### AID TO LOCALITIES BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for aid to  
2 localities, or so much thereof as shall be sufficient to accomplish the  
3 purposes designated by the appropriations, are hereby appropriated and  
4 authorized to be paid as hereinafter provided, to the respective public  
5 officers and for the several purposes specified.  
6 b) Where applicable, appropriations made by this chapter for expendi-  
7 tures from federal grants for aid to localities may be  
8 allocated for spending from federal grants for any grant period begin-  
9 ning, during, or prior to, the state fiscal year beginning on April 1,  
10 2020 except as otherwise noted.  
11 c) The several amounts named herein, or so much thereof as shall be  
12 sufficient to accomplish the purpose designated, being the undisbursed  
13 and/or unexpended balances of the prior year's appropriations, are here-  
14 by reappropriated from the same funds and made available for the same  
15 purposes as the prior year's appropriations, unless herein amended, for  
16 the fiscal year beginning April 1, 2020. Certain reappropriations in  
17 this chapter are shown using abbreviated text, with three leader dots  
18 (an ellipsis) followed by three spaces (...) used to indicate where  
19 existing law that is being continued is not shown. However, unless a

1 change is clearly indicated by the use of brackets [-] for deletions and  
2 underscores for additions, the purposes, amounts, funding source and all  
3 other aspects pertinent to each item of appropriation shall be as last  
4 appropriated.

5 For the purpose of complying with the state finance law, the year,  
6 chapter and section of the last act reappropriating a former original  
7 appropriation or any part thereof is, unless otherwise indicated, chap-  
8 ter 53, section 1, of the laws of 2019.

9 d) No moneys appropriated by this chapter shall be available for  
10 payment until a certificate of approval has been issued by the director  
11 of the budget, who shall file such certificate with the department of  
12 audit and control, the chairperson of the senate finance committee and  
13 the chairperson of the assembly ways and means committee.

14 e) Notwithstanding any provision of law to the contrary, if the finan-  
15 cial plan required under sections twenty-two or twenty-three of the  
16 state finance law estimates that the general fund is reasonably antic-  
17 ipated to end the fiscal year with an imbalance of \$500,000,000 or more,  
18 the director of the division of the budget shall prepare a plan that  
19 shall be submitted to the legislature, which shall identify the general  
20 fund and state special revenue fund appropriations contained herein and  
21 related disbursements that may be reduced to eliminate the imbalance  
22 identified in the general fund, provided, however, that the total  
23 reduction in disbursements identified in such plan shall not exceed an  
24 amount equal to 1.0 percent of estimated disbursements in total state  
25 operating funds for fiscal year 2020-2021. The legislature shall have 30  
26 days after such submission to either prepare its own plan, which may be  
27 adopted by concurrent resolution passed by both houses and implemented  
28 by the division of the budget, or if after 30 days the legislature fails  
29 to adopt its own plan, the reductions to the general fund and state  
30 special revenue fund appropriations contained herein and related  
31 disbursements identified in the division of the budget plan will go into  
32 effect automatically. To the extent the state is obligated to make  
33 payment to any individual or entity pursuant to any appropriation  
34 contained herein to which an adjustment or reduction is applied in  
35 accordance with this section, such obligation shall be reduced commensu-  
36 rate with any adjustments or reductions made by the director of the  
37 budget and/or by the legislature. The following types of appropriations  
38 shall be exempt from reduction in any plan prepared by the budget direc-  
39 tor and/or any plan adopted by the legislature: (a) public assistance  
40 payments for families and individuals and payments for eligible aged,  
41 blind and disabled persons related to supplemental social security; (b)  
42 any reductions that would violate federal law; (c) payments of debt  
43 service and related expenses for which the state is constitutionally  
44 obligated to pay debt service or is contractually obligated to pay debt  
45 service, subject to an appropriation, including where the state has a  
46 contingent contractual obligation; and (d) payments the state is obli-  
47 gated to make pursuant to court orders or judgments.

