8448--A

## IN SENATE

June 3, 2020

Introduced by Sen. THOMAS -- read twice and ordered printed, and when printed to be committed to the Committee on Internet and Technology -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT in relation to the collection of emergency health data and the use of technology to aid during COVID-19; and providing for the repeal of such provision upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. For the purposes of this act:  
2 1. "Covered entity" means any person, including a government entity:  
3 (a) that collects, uses, or discloses emergency health data, as  
4 defined in this act, electronically or through communication by wire or  
5 radio; or  
6 (b) that develops or operates a website, web application, mobile  
7 application, mobile operating system feature, or smart device applica-  
8 tion for the purpose of tracking, screening, monitoring, contact trac-  
9 ing, or mitigation, or otherwise responding to the COVID-19 public  
10 health emergency.  
11 2. "De-identified information" means information that cannot reason-  
12 ably identify, relate to, describe, be capable of being associated with,  
13 or be linked, directly or indirectly, to a particular individual. A  
14 covered entity that uses de-identified information:  
15 (a) has implemented technical safeguards that prohibit re-identifica-  
16 tion of the individual to whom the information may pertain;  
17 (b) has implemented business processes that specifically prohibit  
18 re-identification of the information;  
19 (c) has implemented business processes that prevent inadvertent  
20 release of de-identified information; and  
21 (d) makes no attempt to re-identify the information.  
22 3. "Emergency health data" means data linked or reasonably linkable to  
23 an individual or device, including data inferred or derived about the  
24 individual or device from other collected data provided such data is

1 still linked or reasonably linkable to the individual or device, that  
2 concerns the public COVID-19 health emergency. Such data includes:

3 (a) Information that reveals the past, present, or future physical or  
4 behavioral health or condition of, or provision of healthcare to, an  
5 individual including:

6 (i) data derived from the testing or examination;

7 (ii) whether or not an individual has contracted or been tested for,  
8 or an estimate of the likelihood that a particular individual may  
9 contract, such disease or disorder; and

10 (iii) genetic data, biological samples and biometrics; and

11 (b) Other data collected in conjunction with other emergency health  
12 data that can be used to infer health status, health history, location  
13 or associations, including:

14 (i) geolocation data, when such term means data capable of determining  
15 the past or present precise physical location of an individual at a  
16 specific point in time, taking account of population densities, includ-  
17 ing cell-site location information, triangulation data derived from  
18 nearby wireless or radio frequency networks and global positioning  
19 system data;

20 (ii) proximity data, when such term means information that identifies  
21 or estimates the past or present physical proximity of one individual or  
22 device to another, including information derived from Bluetooth, audio  
23 signatures, nearby wireless networks, and near field communications;

24 (iii) demographic data;

25 (iv) contact information for identifiable individuals or a history of  
26 the individual's contacts over a period of time, such as an address book  
27 or call log; and

28 (v) any other data collected from a personal device.

29 4. "Individual" means a natural person whom the covered entity knows  
30 or has reason to know is located in New York state.

31 5. "Personal information" means information that identifies, relates  
32 to, describes, is capable of being associated with, or could reasonably  
33 be linked, directly or indirectly, with a particular individual or  
34 household, or device.

35 6. "Process" means any operation or set of operations that are  
36 performed on personal data by either automated or not automated means.

37 § 2. All covered entities must disclose the following information at a  
38 fourth grade reading level or below and in the language the entity regu-  
39 larly uses to communicate with the individual:

40 1. The individual's right to opt-in. (a) A covered entity shall obtain  
41 freely given, specific, informed, and unambiguous opt-in consent from an  
42 individual to:

43 (i) process the individual's emergency health data; and

44 (ii) make any changes in the processing of the individual's emergency  
45 health data.

46 (b) It shall be unlawful for a covered entity to collect, use, or  
47 disclose emergency health data unless:

48 (i) the individual to whom the data pertains has freely given, specif-  
49 ic, informed, and unambiguous consent to such collection, use, or  
50 disclosure; or

51 (ii) such collection, use, or disclosure is necessary and for the sole  
52 purpose of:

53 (A) protecting against malicious, deceptive, fraudulent, or illegal  
54 activity; or

55 (B) detecting, responding to, or preventing security incidents or  
56 threats; or

1 (iii) the covered entity is compelled to do so by a court order or  
2 other legal obligation.

3 (c) To the extent that a covered entity must process internet protocol  
4 addresses, system configuration information, URLs of referring pages,  
5 locale and language preferences, keystrokes, and other personal informa-  
6 tion in order to obtain individuals' freely given, specific, informed,  
7 and unambiguous opt-in consent, the entity:

8 (i) shall only process the personal information necessary to request  
9 freely given, specific, informed, and unambiguous opt-in consent;

10 (ii) shall process the personal information solely to request freely  
11 given, specific, informed, and unambiguous opt-in consent; and

12 (iii) shall immediately delete the personal information if consent is  
13 withheld or withdrawn.

14 2. The individual's right to privacy. (a) All emergency health data  
15 and personal information shall be collected at a minimum level of iden-  
16 tifiability reasonably needed for tracking COVID-19. For a covered enti-  
17 ty using proximity tracing or exposure notification this includes chang-  
18 ing temporary anonymous identifiers at least once in a 10 minute period.

19 (b) A covered entity shall not process personal information beyond  
20 what is adequate, relevant, and necessary for the completion of the  
21 transaction disclosed to, affirmatively consented to, and requested by  
22 the individual.

