Introduced by Sen. SAVINO -- read twice and ordered printed, and when printed to be committed to the Committee on Commerce, Economic Development and Small Business

AN ACT to amend the economic development law, in relation to the development and creation of distributed ledger technology and business entities that develop such technology

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivisions 8 and 23 of section 352 of the economic development law, as amended by section 1 of part K of chapter 59 of the laws of 2017, are amended to read as follows:

2 8. "Financial services data centers or financial services customer
3 back office operations" means operations that manage the data or
4 accounts of existing customers or provide product or service information
5 and support to customers of financial services companies, including
6 banks, other lenders, securities and commodities brokers and dealers,
7 investment banks, portfolio managers, trust offices, ~~and~~ insurance
8 companies, and financial technology companies that develop distributed
9 ledger technology. For purposes of this subdivision "distributed ledger
10 technology" means a mathematically secured, chronological, and decen-
11 tralized consensus ledger or database, whether maintained via internet
12 interaction, peer-to-peer network, or otherwise used to authenticate,
13 record, share and synchronize transactions in their respective electron-
14 ic ledgers or databases.

15 23. "Software development" means the creation of distributed ledger
16 technology, coded computer instructions or production or post-production
17 of video games, as defined in subdivision one-a of section six hundred
18 eleven of the general business law, other than those embedded and used
19 exclusively in advertising, promotional websites or microsites, and also
20 includes new media as defined by the commissioner in regulations. For
21 purposes of this subdivision "distributed ledger technology" means a
