2 one-way or two-way voice over internet protocol.

3 2. Not later than twelve months after the date upon which this section
4 shall have become a law, the public service commission shall require a
5 provider of voice service to implement the STIR/SHAKEN authentication
6 framework or alternative technology that provides comparable or superior
7 capability to verify and authenticate caller identification in the
8 internet protocol networks of voice service providers.

9 3. Any voice service provider that knowingly fails or neglects to
10 comply with this section, or a rule or regulation adopted thereunder,
11 shall forfeit to the people of the state of New York a sum not less than
12 ten thousand dollars and no more than one hundred thousand dollars
13 constituting a civil penalty for each and every offense and, in the case
14 of a continuing violation, each day shall be deemed a separate and
15 distinct offense.

16 4. Whenever there shall be a violation of this section, an application
17 may be made by either (a) the attorney general in the name of the
18 people of the state of New York, or (b) in the case of a voice service
19 provider subject to the jurisdiction of the public service commission,
20 to a court or justice having jurisdiction, to issue an injunction, and
21 upon notice to the defendant of not less than five days, to enjoin and
22 restrain the continuance of such violations, and for the enforcement of
23 the penalties provided in this section.

34 a civil penalty not to exceed one thousand dollars per day, actual
35 damages sustained by reason of the failure to comply, and such sanctions
36 as the court may direct.

37 6. The public service commission and the department of public service
38 may promulgate rules and regulations to implement and enforce the
39 provisions of this section.

40 § 2. This act shall take effect immediately.
