## IN SENATE

May 15, 2020

- Introduced by Sen. LAVALLE -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation
- AN ACT to amend the environmental conservation law, in relation to permitting seaweed cultivation in underwater lands at Gardiner's and Peconic bays

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 13-0302 of the environmental conservation law, as 2 added by chapter 425 of the laws of 2004, subdivision 10 as added by 3 chapter 322 of the laws of 2016, is amended to read as follows:

4 § 13-0302. Lands underwater of Gardiner's and Peconic bays.

1. Underwater lands ceded to county of Suffolk. All the right, title 5 б and interest in which the people of the state of New York have in and to 7 the lands under water of Gardiner's and Peconic bays in the county of Suffolk, except underwater lands within one thousand feet of the high 8 9 water mark is hereby ceded to such county, for the purposes of shellfish 10 or seaweed cultivation, to be managed and controlled by such county, 11 provided that such lands shall revert to the state when they shall cease to be used for shellfish and seaweed cultivation. For the purposes of 12 13 this section, the term "Gardiner's and Peconic bays" shall mean the 14 waters of Gardiner's and Peconic bays and the tributaries thereof 15 between the westerly shore of Great Peconic bay and an easterly line 16 running from the most easterly point of Plum island to Goff point at the 17 entrance of Napeague harbor.

18 2. Ratification. The grant of lands under the waters of Gardiner's and Peconic bays, by the commissioners of shell fisheries, in accordance 19 with the provisions of chapter 385 of the laws of 1884, as amended, 20 21 subsequently held and used by the grantees, heirs, successors, and 22 assigns on which all taxes and assessments have been paid, are hereby 23 ratified and confirmed. Any underwater lands in Gardiner's and Peconic 24 Bays previously granted that revert or escheat to the state or are subject to tax deed by the county of Suffolk shall be available to the 25 26 county for leasing pursuant to this section. All other lands under such 27 waters, which pursuant to such chapters, have escheated or reverted to

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD15848-01-0

1 the state, are hereby ceded to Suffolk county for the purposes of the cultivation of shellfish, subject to existing valid grants and ease-2 ments; provided however, that nothing in this section shall interfere 3 4 with the right of the commissioner of general services to grant lands 5 and easements under water to owners of adjacent uplands, pursuant to the б provisions of the public lands law, or of the legislature to make such grants without regard to upland ownership, and to grant franchises to 7 8 utilities, municipalities and governmental, educational, or scientific 9 bodies for cables, outfalls, ecological studies, and experimentation 10 with controlled marine life.

11 3. Leases <u>for shellfish cultivation</u>. Suffolk county may lease lands 12 under water ceded to it by the state for the purpose of shellfish culti-13 vation. Provided if no such leases have been executed by December thir-14 ty-first, two thousand ten, such authority to lease pursuant to this 15 section shall terminate.

16 a. Leases may be issued only within areas designated as shellfish 17 cultivation zones on a map or maps to be prepared and approved by the 18 county of Suffolk.

b. No lease shall be granted except upon written application on forms furnished by the county of Suffolk, and properly executed and signed by the applicant.

22 c. Before a lease is approved, notice shall be provided for at least 23 two months by posting such notice at the bureau of marine resources in 24 the department, the office of the county clerk, and the office of the 25 town clerk in which all or any part of the lands to be leased are 26 located. Such notice shall also be published in the official newspaper 27 of the county. The notice shall include the name of the lessee, the 28 boundaries of the lease, and the area of the lease. A copy of the 29 proposed lease shall be available for public inspection and copying in 30 the office of the county clerk.

31 4. Establishment of shellfish cultivation zones. Before leasing or 32 using the lands hereby ceded to it, the county of Suffolk shall cause an 33 accurate survey to be made of such lands, and a map or maps to be prepared therefrom. Such map or maps shall establish shellfish culti-34 35 vation zones within Gardiner's and Peconic bays. Such map or maps shall 36 be approved by local law. After such map or maps have been adopted, the 37 county shall have the authority to issue leases for shellfish culti-38 vation within the shellfish cultivation zones, as provided herein. Such 39 map or maps shall be updated by the county of Suffolk every five years. 40 a. Underwater lands within one thousand feet of the high water mark

41 shall not be included in a shellfish cultivation zone.

