AN ACT to amend the retirement and social security law, in relation to establishing accidental disability retirement for correction officers, correction supervisors, deputy sheriff patrol and deputy sheriff patrol supervisors

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The retirement and social security law is amended by adding a new section 605-f to read as follows:

§ 605-f. Accidental disability retirement for correction officers, correction supervisors, deputy sheriff patrol and deputy sheriff patrol supervisors. a. A member employed as a correction officer, correction supervisor, deputy sheriff patrol and deputy sheriff patrol supervisor shall be entitled to an accidental disability retirement allowance if, at the time application therefor is filed, such member is:

Physically or mentally incapacitated for performance of duty as the natural and proximate result of an accident, unless the contrary be proved by competent evidence, not caused by his or her own willful negligence, sustained in such service and while actually a member of the retirement system; and

2. Actually in service upon which his or her membership is based. However, in a case where a member is discontinued from service subsequent to the accident, either voluntarily or involuntarily, and provided that the member meets the requirements of paragraph one of this subdivision, application may be made not later than two years after the member is first discontinued from service.

b. Application for an accidental disability retirement allowance for such a member may be made by:

1. Such member; or

2. The head of the department in which such member is employed; or

1 3. Any person acting on behalf of and authorized by such member.

2 c. 1. After the filing of such an application, such member shall be  
3 given one or more medical examinations. No such application shall be  
4 approved, however, unless the member or some other person on his or her  
5 behalf shall have filed written notice in the office of the comptroller  
6 within ninety days after the accident, setting forth:

7 (a) The time when and the place where such accident occurred; and

8 (b) The particulars thereof; and

9 (c) The nature and extent of the member's injuries; and

10 (d) His or her alleged incapacity.

11 2. The notice herein required need not be given:

12 (a) If the notice of such accident shall be filed in accordance with  
13 the provisions of the workers' compensation law of any state within  
14 which a participating employer shall have its employees located or  
15 performing functions and duties within the normal scope of their employ-  
16 ment; or

17 (b) If the application for accidental disability retirement is filed

20 as provided by rules and regulations promulgated by the comptroller.

21 d. If the comptroller determines that the member is physically or  
22 mentally incapacitated for the performance of duty and ought to be  
23 retired for accidental disability, such member shall be so retired.  
24 Such retirement shall be effective as of a date approved by the comp-  
25 troller.

26 e. The annual retirement allowance payable upon accidental disability  
27 retirement shall be a pension of three-quarters of his or her final  
28 average salary. The payment of such pension shall be subject to the  
29 provisions of section sixty-four of this chapter.

30 f. If the member, at the time of the filing of an application under  
31 the provisions of subdivision b of this section, is eligible for a  
32 service retirement benefit, then and in that event, he or she may simul-  
33 taneously file an application for service retirement in accordance with  
34 the provisions of section seventy of this chapter, provided that the  
35 member indicates on the application for service retirement that such  
36 application is filed without prejudice to the application for accidental  
37 disability retirement.

38 g. Notwithstanding any other provision of law, this section shall  
39 apply to correction officers, correction supervisors, deputy sheriff  
40 patrol and deputy sheriff patrol supervisors who were hired on or after  
41 July twenty-seventh, nineteen hundred seventy-six.

42 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Tier 3, 4, 5 and 6 county correction officers, correction supervisors, deputy sheriff patrol and deputy sheriff patrol supervisors to be eligible for an accidental disability if the member is physically or mentally incapacitated for performance of duty as the natural and proximate result of an accident, unless the contrary be proven by competent evidence. The benefit for an accidental disability would be 75% of final average salary less worker's compensation.

If this bill is enacted, the cost will vary depending on a member's plan. For members currently covered under the provisions of Article 14-B of the Retirement and Social Security Law (RSSL), the future annual cost will be 0.3% of salary. For all other members, the future annual cost will be 1.5% of salary. However, there is no cost if an employer has

already elected Section 607-c of the RSSL. Pursuant to Section 25 of the RSSL, this cost will be borne by the State of New York.

In addition to the annual contributions discussed above, there will be an immediate past service cost which will vary depending on a member's plan. For members currently covered under the provisions of Article 14-B of the RSSL, the past service cost will be 2.9% of salary. For all other members, the past service cost will be 6.3%. However, there is no cost if an employer has already elected 607-c of the RSSL. Pursuant to Section 25 of the RSSL, this cost will be borne by the State of New York.

The exact number of members who could be affected by this legislation cannot be readily determined.
