Introduced by Sen. CARLUCCI -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the mental hygiene law, in relation to establishing a workgroup to conduct analysis on the ambulatory patient group rates and commercial insurance rates for behavioral health services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 7.07 of the mental hygiene law is amended by adding  
2 a new subdivision (h) to read as follows:

3 (h) 1. The commissioner of the office of mental health, in collab-  
4 oration with the commissioner of the department of health and the  
5 commissioner of the office of alcoholism and substance abuse services  
6 are directed to convene and jointly chair, either directly or through a  
7 designee or designees, a workgroup, which shall include membership that  
8 ensures adequate statewide geographic representation selected with equal  
9 contributions on such selection from the governor, the speaker of the  
10 assembly and temporary president of the senate and be comprised of the  
11 following members: (i) professional associations representing substance  
12 use, mental health, and/or behavioral health providers; (ii) represen-  
13 tatives from professional associations representing providers of peer  
14 and recovery-based programs and services; (iii) representatives from  
15 professional associations representing medicated assisted treatment  
16 providers; (iv) representatives from professional associations repres-  
17 enting children's behavioral health providers; (v) representatives from  
18 hospital associations; (vi) representatives from associations represen-  
19 ting behavioral health consumers and family members; and (vii) any addi-  
20 tional stakeholder or expert that the commissioners deem necessary.  
21 Members of the workgroup shall serve without compensation, but may be  
22 reimbursed for actual costs incurred for participation on such work-  
23 group. 2. The workgroup shall conduct an analysis on the ambulatory  
24 patient group rates and commercial insurance rates for behavioral health