48 f) Notwithstanding any provision of law to the contrary, for purposes  
49 of any appropriation made by this chapter which authorizes spending in  
50 an amount net of refunds, rebates, reimbursements, credits, repayments,  
51 and/or disallowances, "refunds" shall mean funds received to the state  
52 resulting from the overpayment of monies, "rebates" shall mean funds  
53 received to the state resulting from a return of a full or partial  
54 amount previously paid, as for goods or services, serving as a  
55 reduction, discount or rebate to the original payment amount,  
56 "reimbursements" shall mean funds received to the state as repayment in

1 an equivalent amount for goods or services, including but not limited to  
2 personal service costs, incurred by the state in the first instance  
3 being provided to a third party for their benefit and partially or in  
4 full financed by such third party, "credit" shall mean monies made  
5 available to the state that reduce the amount owed to a third party,  
6 including but not limited to billing errors, rebates, and prior overpay-  
7 ments, "repayment" shall mean the return of monies as pay back for  
8 expenses incurred, and "disallowance" shall mean monies made available  
9 to the state that were not allowed or accepted officially by the  
10 intended recipient, based on a determination the payment is not accepta-  
11 ble and/or valid. When the office of the state comptroller receives any  
12 such refunds, rebates, reimbursements, credits, repayments, and/or  
13 disallowances, he or she shall credit the refunded, rebated, reimbursed,  
14 credited, repaid, and disallowed amount back to the original appropri-  
15 ation and reduce expenditures in the year which such credit is received  
16 regardless of the timing of the initial expenditure.

17 g) Notwithstanding any other provision of law to the contrary, if the  
18 state or any agency thereof incurs any costs associated with administer-  
19 ing the rent regulation program in accordance with subdivision (c) of  
20 section 8 of chapter 576 of the laws of 1974, as amended, for a city  
21 having a population of one million or more, the director of the budget  
22 may direct any other state agency or agencies making payments to such  
23 city, or any department, agency, or instrumentality thereof, to perma-  
24 nently reduce the amount of any other payment or payments owed to such  
25 city or any department, agency, or instrumentality thereof pursuant to  
26 any appropriation set forth in this chapter. Provided however, that such  
27 reduction shall be in an amount equal to the costs incurred by the state  
28 or agency thereof in accordance with subdivision (c) of section 8 of  
29 chapter 576 of the laws of 1974 and provided further that such direction  
30 shall be made in writing by the director of the budget. If the director  
31 of the budget makes such direction pursuant to the authority set forth  
32 herein, the impacted city shall not make the payments required by subdivi-  
33 sion (c) of section 8 of chapter 576 of the laws of 1974, as amended,  
34 and the division of housing and community renewal shall notify such city  
35 in writing of what payment or payments will be reduced and the amount of  
36 such reduction. To the extent a city of one million or more or any  
37 department, agency, or instrumentality thereof is entitled to any cash  
38 disbursement authorized by any appropriation contained in this chapter,  
39 such entitlement shall be reduced commensurate with reductions in  
40 payments made in accordance with this part.

41 h) Notwithstanding any provision of law to the contrary, upon enact-  
42 ment of this chapter of the laws of 2020 containing the aid to locali-  
43 ties budget bill for the state fiscal year 2020-2021, all appropriations  
44 and reappropriations contained in chapter 53 of the laws of 2019, which  
45 would otherwise lapse by operation of law on March 31, 2021 are hereby  
46 repealed.

47 i) The appropriations contained in this chapter shall be available for  
48 the fiscal year beginning on April 1, 2020 except as otherwise noted.

16 in excess of such amount shall be subject  
17 to 62 percent state reimbursement exclu-  
18 sive of any federal funds made available  
19 for such purposes, in accordance with  
20 directives of the department of family

23 submitted by a social services district  
24 for reimbursement for a particular state  
25 fiscal year for which the social services  
26 district does not receive state or federal  
27 reimbursement during that state fiscal  
28 year may not be claimed against that  
29 district's block grant apportionment for

31 The office of children and family services,

33 budget, may reduce a district's block  
34 grant allocation by the state share  
35 decrease related to federal retroactive  
36 reimbursement for such foster care  
37 services identified herein. The office,  
38 with the approval of the director of the

10 federal disallowance for services provided  
11 between January 1, 1999 and May 31, 1999  
12 results solely from the late enactment of  
13 the state legislation implementing the  
14 federal adoption and safe families act,  
15 the state shall be solely responsible for  
16 the full amount of the disallowance or  
17 sanction; provided, further, however, this  
18 provision shall be deemed to apply both  
19 prospectively and retroactively regardless  
20 of whether such sanctions or disallowances  
21 are for services provided or claims made  
22 prior to or after April 1, 2020.

