Introduced by Sen. MAY -- read twice and ordered printed, and when printed to be committed to the Committee on Education -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the education law, in relation to establishing the Syracuse city school district regional STEAM high school to provide instruction to students in the Onondaga, Cortland and Madison county BOCES and the central New York region in the areas of science, technology, engineering, arts and mathematics (STEAM) areas

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The purpose of this act is to establish  
2 the Syracuse city school district regional STEAM high school. The STEAM  
3 high school shall provide a high school course of instruction for grades  
4 nine through twelve, dedicated to providing expanded learning opportu-  
5 nities to students residing in the Onondaga, Cortland and Madison county  
6 board of cooperative educational services region and central New York,  
7 in the areas of science, technology, engineering, arts and mathematics  
8 as well as the core academic areas required for the issuance of high  
9 school diplomas in accordance with the rules and regulations promulgated  
10 by the board of regents. The legislature hereby finds and declares that  
11 the establishment of the STEAM high school is a necessary component to  
12 the development of the greater central New York region of New York state  
13 and a necessary link to fostering the development and advancement of the  
14 arts and emerging technologies. This school will advance the interests  
15 of the central New York region and New York state by engaging students  
16 in rigorous and enriching educational experiences focused on the arts  
17 and emerging technologies, project-based learning and collaboration and  
18 by providing that experience within the context of a business and learn-  
19 ing community for the purpose of directly connecting student learning  
20 with real world experience in the arts and advanced technical facili-

1 ties. It is expressly found that the establishment and operation of such  
2 school pursuant to this act is a public purpose.

3 § 2. Establishment of Syracuse city school district regional STEAM  
4 high school.

5 1. A regional science, technology, engineering, arts and mathematics  
6 ("STEAM") high school may be established by the board of education of  
7 the Syracuse city school district pursuant to this section for students  
8 in grades nine through twelve, and shall be subject to the approval of  
9 the commissioner of education.

10 2. The board of education of the Syracuse city school district shall  
11 submit to the commissioner of education a proposed plan for the opera-  
12 tion of such school for his or her approval.

13 3. Such school shall be governed by the board of education of the  
14 Syracuse city school district.

15 4. The board of education of the Syracuse city school district shall  
16 have the responsibility for the operation, supervision and maintenance  
17 of the school and shall be responsible for the administration of the  
18 school, including curriculum, grading and staffing.

19 5. The board of education of the Syracuse city school district shall  
20 be authorized to enter into contracts as necessary or convenient to  
21 operate such school.

22 6. Students attending such school shall continue to be enrolled in  
23 their school district of residence. The Syracuse city school district  
24 shall be responsible for the issuance of a high school diploma to  
25 students who attended the school based on such students' successful  
26 completion of the school's educational program.

27 7. For purposes of all state aid calculations made pursuant to the  
28 education law, students attending such school shall continue to be  
29 treated and counted as students of their school district of residence.

30 8. The resident public school district shall be obligated to provide  
31 transportation, without regard to any mileage limitations, provided  
32 however, that no mileage limitations shall be applied to the transporta-  
33 tion costs associated with the transportation of students to and from  
34 the STEAM high school.

35 9. It shall be the duty of the student's district of residence to make  
36 payments as calculated in this act directly to the school for each  
37 student enrolled in the school. Notwithstanding any other provision of  
38 law to the contrary, the board of education of the Syracuse city school  
39 district shall annually adopt a methodology for the calculation of per  
40 pupil tuition costs. Such methodology shall be subject to annual review  
41 and approval by the commissioner of education. No costs shall be appor-  
42 tioned to school districts that elect not to participate in such school.

43 10. The trustees or the board of education of a school district may  
44 enter into a memorandum of understanding with the board of education of  
45 the Syracuse city school district to participate in such school program  
46 for a period not to exceed five years upon such terms as such trustees  
47 or board of education and the board of education of the Syracuse city  
48 school district may mutually agree.

49 11. Any student eligible for enrollment in grades nine through twelve  
50 of a public school entering into a memorandum of understanding with the  
51 board of education of the Syracuse city school district to enroll  
52 students in the STEAM high school shall be eligible for admission to the  
53 STEAM high school. To the extent that the number of qualified applicants  
54 may exceed the number of available spaces, the school shall grant admis-  
55 sion on a random selection basis, provided that an enrollment preference  
56 shall be provided to pupils returning to the school in the second or any

1 subsequent year. The school shall determine the tentative enrollment  
2 roster, notify the parents, or those in parental relations to those  
3 students, and the resident school district by April first of the school  
4 year preceding the school year for which the admission is granted.

5 12. Notwithstanding any other provision of law to the contrary, the  
6 Syracuse city school district is authorized to transfer ownership of the  
7 Syracuse city school district regional STEAM high school facility to the  
8 county of Onondaga and the county of Onondaga is authorized to assume  
9 such ownership and to enter into a lease for such facility with the  
10 Syracuse city school district. The county of Onondaga may contract for  
11 indebtedness to renovate such facility and any related financing shall  
12 be deemed a county purpose.

13 § 3. Paragraph a of subdivision 6 of section 3602 of the education law  
14 is amended by adding a new subparagraph 8 to read as follows:

15 (8) Notwithstanding any other provision of law to the contrary, for  
16 the purpose of computation of building aid for the renovation and equip-  
17 ping of a regional STEAM high school authorized for operation by the  
18 Syracuse city school district the building aid units assigned to this  
19 project shall reflect a building aid enrollment of one thousand students  
20 and multi-year cost allowances for the project shall be established and  
21 utilized two times in the first five-year period. Subsequent multi-year  
22 cost allowances shall be established no sooner than ten years after  
23 establishment of the first maximum cost allowance authorized pursuant to  
24 this subparagraph.

25 § 4. This act shall take effect immediately.
