The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The private housing finance law is amended by adding a new
2 article 31 to read as follows:

8 § 1280. Statement of legislative findings and purpose. The legislature
9 finds and declares that climate change is having a significant impact
10 upon our environment, health, and safety and it is necessary to imple-
11 ment programs and policies that immediately reduce greenhouse gas emis-
12 sions. The legislature further finds that residential housing is a
13 source for such emissions and we can only address climate change in a
14 meaningful manner if we change our practices and behaviors as they
15 relate to the construction of and improvements to such housing, such as
16 the use of environmentally-sensitive design and the construction prac-
17 tices and materials; the installation of energy efficient products; and
18 access to renewable energy sources. Establishing a new program to
19 encourage and publicly subsidize more environmentally-friendly practices
20 and materials will reduce greenhouse gas emissions from multi-unit hous-
21 ing throughout New York state and help address climate change for future
22 generations.

23 § 1281. Definitions. For the purposes of this article, the following
24 terms shall have the following meanings:

25 1. "Corporation" shall mean the housing trust fund corporation estab-
26 lished in section forty-five-a of this chapter.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 2. "Sustainable affordable housing activities" shall mean activities
2 by an eligible applicant for a specific work or series of works for the
3 creation, preservation or improvement of affordable housing which will
4 reduce greenhouse gas emissions through the use of design, construction,
5 materials and products, and access to renewable energy sources that
6 exceed a greenhouse gas emissions baseline for such housing, as deter-
7 mined by the corporation in consultation with the New York state energy
8 research and development corporation.

9 3. "Eligible applicant" shall mean a not-for-profit corporation or
10 charitable organization, or a wholly-owned subsidiary of such a corpo-
11 ration or organization, or a private for-profit developer such as a
12 person, corporation, partnership or limited liability company.

13 4. "Affordable residential development" shall mean a multiple family
14 dwelling which is subject to a regulatory agreement with a local, state,

16 § 1282. Sustainable affordable housing incentive program. 1. Within
17 amounts appropriated or otherwise available therefor, the corporation
18 shall develop and administer a sustainable affordable housing incentive
19 program which shall provide assistance in the form of payments, grants
20 and loans for reasonable and necessary expenses to an eligible applicant
21 for sustainable housing activities.

22 2. The corporation shall develop procedures, criteria and requirements
23 related to the application and award of projects pursuant to this
24 section which shall include: eligibility, market demand, feasibility
25 and funding criteria; the funding determination process; supervision and
26 evaluation of contracting applicants; reporting, budgeting and record-
27 keeping requirements; provisions for modification and termination of
28 contracts; and such other matters not inconsistent with the purposes and
29 provisions of this article as the corporation shall deem necessary or
30 appropriate.

31 § 2. This act shall take effect immediately.
