Introduced by Sen. KAVANAGH -- read twice and ordered printed, and when printed to be committed to the Committee on Housing, Construction and Community Development

AN ACT to amend the private housing finance law, in relation to establishing the sustainable affordable housing incentive program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

-	
1	Section 1. The private housing finance law is amended by adding a new
2	article 31 to read as follows:
3	ARTICLE XXXI
4	SUSTAINABLE AFFORDABLE HOUSING INCENTIVE PROGRAM
5	Section 1280. Statement of legislative findings and purpose.
6	1281. Definitions.
7	1282. Sustainable affordable housing incentive program.
8	<u>§ 1280. Statement of legislative findings and purpose. The legislature</u>
9	finds and declares that climate change is having a significant impact
10	upon our environment, health, and safety and it is necessary to imple-
11	ment programs and policies that immediately reduce greenhouse gas emis-
12	sions. The legislature further finds that residential housing is a
13	source for such emissions and we can only address climate change in a
14	meaningful manner if we change our practices and behaviors as they
15	relate to the construction of and improvements to such housing, such as
16	the use of environmentally-sensitive design and the construction prac-
17	tices and materials; the installation of energy efficient products; and
18	access to renewable energy sources. Establishing a new program to
19	encourage and publicly subsidize more environmentally-friendly practices
20	and materials will reduce greenhouse gas emissions from multi-unit hous-
21	ing throughout New York state and help address climate change for future
22	generations.
23	<u>§ 1281. Definitions. For the purposes of this article, the following</u>
24	terms shall have the following meanings:
25	1. "Corporation" shall mean the housing trust fund corporation estab-
26	lished in section forty-five-a of this chapter.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