23 Notwithstanding any other provision of law,  
24 any federal disallowance resulting from a  
25 federal title IV-E eligibility review or  
26 audit that uses extrapolated statistic  
27 techniques shall be passed along by the  
28 state to any and all social services  
29 districts that the office of children and  
30 family services has determined have not  
31 complied with the title IV-E eligibility  
32 requirements or have not taken the neces-  
33 sary actions to ensure compliance with  
34 such requirements including, but not  
35 limited to, failing to: assess and fully  
36 document all the criteria and have readily  
37 available all the necessary documents to  
38 establish and continue title IV-E eligi-  
39 bility for all title IV-E eligible chil-  
40 dren within the required time frames;

46 voluntary agency foster care services.

47 Notwithstanding any law to the contrary, the

2 less of the date the children may have  
3 entered foster care, the date the eligi-  
4 bility or payment errors occurred, or the  
5 filing date of any federal claims for  
6 reimbursement; provided, however, that the  
7 state shall be responsible for the disal-  
8 lowed costs and expenditures related to  
9 the placement of children in a facility  
10 operated by the office of children and  
11 family services, which shall be determined  
12 in the same manner as the disallowed costs  
13 and expenditures for social services  
14 districts other than the city of New York.  
15 In order to reimburse the federal govern-  
16 ment for the full amount of any disallow-  
17 ance imposed on the state by the federal  
18 administration for children and families  
19 within the timeframes necessary to avoid  
20 any potential interest payments on such  
21 amount, the office of children and family  
22 services is authorized to immediately  
23 offset funds otherwise due to each  
24 district for a pro rata share of the total  
25 disallowed costs based on the percentage  
26 of applicable federal title IV-E claims  
27 made by that district for the relevant  
28 time period as compared to the total  
29 applicable statewide title IV-E claims.  
30 The amount of the offset against each  
31 district will be adjusted, if necessary,  
32 upon completion of the disallowance allo-  
33 cation process. The final allocation of  
34 the amount of any federal disallowance  
35 resulting from a title IV-E secondary  
36 eligibility review shall be allocated  
37 among the districts so that each district  
38 shall be responsible for the amount  
39 attributable to each of the district's  
40 children or cases that are determined by  
41 the federal review to be unallowable. Each  
42 district shall also be responsible for a  
43 portion of the federal extrapolated disal-  
44 lowance amount based on the relative error  
45 rate for the district. The city of New  
46 York's error rate will be based on the  
47 federal sample and federal statistics. For  
48 all social services districts other than  
49 the city of New York, the error rate will  
50 be based on a review conducted by the  
51 district of a sample of children and/or

1 cases determined by the office of children  
2 and family services and a re-review of a  
3 sub-sample by the office of those children  
4 and/or cases determined by the office. The  
5 office of children and family services  
6 will determine what is reasonable in  
7 establishing the size of the sample and  
8 sub-sample for each district. The office  
9 of children and family services shall  
10 notify each social services district of  
11 the sample of children and/or cases from  
12 the federal audit period that the social  
13 services district must review. Any child  
14 or case from the social services district  
15 that was included in the federal sample  
16 will automatically be included in the  
17 social services district's review sample  
18 and the determination made at the federal  
19 review regarding that child or case will  
20 govern for the purposes of the social  
21 services district's review. The social  
22 services district must complete and submit  
23 the results of its review to the office of  
24 children and family services within 60  
25 days of receipt of the sample. The error  
26 rate for the district will be based on the  
27 findings of the district's review and the  
28 office of children and family services'  
29 re-review. If a social services district  
30 does not complete its review within 60  
31 days of receiving the sample from the  
32 office of children and family services,  
33 the office of children and family services  
34 shall assign an error rate to the social  
35 services district based on the relative  
36 percentage of the district's applicable  
37 title IV-E claims for the relevant period  
38 as compared to applicable statewide title  
39 IV-E claims for that period and other  
40 circumstances that the office of children  
41 and family services may consider in order  
42 to allocate 100 percent of the federal  
43 disallowance. The office of children and  
44 family services shall apply each social  
45 services district's error rate to the  
46 total amount of the district's applicable  
47 title IV-E claims including associated  
48 administrative expenses. The resulting  
49 dollar amounts for all of the social  
50 services districts will be summed to  
51 derive the total amount of title IV-E

