(2) Every pharmacy benefit manager's license shall expire thirty-six months after the date of issue. Every license issued pursuant to this section may be renewed for the ensuing period of thirty-six months upon the filing of an application in conformity with this subsection.  

(e)(1) If an application for a renewal license shall have been filed with the superintendent before November first of the year of expiration, then the license sought to be renewed shall continue in full force and effect either until the issuance by the superintendent of the renewal license applied for or until five days after the superintendent shall have refused to issue such renewal license and given notice of such refusal to the applicant.

(i) No pharmacy benefit manager shall engage in any practice or action that a health plan or provider is prohibited from engaging in pursuant to this chapter.

§ 2907. Revocation or suspension of a registration or license of a pharmacy benefit manager. (a) The superintendent may refuse to renew, may revoke, or may suspend for a period the superintendent determines the registration or license of any pharmacy benefit manager if, after notice and hearing, the superintendent determines that the registrant or licensee or any member, principal, officer, director, or controlling person of the registrant or licensee, has:

(1) violated any insurance laws, section two hundred eighty-a of the public health law or violated any regulation, subpoena or order of the superintendent or of another state's insurance commissioner, or has violated any law in the course of his or her dealings in such capacity after such license has been issued or renewed pursuant to section two thousand nine hundred six of this article;

(2) provided materially incorrect, materially misleading, materially incomplete or materially untrue information in the registration or license application;

(3) obtained or attempted to obtain a registration or license through misrepresentation or fraud;

(10) ceased to meet the requirements for registration or licensure under this article.

(b) Before revoking or suspending the registration or license of any pharmacy benefit manager pursuant to the provisions of this article, the superintendent shall give notice to the registrant or licensee and to every sub-licensee and shall hold, or cause to be held, a hearing not less than ten days after the giving of such notice.

(c) If a registration or license pursuant to the provisions of this article is revoked or suspended by the superintendent, then the superintendent shall forthwith give notice to the registrant or licensee.

(d) The revocation or suspension of any registration or license pursuant to the provisions of this article shall terminate forthwith such registration or license and the authority conferred thereby upon all sub-licensees. For good cause shown, the superintendent may delay the effective date of a revocation or suspension to permit the registrant or licensee to satisfy some or all of its contractual obligations to perform pharmacy benefit management services in the state.

(e)(1) No individual, corporation, firm or association whose registration or license as a pharmacy benefit manager has been revoked pursuant to subsection (a) of this section, and no firm or association of which such individual is a member, and no corporation of which such individual is an officer or director, and no controlling person of the registrant or licensee shall be entitled to obtain any registration or license under the provisions of this article for a minimum period of one year after such revocation, or, if such revocation be judicially reviewed, for a minimum period of one year after the final determination thereof affirming the action of the superintendent in revoking such license.

(2) If any such registration or license held by a firm, association or corporation be revoked, no member of such firm or association and no officer or director of such corporation or any controlling person of the registrant or licensee shall be entitled to obtain any registration or license, or to be named as a sub-licensee in any such license, under this article for the same period of time, unless the superintendent determines, after notice and hearing, that such member, officer or director was not personally at fault in the matter on account of which such registration or license was revoked.

(f) If any corporation, firm, association or person aggrieved shall file with the superintendent a verified complaint setting forth facts tending to show sufficient ground for the revocation or suspension of any pharmacy benefit manager's registration or license, and the superintendent finds the complaint credible, then the superintendent shall, after notice and a hearing, determine whether such registration or license shall be suspended or revoked.

(g) The superintendent shall retain the authority to enforce the provisions of and impose any penalty or remedy authorized by this chapter against any person or entity who is under investigation for or charged with a violation of this chapter, even if the person's or entity's registration or license has been surrendered, or has expired or has lapsed by operation of law.
(h) A registrant or licensee subject to this article shall report to the superintendent any administrative action taken against the registrant or licensee in another jurisdiction or by another governmental agency in this state within thirty days of the final disposition of the matter. This report shall include a copy of the order, consent to order or other relevant legal documents.

(i) Within thirty days of the initial pretrial hearing date, a registrant or licensee subject to this article shall report to the superintendent any criminal prosecution of the registrant or licensee taken in any jurisdiction. The report shall include a copy of the initial complaint filed, the order resulting from the hearing and any other relevant legal documents.