42 b. Underwater lands where bay scallops are produced regularly and 43 harvested on a commercial basis shall not be included in a shellfish 44 cultivation zone.

45 c. Underwater lands where there is an indicated presence of shellfish 46 in sufficient quantity and quality and so located as to support signif-47 icant hand raking and/or tonging harvesting shall not be included in a 48 shellfish cultivation zone.

49 d. Underwater lands where the leasing will result in a significant 50 reduction of established commercial finfish or crustacean fisheries 51 shall not be included in a shellfish cultivation zone.

52 5. Regulations <u>for shellfish cultivation</u>. The county shall, by local 53 law, before leasing any such underwater lands, adopt regulations govern-54 ing:

55 a. applications for leases;

56 b. notices to be given;

c. the form and terms of leases; 1 2 d. standards for the approval or denial of leases; 3 e. administration of leases; 4 f. the transfer or renewal of leases; 5 g. marking grounds and testing; б h. fees; 7 i. recording of leases; 8 j. bonds; and 9 k. such other matters as are appropriate to the leasing program. 10 6. Department authority over shellfish cultivation. Notwithstanding 11 any of the provisions of this section: a. any person engaging in the cultivation or harvesting of shellfish 12 13 in a shellfish cultivation zone pursuant to this section shall obtain a 14 permit in accordance with section 13-0316 of this title; and b. the department shall regulate and control the use of certain types 15 of vessels and equipment for harvesting shellfish, requirements for 16 17 reseeding, the right to enter upon such leased lands for reseeding or making shellfish population surveys, and enforce all other applicable 18 19 state laws relating to said underwater lands. 20 7. Leases for seaweed cultivation. 21 a. Suffolk county may lease lands under water ceded to it by the state 22 for the purpose of seaweed cultivation after approval by the county legislature of a seaweed cultivation viability study. Provided if no 23 such leases have been executed by December thirty-first, two thousand 24 25 twenty-two, such authority to lease pursuant to this section shall 26 terminate. For the purposes of this section, "seaweed" means any species 27 of marine macroalgae approved by the commissioner for cultivation in the 28 waters of Gardiner's and Peconic bays. 29 b. Leases may be issued only within areas designated as seaweed culti-30 vation zones on a map or maps to be prepared and approved by the county 31 of Suffolk. 32 c. No lease shall be granted except upon written application on forms 33 furnished by the county of Suffolk, and properly executed and signed by 34 the applicant. 35 d. Before a lease is approved, notice shall be provided for at least 36 two months by posting such notice at the bureau of marine resources in the department, the office of the county clerk, and the office of the 37 town clerk in which all or any part of the lands to be leased are 38 39 located. Such notice shall also be published in the official newspaper of the county. The notice shall include the name of the lessee, the 40 boundaries of the lease, and the area of the lease. A copy of the 41 42 proposed lease shall be available for public inspection and copying in 43 the office of the county clerk. 44 e. Before leasing or using the lands hereby ceded to it for seaweed cultivation, the county of Suffolk shall cause an accurate survey to be 45 46 made of such lands, and a map or maps to be prepared therefrom. Such map 47 or maps shall establish seaweed cultivation zones within Gardiner's and 48 Peconic bays. Such map or maps shall be approved by local law. After such map or maps have been adopted, the county shall have the authority 49 to issue leases for seaweed cultivation within the seaweed cultivation 50 51 zones, as provided herein. Such map or maps shall be updated by the 52 county of Suffolk every five years. 53 f. Underwater lands within one thousand feet of the high water mark

54 shall not be included in a seaweed cultivation zone.