1 claims deemed to be in error statewide. To  
2 establish a disallowance percentage for  
3 each social services district, the amount  
4 of the district's title IV-E claims deemed  
5 to be in error will be divided by the  
6 amount of statewide title IV-E claims  
7 deemed to be in error. The resulting  
8 disallowance percentage for each district  
9 will be applied to the entire title IV-E  
10 extrapolated disallowance calculated by  
11 the federal review to determine the amount  
12 of the extrapolated disallowance for which  
13 the district is responsible. Each district  
14 will be credited for the amount already  
15 disallowed for any individual children or  
16 cases found to be in error during the  
17 federal review. The exclusive appeal  
18 rights for the review of the amount of the  
19 federal disallowance assigned to each  
20 social services district shall be pursuant  
21 to article 78 of the civil practice law  
22 and rules; provided, however, that in any  
23 such action all of the social services  
24 districts shall be joined as necessary  
25 parties and the venue of any such action  
26 shall be in Rensselaer county. Any social  
27 services district that fails to complete

31 action brought by another social services  
32 district.

22 The commissioner shall seek the input of the  
23 legislature, as well as organizations  
24 representing health care providers,

32 program, particular categories of service  
33 or particular geographic regions of the  
34 state.

35 (a) The commissioner shall post the medicaid  
36 savings allocation plan on the department  
37 of health's website and shall provide

40 payments or rates of payment; modifying  
41 medicaid program benefits; seeking all  
42 necessary federal approvals, including,  
43 but not limited to waivers, waiver amend-

ated by the office of mental health, the office for people with developmental disabilities and the office of addiction services and supports and further excluding any payments which are not appropriated within the department of health, such entitlement shall be superseded and reduced commensurate with any such across the board reductions.

The director of the budget, in consultation with the commissioner of health, shall assess on a monthly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation plan to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation plan shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation plan that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation plan; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

1 The commissioner shall seek the input of the legislature, as well as  
2 organizations representing health care providers, consumers, busi-  
3 nesses, workers, health insurers, and others with relevant exper-  
4 tise, in developing such medicaid savings allocation plan, to the  
5 extent that all or part of such plan, in the discretion of the  
6 commissioner, is likely to have a material impact on the overall  
7 medicaid program, particular categories of service or particular  
8 geographic regions of the state.

9 (a) The commissioner shall post the medicaid savings allocation plan  
10 on the department of health's website and shall provide written  
11 copies of such plan to the chairs of the senate finance and the  
12 assembly ways and means committees at least 30 days before the date  
13 on which implementation is expected to begin.

14 (b) The commissioner may revise the medicaid savings allocation plan  
15 subsequent to the provisions of notice and prior to implementation  
16 but needs to provide a new notice pursuant to subparagraph (i) of  
17 this paragraph only if the commissioner determines, in his or her

20 subdivision, the commissioner need not seek the input described in  
21 paragraph (a) of this subdivision or provide notice pursuant to  
22 paragraph (b) of this subdivision if, in the discretion of the  
23 commissioner, expedited development and implementation of a medicaid  
24 savings allocation plan is necessary due to a public health emergen-  
25 cy.

26 For purposes of this section, a public health emergency is defined as:

27 (i) a disaster, natural or otherwise, that significantly increases  
28 the immediate need for health care personnel in an area of the  
29 state; (ii) an event or condition that creates a widespread risk of  
30 exposure to a serious communicable disease, or the potential for  
31 such widespread risk of exposure; or (iii) any other event or condi-  
32 tion determined by the commissioner to constitute an imminent threat  
33 to public health.

34 Nothing in this paragraph shall be deemed to prevent all or part of  
35 such medicaid savings allocation plan from taking effect retroac-  
36 tively to the extent permitted by the federal centers for medicare  
37 and medicaid services.

38 In accordance with the medicaid savings allocation plan, the commis-

44 provision of law that sets a specific amount or methodology for any  
45 such payments or rates of payment; modifying medicaid program bene-  
46 fits; seeking all necessary federal approvals, including, but not  
47 limited to waivers, waiver amendments; and suspending time frames  
48 for notice, approval or certification of rate requirements, notwith-

The director of the budget, in consultation with the commissioner of health, shall assess on a monthly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation plan to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation plan shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation plan that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation plan; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation plan, to the extent that all or part of such plan, in the discretion of the

1 commissioner, is likely to have a material impact on the overall  
2 medicaid program, particular categories of service or particular  
3 geographic regions of the state.

