There will be no refund of member contributions.

If this bill is enacted during the 2020 legislative session, we anticipate that there will be an increase of approximately \$1,500 in the annual contributions of the State of New York for the fiscal year ending

March 31, 2021. In future years, this cost will vary as the billing rate and salary of Rachael Bowman change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$12,300 which will be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2021.
