3 laws of 2019, is amended to read as follows:  
4 b. (i) Whenever an altered motor vehicle commonly referred to as a  
5 "stretch limousine" has failed an inspection and been placed out-of-ser-

1 vehicles shall have the authority to deny a registration or renewal  
2 application to any other person for the same vehicle where it has been  
3 determined that such registrant's intent has been to evade the purposes  
4 of this paragraph and where the commissioner of motor vehicles has  
5 reasonable grounds to believe that such registration or renewal will  
6 have the effect of defeating the purposes of this paragraph. The proce-  
7 dure on any such suspension shall be the same as in the case of a  
8 suspension under the vehicle and traffic law. Operation of such motor  
9 vehicle while under suspension as provided in this subdivision shall  
10 constitute a class A misdemeanor.

11 (ii) (a) Upon the seizure of number plates pursuant to subparagraph  
12 (i) of this paragraph, if the out-of-service defect is of a type where  
13 pursuant to the commissioner's regulations no inspection certificate  
14 will be issued until the defect is repaired and a re-inspection is  
15 conducted, or is related to its horn, and the commissioner determines  
16 that allowing the altered motor vehicle to leave the inspection area  
17 would be contrary to public safety, the commissioner may: (A) remove or  
18 arrange for the removal of, or may direct any police officer to remove  
19 or arrange for the removal of, the altered motor vehicle to a garage or  
20 other place of safety under the commissioner's jurisdiction where it  
21 shall remain impounded, subject to the provisions of this section; or  
22 (B) immobilize or arrange for the immobilization of the altered motor  
23 vehicle on premises owned or under the control of the owner of such  
24 altered motor vehicle, subject to the provisions of this section. The  
25 altered motor vehicle shall be entered into the New York statewide  
26 police information network as an impounded or immobilized vehicle and  
27 the commissioner shall promptly notify the owner that the altered motor  
28 vehicle has been impounded or immobilized and the reason or reasons for  
29 such impoundment or immobilization, and give such owner an opportunity  
30 to be heard.

31 (b) A motor vehicle so impounded or immobilized shall be in the custo-  
32 dy of the commissioner and shall not be released unless the commissioner  
33 is satisfied that repairs have been scheduled or been made to satisfac-  
34 torily adjust such vehicle's out-of-service defect or defects, and  
35 payment has been made to the commissioner for the reasonable costs of  
36 removal and storage of the altered motor vehicle if impounded. The  
37 registered owner of the vehicle shall be responsible for such payment.

38 (c) When an altered motor vehicle seized and impounded or immobilized  
39 pursuant to this subparagraph has been in the custody of the commision-  
40 er for thirty days, the commissioner shall notify the owner and the  
41 lienholder, if any, at his or her last known address by certified mail,  
42 return receipt requested, that if repairs are not scheduled or made and  
43 the vehicle not retrieved pursuant to clause (b) of this subparagraph  
44 within thirty days from the date the notice is given, the commissioner  
45 may dispose of such vehicle as an abandoned vehicle pursuant to section  
46 twelve hundred twenty-four of the vehicle and traffic law and may seek  
47 to recover towing and storage costs in a civil action in the name of the  
48 people of the state of New York, if applicable. Costs recovered in a  
49 civil action under this clause shall be paid to the commissioner for  
50 deposit into the state treasury for towing and storage expenses, and any  
51 remaining costs recovered in a civil action under this clause shall be  
52 paid to the commissioner for deposit into the state treasury for actual  
53 and necessary costs related to bus and motor vehicle inspections  
54 conducted pursuant to this section.

55 (d) If an altered motor vehicle has been seized and not retrieved  
56 pursuant to the provisions of this subparagraph within thirty days from

1 the date notice is given pursuant to clause (c) of this subparagraph,  
2 such altered motor vehicle shall be deemed an abandoned vehicle and the  
3 commissioner may dispose of such altered motor vehicle pursuant to  
4 section twelve hundred twenty-four of the vehicle and traffic law.  
5 Before any such disposal, the commissioner shall give ten days' notice  
6 to the owner, who shall have an opportunity to appear and retrieve such  
7 altered motor vehicle in accordance with clause (b) of this subparagraph  
8 within ten days of the date such notice is given.

9 (e) An altered motor vehicle abandoned in accordance with the  
10 provisions of this section shall be and become the property of the  
11 department, subject however to any lien that was recorded prior to the  
12 seizure.

13 (f) When an altered motor vehicle has been seized and impounded pursu-  
14 ant to this subparagraph, the commissioner shall make the altered motor  
15 vehicle available or grant access to it to any owner or any person  
16 designated or authorized by such owner for the purpose of (I) taking  
17 possession of any personal property found within the altered motor vehi-  
18 cle and (II) obtaining proof of registration, financial security, title  
19 or documentation in support thereof.

20 § 2. This act shall take effect one year after it shall have become a  
21 law. Effective immediately, the addition, amendment and/or repeal of any  
22 rule or regulation necessary for the implementation of this act on its  
23 effective date are authorized to be made and completed on or before such  
24 effective date.