4 (a) The commissioner shall post the medicaid savings allocation plan  
5 on the department of health's website and shall provide written  
6 copies of such plan to the chairs of the senate finance and the  
7 assembly ways and means committees at least 30 days before the date

9 (b) The commissioner may revise the medicaid savings allocation plan  
10 subsequent to the provisions of notice and prior to implementation  
11 but needs to provide a new notice pursuant to subparagraph (i) of  
12 this paragraph only if the commissioner determines, in his or her  
13 discretion, that such revisions materially alter the plan.

14 Notwithstanding the provisions of paragraphs (a) and (b) of this  
15 subdivision, the commissioner need not seek the input described in  
16 paragraph (a) of this subdivision or provide notice pursuant to  
17 paragraph (b) of this subdivision if, in the discretion of the

21 For purposes of this section, a public health emergency is defined as:

22 (i) a disaster, natural or otherwise, that significantly increases  
23 the immediate need for health care personnel in an area of the  
24 state; (ii) an event or condition that creates a widespread risk of  
25 exposure to a serious communicable disease, or the potential for  
26 such widespread risk of exposure; or (iii) any other event or condi-  
27 tion determined by the commissioner to constitute an imminent threat  
28 to public health.

29 Nothing in this paragraph shall be deemed to prevent all or part of  
30 such medicaid savings allocation plan from taking effect retroac-

32 and medicaid services.

33 In accordance with the medicaid savings allocation plan, the commis-  
34 sioner of the department of health shall reduce department of health  
35 state funds medicaid spending by the amount of the projected over-  
36 spending through, actions including, but not limited to modifying or  
37 suspending reimbursement methods, including but not limited to all  
38 fees, premium levels and rates of payment, notwithstanding any  
39 provision of law that sets a specific amount or methodology for any  
40 such payments or rates of payment; modifying medicaid program bene-  
41 fits; seeking all necessary federal approvals, including, but not  
42 limited to waivers, waiver amendments; and suspending time frames  
43 for notice, approval or certification of rate requirements, notwith-

45 including but not limited to sections 2807 and 3614 of the public  
46 health law, section 18 of chapter 2 of the laws of 1988, and 18  
47 NYCRR 505.14(h).

48 The department of health shall prepare a monthly report that sets  
49 forth: (a) known and projected department of health medicaid expend-

The director of the budget, in consultation with the commissioner of health, shall assess on a monthly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation plan to limit such spending to the aggregate limit specified herein for such period.

7 of pursuing innovative payment models contemplated by the Affordable

9 caid savings allocation plan; and (5) reductions shall be made in a  
10 manner that does not unnecessarily create administrative burdens to  
11 medicaid applicants and recipients or providers.

12 The commissioner shall seek the input of the legislature, as well as

27 but needs to provide a new notice pursuant to subparagraph (i) of  
28 this paragraph only if the commissioner determines, in his or her  
29 discretion, that such revisions materially alter the plan.

30 Notwithstanding the provisions of paragraphs (a) and (b) of this  
31 subdivision, the commissioner need not seek the input described in  
32 paragraph (a) of this subdivision or provide notice pursuant to  
33 paragraph (b) of this subdivision if, in the discretion of the

1 Notwithstanding section 40 of the state finance law or any other law  
2 to the contrary, all medical assistance appropriations made from  
3 this account shall remain in full force and effect in accordance, in  
4 the aggregate, with the following schedule: not more than 49 percent

23 \$45,857,920,000 provided, however, such aggregate limits may be  
24 adjusted by the director of the budget to account for any changes in

49 Provided however, that any such uniform reductions may be increased

authorized by one or more of such appropriations or reappropriations for the department of health state funds medicaid spending, excluding payments for medical services provided at state facilities operated by the office of mental health, the office for people with developmental disabilities and the office of addiction services and supports and further excluding any payments which are not appropriated within the department of health, such entitlement shall be superseded and reduced commensurate with any such across the board reductions.

The director of the budget, in consultation with the commissioner of health, shall assess on monthly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation plan to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation plan shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation plan that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation plan; and (5) reductions shall be made in a

1 manner that does not unnecessarily create administrative burdens to  
2 medicaid applicants and recipients or providers.

