1     § 2577. Indoor air quality inspection and evaluation program. 1. With-  
2 in one year of the effective date of this title, the department shall  
3 establish an indoor air quality program.

4     2. The indoor air quality program established pursuant to subdivision  
5 one of this section shall require the department to:

6     (a) promulgate regulations for inspections, evaluations, notifications  
7 and best practices to improve indoor air quality in covered entities;

8     (b) enter into any necessary interagency agreements to coordinate the  
9 indoor air quality program;

10    (c) inspect a covered entity, upon their own initiative or upon  
11 complaint to the department regarding the quality of air in the covered  
12 entity;

13    (d) provide results of an inspection with the department of education,  
14 the superintendent, school administrator, or supervisor of the school in  
15 which the inspection was conducted, the appropriate local health author-  
16 ity, and any other person or department the department deems necessary;

17    (e) assist the covered entity in developing a reasonable plan to  
18 improve air quality conditions found in the inspection; and

19    (f) develop and implement public education and community outreach  
20 programs on indoor air quality and risk reduction.

21    3. After inspection, the department shall prepare a report that:

22    (a) describes the department's findings;

23    (b) describes whether the test results exceed the indoor air guide-  
24 lines established by the department or the occupational safety and  
25 health administration guidelines for indoor air quality;

26    (c) identifies any conditions that are contributing or could contrib-  
27 ute to poor indoor air quality at the covered entity including carbon  
28 dioxide levels; humidity; evidence of mold or water damage; evidence of  
29 hazardous substances; and excess dust; and

30    (d) provides guidance on steps the covered entity may take to improve  
31 indoor air quality.

32    4. A complaint regarding the indoor air quality of a covered entity  
33 shall be in writing and sent to the department. The department shall  
34 inspect such covered entity pursuant to paragraph (c) of subdivision two  
35 of this section.

36    § 2578. Best practices. The department, in consultation with the  
37 department of environmental conservation, shall distribute a guidance  
38 document of best practices for managing indoor air quality at covered  
39 entities as described in this title. The department may use a manual on  
40 indoor air quality in covered entities developed by federal health or  
41 environmental agencies or another state. The department, as deemed  
42 necessary by the commissioner, shall periodically review and revise such  
43 guidance document to assure that the document continues to represent  
44 best practices available to covered entities.

45    § 2579. Rules and regulations. The commissioner shall promulgate rules  
46 and regulations in consultation with the commissioner of environmental  
47 conservation to effectuate the requirements of this title.

48    § 2. Subdivision 1 of section 3-0301 of the environmental conservation  
49 law is amended by adding a new paragraph ii to read as follows:

50    ii. Cooperate with the public health department to complete the  
51 requirements of title four-a of article twenty-five of the public health  
52 law.

53    § 3. This act shall take effect immediately.
