anyone they know, or should

5 or occurrence, which shall accrue to the state and may be recovered in a
6 civil action brought by the commission.