§ 2908. Penalties for violations. (a) The superintendent, in lieu of revoking or suspending the registration or license of a registrant or licensee in accordance with the provisions of this article, may in any one proceeding by order, require the registrant or licensee to pay to the people of this state a penalty in a sum not exceeding the greater of (1) one thousand dollars for each offense and two thousand five hundred dollars for each subsequent violation or (2) the aggregate gross receipts attributable to all offenses.

(b) Upon the failure of such a registrant or licensee to pay the penalty ordered pursuant to subsection (a) of this section within twenty days after the mailing of the order, postage prepaid, registered, and addressed to the last known place of business of the licensee, unless the order is stayed by an order of a court of competent jurisdiction, the superintendent may revoke the registration or license of the registrant or licensee or may suspend the same for such period as the superintendent determines.

§ 2909. Stay or suspension of superintendent's determination. The commencement of a proceeding under article seventy-eight of the civil practice law and rules, to review the action of the superintendent in suspending or revoking or refusing to renew any certificate under this article, shall stay such action of the superintendent for a period of thirty days. Such stay shall not be extended for a longer period unless the court shall determine, after a preliminary hearing of which the superintendent is notified forty-eight hours in advance, that a stay of the superintendent's action pending the final determination or further order of the court will not unduly injure the interests of the people of the state.

§ 2910. Revoked registrations or licenses. (a)(1) No person, firm, association, corporation or other entity subject to the provisions of this article whose registration or license under this article has been revoked, or whose registration or license to engage in the business of pharmacy benefit management in any capacity has been revoked by any other state or territory of the United States shall become employed or appointed by a pharmacy benefit manager as an officer, director, manager, controlling person or for other services, without the prior written approval of the superintendent, unless such services are for maintenance or are clerical or ministerial in nature.

(2) No person, firm, association, corporation or other entity subject to the provisions of this article shall knowingly employ or appoint any person or entity whose registration or license issued under this article has been revoked, or whose registration or license to engage in the business of pharmacy benefit management in any capacity has been revoked by any other state or territory of the United States, as an officer, director, manager, controlling person or for other services, without the
prior written approval of the superintendent, unless such services are
for maintenance or are clerical or ministerial in nature.

(3) No corporation or partnership subject to the provisions of this
article shall knowingly permit any person whose registration or license
issued under this article has been revoked, or whose registration or
license to engage in the business of pharmacy benefit management in any
capacity has been revoked by any other state, or territory of the United
States, to be a shareholder or have an interest in such corporation or
partnership, nor shall any such person become a shareholder or partner
in such corporation or partnership, without the prior written approval
of the superintendent.

(b) The superintendent may approve the employment, appointment or
participation of any such person whose registration or license has been
revoked:

(1) if the superintendent determines that the duties and responsibil-
ities of such person are subject to appropriate supervision and that
such duties and responsibilities will not have an adverse effect upon
the public, other registrants or licensees, or the registrant or licen-
see proposing employment or appointment of such person; or

(2) if such person has filed an application for reregistration or
relicensing pursuant to this article and the application for reregistra-
tion or relicensing has not been approved or denied within one hundred
twenty days following the filing thereof, unless the superintendent
determines within the said time that employment or appointment of such
person by a registrant or licensee in the conduct of a pharmacy benefit
management business would not be in the public interest.

(c) The provisions of this section shall not apply to the ownership of
shares of any corporation registered or licensed pursuant to this arti-
cle if the shares of such corporation are publicly held and traded in
the over-the-counter market or upon any national or regional securities
exchange.

§ 2911. Change of address. A registrant or licensee under this article
shall inform the superintendent by a means acceptable to the superinten-
dent of a change of address within thirty days of the change.

§ 2912. Applicability of other laws. Nothing in this article shall be
construed to exempt a pharmacy benefit manager from complying with the
provisions of articles twenty-one and forty-nine of this chapter and
articles forty-four and forty-nine and section two hundred eighty-a of
the public health law, section three hundred sixty-four-j of the social
services law, or any other provision of this chapter or the financial
services law.

§ 2913. Assessments. Pharmacy benefit managers that file a registra-
tion with the department or are licensed by the department shall be
assessed by the superintendent for the operating expenses of the depart-
ment that are solely attributable to regulating such pharmacy benefit
managers in such proportions as the superintendent shall deem just and
reasonable.
