DEPARTMENT OF HEALTH

CAPITAL PROJECTS - REAPPROPRIATIONS 2019-20

HEALTH CARE FACILITY TRANSFORMATION PROGRAM (CCP)

Capital Projects Funds - Other
Capital Projects Fund - 30000
Health Care System Improvement Purpose

The appropriation made by chapter 54, section 1, of the laws of 2018, as amended by chapter 54, section 1, of the laws of 2019, is hereby amended and reappropriated to read:

For payments and grants to support health care facility transformation statewide. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants, including up to $5,000,000 to regional perinatal care centers or other health providers to establish telehealth applications, made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for the purposes that strengthen and protect continued access to health care services in communities including but not limited to children's residential treatment facilities. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation activities including, merger, consolidation, acquisition or other activities intended to: create financially sustainable systems of care; preserve or expand essential health care services; modernize obsolete facility physical plants and infrastructure; foster participation in alternative payment arrangements, including but not limited to contracts with managed care plans and accountable care organizations; increase the quality of resident care or experience in residential health care facilities; or improve health information technology infrastructure, including telehealth, to strengthen the acute, post-acute care, primary care, and longterm care continuum. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider criteria including, but not limited to:

(a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;

(b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;

(c) The geographic distribution of funds;

(d) The relationship between the proposed project and identified community need;

(e) The extent to which the applicant has access to alternative financing;

(f) The extent to which the proposed project furthers the development of primary care and other outpatient services;

(g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;

(h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and

(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner may award up to $300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 17648 issued by the department on January 8, 2018 pursuant to section 2825-e of the public health law.

Authorized amounts to be awarded pursuant to applications submitted in response to the request for application number 17648 shall be awarded no later than [~~May~~] September 1, 2019.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees, until such time as the department determines that the projects that receive funding pursuant to this appropriation are substantially complete. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 6 of section 2825-f of the public health law.

Within amounts appropriated herein, a minimum of $45,000,000 shall be made available for grant awards to residential health care facilities, up to $20,000,000 may be made available for grant awards made pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-l of the social services law, pursuant to criteria to be determined by the commissioner and a minimum of $60,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, a substance use disorder treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, a home care provider certified or licensed pursuant to article 36 of the public health law, a facility granted an operating certificate under article 16 of the mental hygiene law or hospices licensed or granted an operating certificate pursuant to article 40 of the public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget (12SW18HE) (26668) ..... 525,000,000 .....