3 The commissioner shall seek the input of the legislature, as well as  
4 organizations representing health care providers, consumers, busi-  
5 nesses, workers, health insurers, and others with relevant exper-  
6 tise, in developing such medicaid savings allocation plan, to the  
7 extent that all or part of such plan, in the discretion of the  
8 commissioner, is likely to have a material impact on the overall  
9 medicaid program, particular categories of service or particular  
10 geographic regions of the state.

11 (a) The commissioner shall post the medicaid savings allocation plan  
12 on the department of health's website and shall provide written  
13 copies of such plan to the chairs of the senate finance and the  
14 assembly ways and means committees at least 30 days before the date  
15 on which implementation is expected to begin.

16 (b) The commissioner may revise the medicaid savings allocation plan  
17 subsequent to the provisions of notice and prior to implementation  
18 but needs to provide a new notice pursuant to subparagraph (i) of  
19 this paragraph only if the commissioner determines, in his or her  
20 discretion, that such revisions materially alter the plan.

21 Notwithstanding the provisions of paragraphs (a) and (b) of this  
22 subdivision, the commissioner need not seek the input described in  
23 paragraph (a) of this subdivision or provide notice pursuant to  
24 paragraph (b) of this subdivision if, in the discretion of the  
25 commissioner, expedited development and implementation of a medicaid  
26 savings allocation plan is necessary due to a public health emergen-  
27 cy.

28 For purposes of this section, a public health emergency is defined as:  
29 (i) a disaster, natural or otherwise, that significantly increases  
30 the immediate need for health care personnel in an area of the  
31 state; (ii) an event or condition that creates a widespread risk of  
32 exposure to a serious communicable disease, or the potential for  
33 such widespread risk of exposure; or (iii) any other event or condi-  
34 tion determined by the commissioner to constitute an imminent threat  
35 to public health.

36 Nothing in this paragraph shall be deemed to prevent all or part of  
37 such medicaid savings allocation plan from taking effect retroac-  
38 tively to the extent permitted by the federal centers for medicare  
39 and medicaid services.

40 In accordance with the medicaid savings allocation plan, the commis-  
41 sioner of the department of health shall reduce department of health  
42 state funds medicaid spending by the amount of the projected over-  
43 spending through, actions including, but not limited to modifying or  
44 suspending reimbursement methods, including but not limited to all  
45 fees, premium levels and rates of payment, notwithstanding any  
46 provision of law that sets a specific amount or methodology for any  
47 such payments or rates of payment; modifying medicaid program bene-  
48 fits; seeking all necessary federal approvals, including, but not  
49 limited to waivers, waiver amendments; and suspending time frames  
50 for notice, approval or certification of rate requirements, notwith-  
51 standing any provision of law, rule or regulation to the contrary,  
52 including but not limited to sections 2807 and 3614 of the public

4 forth: (a) known and projected department of health medicaid expend-  
5 itures as described in subdivision (1) of this section, and factors  
6 that could result in medicaid disbursements for the relevant state  
7 fiscal year to exceed the projected department of health state funds  
8 disbursements in the enacted budget financial plan pursuant to  
9 subdivision 3 of section 23 of the state finance law, including  
10 spending increases or decreases due to: enrollment fluctuations,  
11 rate changes, utilization changes, MRT investments, and shift of  
12 beneficiaries to managed care; and variations in offline medicaid  
13 payments; and (b) the actions taken to implement any medicaid

18 of the senate finance and the assembly ways and means committees and  
19 shall be posted on the department of health's website in a timely  
20 manner.

21 Notwithstanding any provision of law to the contrary, the director of  
22 the budget, in consultation with the commissioner of health, may use  
23 a payment reduction plan to make across-the-board reductions to the  
24 department of health state funds medicaid spending by \$190,200,000  
25 for ~~[each of]~~ the state fiscal ~~[years]~~ year 2019-2020 and

27 limits specified herein, or reduce the aggregate limits specified  
28 herein to provide a reduction to the State's Financial Plan.  
29 Reductions shall be made in a manner that complies with the state  
30 medicaid plan approved by the federal centers for medicare and medi-  
31 caid services, provided, however, that the commissioner of health is  
32 authorized to submit any state plan amendment or seek other federal  
33 approval to implement the provisions of the medicaid payment  
34 reduction plan.

35 For the purpose of making payments to providers of medical care pursu-
