Introduced by Sen. GAUGHRAN -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT to amend the vehicle and traffic law, in relation to requiring stretch limousines to use commercial global positioning system technology

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The vehicle and traffic law is amended by adding a new  
2 section 509-dd to read as follows:

3 § 509-dd. Additional requirements for stretch limousines. (1) No driv-  
4 er shall operate a stretch limousine and a motor carrier shall not  
5 permit a driver to operate a stretch limousine without the use of  
6 commercial global positioning system (GPS) technology.

7 (2) For the purposes of this section:

8 (a) "Stretch limousine" shall mean an altered motor vehicle having a  
9 seating capacity of nine or more passengers, including the driver,  
10 transporting passengers for compensation in chartered party.

11 (b) "Commercial global positioning system (GPS) technology" shall mean  
12 global positioning system (GPS) technology which has been specifically  
13 designed to assist in the navigation of commercial motor vehicles which  
14 includes, but is not limited to, selection of routes which take into  
15 account the minimum clearance or turning radius of such motor vehicle,  
16 and is capable of providing real-time accounting of the motor vehicle's  
17 speed, location, and actions to the motor carrier or stretch limousine  
18 operator's employer.

19 § 2. This act shall take effect on the one hundred eightieth day after  
20 it shall have become a law. Effective immediately, the addition, amend-  
21 ment and/or repeal of any rule or regulation necessary for the implemen-  
22 tation of this act on its effective date are authorized to be made and  
23 completed on or before such effective date.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
