54 suspension of such license, or has failed to comply with any prerequi-
55 site for the issuance of such license.

1 (g) Licensees and applicants for a license under this section shall be
2 subject to examination by the superintendent as often as the superinten-

16 § 2907. Revocation or suspension of a registration or license of a
17 pharmacy benefit manager. (a) The superintendent may refuse to renew,
18 may revoke, or may suspend for a period the superintendent determines
19 the registration or license of any pharmacy benefit manager if, after

22 person of the registrant or licensee, has:

23 (1) violated any insurance laws, section two hundred eighty-a of the
24 public health law or violated any regulation, subpoena or order of the
25 superintendent or of another state's insurance commissioner, or has
26 violated any law in the course of his or her dealings in such capacity
27 after such license has been issued or renewed pursuant to section two
28 thousand nine hundred six of this article;

49 (9) failed to pay state income tax or comply with any administrative
50 or court order directing payment of state income tax; or

51 (10) ceased to meet the requirements for registration or licensure
52 under this article.

53 (b) Before revoking or suspending the registration or license of any
54 pharmacy benefit manager pursuant to the provisions of this article, the
55 superintendent shall give notice to the registrant or licensee and to

1 every sub-licensee and shall hold, or cause to be held, a hearing not
2 less than ten days after the giving of such notice.

3 (c) If a registration or license pursuant to the provisions of this
4 article is revoked or suspended by the superintendent, then the super-
5 intendent shall forthwith give notice to the registrant or licensee.

6 (d) The revocation or suspension of any registration or license pursu-
7 ant to the provisions of this article shall terminate forthwith such
8 registration or license and the authority conferred thereby upon all
9 sub-licensees. For good cause shown, the superintendent may delay the
10 effective date of a revocation or suspension to permit the registrant or
11 licensee to satisfy some or all of its contractual obligations to
12 perform pharmacy benefit management services in the state.

13 (e)(1) No individual, corporation, firm or association whose registra-
14 tion or license as a pharmacy benefit manager has been revoked pursuant
15 to subsection (a) of this section, and no firm or association of which
16 such individual is a member, and no corporation of which such individual
17 is an officer or director, and no controlling person of the registrant
18 or licensee shall be entitled to obtain any registration or license
19 under the provisions of this article for a minimum period of one year
20 after such revocation, or, if such revocation be judicially reviewed,
21 for a minimum period of one year after the final determination thereof
22 affirming the action of the superintendent in revoking such license.

23 (2) If any such registration or license held by a firm, association or
24 corporation be revoked, no member of such firm or association and no
25 officer or director of such corporation or any controlling person of the
26 registrant or licensee shall be entitled to obtain any registration or
27 license, or to be named as a sub-licensee in any such license, under
28 this article for the same period of time, unless the superintendent
29 determines, after notice and hearing, that such member, officer or
30 director was not personally at fault in the matter on account of which
31 such registration or license was revoked.

32 (f) If any corporation, firm, association or person aggrieved shall
33 file with the superintendent a verified complaint setting forth facts
34 tending to show sufficient ground for the revocation or suspension of
35 any pharmacy benefit manager's registration or license, then the super-
36 intendent shall, after notice and a hearing, determine whether such
37 registration or license shall be suspended or revoked.

38 (g) The superintendent shall retain the authority to enforce the
39 provisions of and impose any penalty or remedy authorized by this chap-
40 ter against any person or entity who is under investigation for or
41 charged with a violation of this chapter, even if the person's or enti-
42 ty's registration or license has been surrendered, or has expired or has
43 lapsed by operation of law.

44 (h) A registrant or licensee subject to this article shall report to
45 the superintendent any administrative action taken against the regis-

47 agency in this state within thirty days of the final disposition of the
48 matter. This report shall include a copy of the order, consent to order
49 or other relevant legal documents.

50 (i) Within thirty days of the initial pretrial hearing date, a regis-

54 complaint filed, the order resulting from the hearing and any other
55 relevant legal documents.

1 § 2908. Penalties for violations. (a) The superintendent, in lieu of
2 revoking or suspending the registration or license of a registrant or
3 licensee in accordance with the provisions of this article, may in any
4 one proceeding by order, require the registrant or licensee to pay to
5 the people of this state a penalty in a sum not exceeding the greater of
6 (1) one thousand dollars for each offense and two thousand five hundred
7 dollars for each subsequent violation or (2) the aggregate gross
8 receipts attributable to all offenses.

9 (b) Upon the failure of such a registrant or licensee to pay the
10 penalty ordered pursuant to subsection (a) of this section within twenty
11 days after the mailing of the order, postage prepaid, registered, and
12 addressed to the last known place of business of the licensee, unless
13 the order is stayed by an order of a court of competent jurisdiction,
14 the superintendent may revoke the registration or license of the regis-
15 trant or licensee or may suspend the same for such period as the super-
16 intendent determines.

17 § 2909. Stay or suspension of superintendent's determination. The
18 commencement of a proceeding under article seventy-eight of the civil
19 practice law and rules, to review the action of the superintendent in
20 suspending or revoking or refusing to renew any certificate under this
21 article, shall stay such action of the superintendent for a period of
22 thirty days. Such stay shall not be extended for a longer period unless
23 the court shall determine, after a preliminary hearing of which the
24 superintendent is notified forty-eight hours in advance, that a stay of
25 the superintendent's action pending the final determination or further
26 order of the court will not unduly injure the interests of the people of
27 the state.

28 § 2910. Revoked registrations or licenses. (a)(1) No person, firm,
29 association, corporation or other entity subject to the provisions of
30 this article whose registration or license under this article has been
31 revoked, or whose registration or license to engage in the business of
