1 to this paragraph shall be a misdemeanor. The commissioner of motor  
2 vehicles shall have the authority to deny a registration or renewal  
3 application to any other person for the same vehicle where it has been  
4 determined that such registrant's intent has been to evade the purposes  
5 of this paragraph and where the commissioner of motor vehicles has  
6 reasonable grounds to believe that such registration or renewal will  
7 have the effect of defeating the purposes of this paragraph. The proce-  
8 dure on any such suspension shall be the same as in the case of a  
9 suspension under the vehicle and traffic law. Operation of such motor  
10 vehicle while under suspension as provided in this subdivision shall  
11 constitute a class A misdemeanor.

12 (ii) (a) Upon the seizure of number plates pursuant to subparagraph  
13 (i) of this paragraph, if the out-of-service defect is of a type where  
14 pursuant to the commissioner's regulations no inspection certificate  
15 will be issued until the defect is repaired and a re-inspection is  
16 conducted, or is related to its horn, and the commissioner determines  
17 that allowing the altered motor vehicle to leave the inspection area  
18 would be contrary to public safety, the commissioner may: (A) remove or  
19 arrange for the removal of, or may direct any police officer to remove  
20 or arrange for the removal of, the altered motor vehicle to a non-public  
21 garage or other place of safety where it shall remain impounded, subject  
22 to the provisions of this section; or (B) immobilize or arrange for the  
23 immobilization of the altered motor vehicle on premises owned or under  
24 the control of the owner of such altered motor vehicle, subject to the  
25 provisions of this section. The altered motor vehicle shall be entered  
26 into the New York statewide police information network as an impounded  
27 or immobilized vehicle and the commissioner shall promptly notify the  
28 owner that the altered motor vehicle has been impounded or immobilized  
29 and the reason or reasons for such impoundment or immobilization, and  
30 give such owner an opportunity to be heard within not more than thirty  
31 days of the suspension imposed pursuant to subparagraph (i) of this  
32 paragraph.

33 (b) A motor vehicle so impounded or immobilized shall be in the custo-  
34 dy of the commissioner and shall not be released unless the commissioner  
35 is satisfied that repairs have been scheduled or been made to satisfac-  
36 torily adjust such vehicle's out-of-service defect or defects and such  
37 vehicle has been re-inspected.

38 (c) The commissioner shall provide written notice to the owner or  
39 operator of the service repair shop or impoundment lot informing them  
40 that such impounded vehicle shall not be released without the written  
41 approval of the commissioner. Release of such impounded vehicle without  
42 approval by the commissioner shall be punishable by a fine of up to ten  
43 thousand dollars;

44 § 2. This act shall take effect one year after it shall have become a  
45 law. Effective immediately, the addition, amendment and/or repeal of any
