AN ACT to amend the vehicle and traffic law, in relation to establishing distinctive "100 Percent Electric Vehicle" license plates

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. The vehicle and traffic law is amended by adding a new 2 section 404-ff to read as follows:
- § 404-ff. 1. Any person who owns or leases a car running one hundred percent on electricity residing in this state shall, upon request, be issued a distinctive "100 Percent Electric Vehicle" license plate of a design approved by the commissioner. Application for said license plate shall be filed with the form and detail as the commissioner shall prescribe.
- 9 <u>2. The distinctive plate authorized herein shall be issued upon proof,</u> 10 <u>satisfactory to the commissioner, that the applicant is an electric car</u> 11 <u>owner or lessee.</u>
- 3. A distinctive plate issued pursuant to this section shall be issued in the same manner as other number plates upon payment of the regular registration fee prescribed by section four hundred one of this article; provided, however, that an additional annual service charge of twenty-five dollars shall be charged for such plates. Such additional service charge shall be deposited pursuant to section four hundred four-oo of this article to the credit of the department of motor vehicles distinctive plate fund, established by section ninety-five-g of the state finance law, and shall be used for the production, design, advertising and marketing of distinctive number plates.
- § 2. 1. A distinctive plate established pursuant to section 404-ff of the vehicle and traffic law shall only be designed, produced and issued upon the delivery to the department of motor vehicles of a surety bond in the amount of six thousand dollars, which shall be executed by a

1 surety company authorized by the department of financial services to transact business in this state. Provided, however, that if the commissioner of motor vehicles shall have received prior to plate design, 3 4 production and issuance at least two hundred orders for such distinctive plate together with the additional annual service charge applicable to each such order, which shall be non-refundable, no such surety bond 7 shall be required. All service charges collected pursuant to this section shall be deposited pursuant to the provisions of section 404-oo 9 of the vehicle and traffic law to the credit of the department of motor vehicles distinctive plate development fund established by section 95-g 10 of the state finance law and shall be used for the design, production, 11 advertising and distribution of distinctive license plates in accordance 12 13 with such section 95-g.

- 2. If, upon the expiration of two years following the date upon which distinctive plates in the series are first available for sale two hundred or more sets of such plates are sold, a bond delivered pursuant to this section shall be discontinued. If fewer than two hundred sets of such plates are sold by such time, the department of motor vehicles shall be entitled to recover against the bond in an amount proportionate to such shortfall.
- § 3. This act shall take effect on the one hundred eightieth day after it shall have become a law; provided, however, that section two of this act shall take effect immediately. Effective immediately, the addition, amendment, and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
