1 The governor and the heads of departments shall have the right, and it 2 shall be the duty of the heads of departments when requested by either 3 house of the legislature or an appropriate committee thereof, to appear 4 and be heard in respect to the budget during the consideration thereof, 5 and to answer inquiries relevant thereto. The procedure for such appear-6 ances and inquiries shall be provided by law.

7 § 4. The legislature may not alter an appropriation bill submitted by the governor except to strike out or reduce items therein, but it may 8 9 add thereto items of appropriation provided that such additions are 10 stated separately and distinctly from the original items of the bill and refer each to a single object or purpose. None of the restrictions of 11 this section, however, shall apply to appropriations for the legislature 12 13 or judiciary. The legislature shall reject any proposed legislation that 14 is not directly necessary to provide moneys and revenues sufficient to 15 meet such proposed expenditures, and may only include or alter any 16 legislation that is directly necessary to provide moneys and revenues sufficient to meet such proposed expenditures. 17

Such an appropriation bill shall when passed by both houses be a law immediately without further action by the governor, except that appropriations for the legislature and judiciary and separate items added to the governor's bills by the legislature shall be subject to approval of the governor as provided in section 7 of article IV.

§ 2. Resolved (if the Assembly concur), That the foregoing amendment be referred to the first regular legislative session convening after the next succeeding general election of members of the assembly, and, in conformity with section 1 of article 19 of the constitution, be published for three months previous to the time of such election.
