### STATE OPERATIONS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for state  
2 operations, or so much thereof as shall be sufficient to accomplish the  
3 purposes designated by the appropriations, are hereby appropriated and  
4 authorized to be paid as hereinafter provided, to the respective public  
5 officers and for the several purposes specified.  
6 b) Where applicable, appropriations made by this chapter for expendi-  
7 tures from federal grants for state operations may be allocated  
8 for spending from federal grants for any grant period beginning, during,  
9 or prior to, the state fiscal year beginning on April 1, 2020.  
10 c) The several amounts named herein, or so much thereof as shall be  
11 sufficient to accomplish the purpose designated, being the undisbursed  
12 and/or unexpended balances of the prior year's appropriations, are here-  
13 by reappropriated from the same funds and made available for the same  
14 purposes as the prior year's appropriations, unless herein amended, for  
15 the fiscal year beginning April 1, 2020. Certain reappropriations in  
16 this chapter are shown using abbreviated text, with three leader dots  
17 (an ellipsis) followed by three spaces (...) used to indicate where  
18 existing law that is being continued is not shown. However, unless a  
19 change is clearly indicated by the use of brackets [-] for deletions and

underscores for additions, the purposes, amounts, funding source and all other aspects pertinent to each item of appropriation shall be as last appropriated.

For the purpose of complying with the state finance law, the year, chapter and section of the last act reappropriating a former original appropriation or any part thereof is, unless otherwise indicated, chapter 50, section 1, of the laws of 2019.

d) No moneys appropriated by this chapter shall be available for payment until a certificate of approval has been issued by the director of the budget, who shall file such certificate with the department of audit and control, the chairperson of the senate finance committee and the chairperson of the assembly ways and means committee.

e) Notwithstanding any law to the contrary, because the funds for certain appropriations specified in this chapter are to be used by the state education department, department of health, office of children and family services, office of temporary and disability assistance, office of addiction services and supports, office of mental health, office for people with developmental disabilities, department of environmental conservation, and the office of parks, recreation and historic preservation for the administration, oversight or alternative delivery of those programs within those agencies' budgets set forth in the aid to localities budget bill submitted by the governor on January 21, 2020 pursuant to article VII of the New York constitution, no funds under those specified appropriations in this chapter shall be available for certification or payment until (i) the legislature has finally acted upon the appropriations for the aforementioned agencies contained in the aforementioned aid to localities budget bill, and (ii) the director of the budget has determined that those aid to localities appropriations as finally acted on by the legislature are sufficient for the ensuing fiscal year.

f) Notwithstanding any provision of law to the contrary, for purposes of any appropriation made by this chapter which authorizes spending in an amount net of refunds, rebates, reimbursements, credits, repayments, and/or disallowances, "refunds" shall mean funds received to the state resulting from the overpayment of monies, "rebates" shall mean funds received to the state resulting from a return of a full or partial amount previously paid, as for goods or services, serving as a reduction, discount or rebate to the original payment amount, "reimbursements" shall mean funds received to the state as repayment in an equivalent amount for goods or services, including but not limited to personal service costs, incurred by the state in the first instance being provided to a third party for their benefit and partially or in full financed by such third party, "credit" shall mean monies made available to the state that reduce the amount owed to a third party, including but not limited to billing errors, rebates, and prior overpayments, "repayment" shall mean the return of monies as pay back for expenses incurred, and "disallowance" shall mean monies made available to the state that were not allowed or accepted officially by the intended recipient, based on a determination the payment is not acceptable and/or valid. When the office of the state comptroller receives any such refunds, rebates, reimbursements, credits, repayments, and/or disallowances, he or she shall credit the refunded, rebated, reimbursed, credited, repaid, and disallowed amount back to the original appropriation and reduce expenditures in the year which such credit is received regardless of the timing of the initial expenditure.

g) Notwithstanding any provision of law to the contrary, upon enactment of this chapter of the laws of 2020 containing the state operations

1 budget bill for the state fiscal year 2020-2021, all appropriations and  
2 reappropriations contained in chapter 50 of the laws of 2019, which  
3 would otherwise lapse by operation of law on March 31, 2021 are hereby  
4 repealed.

5 h) The appropriations contained in this chapter shall be available for  
6 the fiscal year beginning on April 1, 2020.
