(c) a listing of all constituents, including smoke constituents as applicable, identified by the department as harmful or potentially harmful to health in each vapor product by brand and by quantity in each brand and sub-brand. The manufacturer, importer, or agent shall comply with regulations promulgated under this section, where applicable.

- 2. The department shall have the authority to conduct or to require the testing, reporting, or disclosure of vapor product constituents, including smoke constituents.
- 9 § 3. Subdivision 7 of section 1399-cc of the public health law, as amended by chapter 100 of the laws of 2019, is amended to read as 10 11 follows:
 - 7. No person operating a place of business wherein tobacco products, herbal cigarettes, liquid nicotine, shisha or electronic cigarettes are sold or offered for sale shall sell, permit to be sold, offer for sale or display for sale any tobacco product, herbal cigarettes, liquid nicotine, shisha or electronic cigarettes in any manner, unless such products and cigarettes are stored for sale (a) behind a counter in an area accessible only to the personnel of such business, or (b) in a locked container; provided, however, such restriction shall not apply to tobacco businesses, as defined in subdivision eight of section thirteen hundred ninety-nine-aa of this article, and to places to which admission is restricted to persons twenty-one years of age or older. further, that, in the case of electronic cigarettes and vapor products, the packages thereof shall comply with the provisions of section three hundred ninety-eight-g of the general business law.
 - § 4. The general business law is amended by adding a new section 398-g to read as follows:
 - § 398-q. Electronic cigarette and vapor product package labeling. 1. Every package containing an electronic cigarette, as defined in subdivision thirteen of section thirteen hundred ninety-nine-aa of the public health law, or a vapor product, as defined in subdivision fourteen of section thirteen hundred ninety-nine-aa of the public health law, sold, offered for sale or otherwise distributed without charge within this state, shall have printed thereon or attached thereto a list of ingredients, including but not limited to, the nicotine level by volume of product.
 - 2. Any person, firm, corporation or association who violates the provisions of this section shall be subject to a civil penalty of not more than one thousand dollars for each such violation.
 - § 5. The department of health shall promulgate any necessary rules and regulations, including, but not limited to, requiring the testing and reporting of vapor product constituents, ingredients, and additives, including vapor constituents, by brand and sub-brand that the department determines should be tested to protect the public health.
- § 6. This act shall take effect on the one hundred twentieth day after it shall have become a law; provided however, that the amendments to subdivision 7 of section 1399-cc of the public health law made by section three of this act shall take effect on the same date and in the same manner as chapter 100 of the laws of 2019, takes effect. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective 52 date are authorized to be made and completed on or before such effective 53 date.
