AN ACT to amend the vehicle and traffic law, in relation to requiring stretch limousines to use commercial global positioning system technology

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- Section 1. The vehicle and traffic law is amended by adding a new section 509-dd to read as follows:
 - § 509-dd. Additional requirements for stretch limousines. (1) No driver shall operate a stretch limousine and a motor carrier shall not permit a driver to operate a stretch limousine without the use of commercial global positioning system (GPS) technology.
 - (2) For the purposes of this section:
- 8 (a) "Stretch limousine" shall mean an altered motor vehicle having a
 9 seating capacity of nine or more passengers, including the driver,
 10 transporting passengers for compensation.
- 11 (b) "Commercial global positioning system (GPS) technology" shall mean
 12 global positioning system (GPS) technology which has been specifically
 13 designed to assist in the navigation of commercial motor vehicles which
 14 includes, but is not limited to, selection of routes which take into
 15 account the minimum clearance or turning radius of such motor vehicle,
 16 and is capable of providing real-time accounting of the motor vehicle's
 17 speed, location, and use of any highway, street or roadway to the motor
 18 carrier or stretch limousine operator's employer.
- 19 § 2. This act shall take effect one year after it shall have become a 20 law. Effective immediately, the addition, amendment and/or repeal of any 21 rule or regulation necessary for the implementation of this act on its 22 effective date are authorized to be made and completed on or before such 23 effective date.