23 (c) A covered entity shall not process emergency health data for any  
24 purpose not authorized under this act, including:

25 (i) commercial advertising, recommendation for e-commerce, or the  
26 training of machine learning algorithms related to, or subsequently for  
27 use in, commercial advertising and e-commerce;

28 (ii) soliciting, offering, selling, leasing, licensing, renting,  
29 advertising, marketing, or otherwise commercially contracting for  
30 employment, finance, credit, insurance, housing, or education; or

31 (iii) segregating, discriminating in, or otherwise making unavailable  
32 the goods, services, facilities, privileges, advantages, or accommo-  
33 dations of any place of public accommodation (as such term is defined in  
34 section 301 of the Americans with Disabilities Act of 1990), except as  
35 authorized by a state or federal government entity for a public health  
36 purpose.

37 3. Covered entity privacy policy. (a) A covered entity shall provide  
38 to the individual a privacy policy, prior to or at the point of  
39 collection of emergency health data:

40 (i) detailing how and for what purpose the covered entity collects,  
41 uses, and discloses emergency health data;

42 (ii) describing the covered entity's data retention and data security  
43 policies and practices for emergency health data; and

44 (iii) describing how an individual may exercise rights under this  
45 section.

46 (b) A covered entity shall create transparency reports, at least once  
47 every 90 days, that include:

48 (i) the number of individuals whose emergency health data the covered  
49 entity collected or used;

50 (ii) the categories of emergency health data collected, used, or  
51 disclosed;

52 (iii) the purposes for which each category of emergency health data  
53 was collected, used, or disclosed;

54 (iv) the number of requests for individuals emergency health data,  
55 including information on who the emergency health data was disclosed to;

56 and

1 (v) the number of instances where emergency health data was produced,  
2 in whole or in part, without prior, explicit consents by the individuals  
3 specified in the request.

4 4. Time limitation on retention. (a) Emergency health data and  
5 personal information shall be deleted when the initial purpose for  
6 collecting or obtaining such data has been satisfied or within 30 days,  
7 whichever occurs first, except that proximity tracing or exposure  
8 notification data which shall be automatically deleted every 14 days.

9 (b) This subdivision shall not apply to de-identified information.

10 5. Access rights. (a) Emergency health data shall be disclosed only as  
11 necessary to provide the service requested by an individual.

12 (b) A covered entity may share aggregate, de-identified data with  
13 public health authorities.

14 (c) A covered entity shall not disclose emergency health data to a  
15 third party unless that third party is contractually bound to the  
16 covered entity to meet the same privacy and security obligations as the  
17 covered entity.

18 (d) No covered entity in possession of emergency health data may  
19 disclose, redisclose, or otherwise disseminate an individual's emergency  
20 health data unless:

21 (i) the subject of the personal information or the subject's legally  
22 authorized representative consents in writing to the disclosure or  
23 redisclosure; or

24 (ii) the disclosure or redisclosure is required by state or federal  
25 law.

26 (e) Individuals shall have the right to access the emergency health  
27 data collected on them and correct any inaccuracies.

28 (i) A covered entity must comply with an individual's request to  
29 correct emergency health data not later than 30 days after receiving a  
30 verifiable request from the individual or, in the case of a minor, the  
31 individual's parent or guardian.

32 (ii) Where the covered entity has reasonable doubts or cannot verify  
33 the identity of the individual making a request under this paragraph,  
34 the covered entity may request additional information necessary for the  
35 specific purpose of confirming the identity of the individual. In such  
36 cases, the additional information shall not be processed for any purpose  
37 other than verifying the identity of the individual and must be deleted  
38 immediately upon verification or failure to verify the individual.

39 § 3. 1. A covered entity shall implement reasonable measures to ensure  
40 confidentiality, integrity, and availability of emergency health data  
41 and personal information.

42 2. A covered entity that collects an individual's emergency health  
43 data shall implement and maintain reasonable security procedures and  
44 practices, including administrative, physical, and technical safeguards,  
45 appropriate to the nature of the information and the purposes for which  
46 that information will be used, to protect that information from unau-  
47 thorized use, disclosure, access, destruction, or modification.

48 3. A covered entity shall limit access to emergency health data to  
49 authorized essential personnel whose use of the data is reasonably  
50 necessary to operate the program and record who has accessed emergency  
51 health data, the date of access, and for what purposes.

52 § 4. 1. All covered entities shall be subject to data protection  
53 audits evaluating the technology utilized and the development processes  
54 for statistical impacts on classes protected under section 296 of arti-  
55 cle 15 of the executive law, as well as for impacts on privacy, and  
56 security that includes at a minimum:

1 (a) a detailed description of the technology, its design, and its  
2 purpose;

3 (b) an assessment of the relative benefits and costs of the technology  
4 in light of its purpose, taking into account relevant factors including  
5 data minimization practices; the duration for which personal information  
6 and the results of the data analysis are stored; what information about  
7 the technology is available to the public; and the recipients of the  
8 results of the technology;

9 (c) an assessment of the risk of harm posed by the technology; the  
10 risk that the technology may result in or contribute to inaccurate,  
11 unfair, biased, or discriminatory decisions; the risk that the technolo-  
12 gy may dissuade New Yorkers from participating in contact tracing or  
13 obtaining medical testing or treatment; and the risk that personal  
14 information or emergency health data can be accessed by third parties,  
15 including, but not limited to law enforcement agencies and U.S. Immi-  
16 gration and Customs Enforcement; and

17 (d) the measures the covered entity will employ to minimize the risks  
18 described in paragraph (c) of this subdivision, including technological,  
19 legal and physical safeguards;

20 (e) an assessment of whether the covered entity has followed through  
21 on the promises made in its privacy notice regarding collection, access,  
22 sharing, retention, deletion and sunseting; and

23 (f) if the technology utilizes machine-learning systems, a description  
24 of the training data information.

25 2. The audits required by this subdivision shall be made fully avail-  
26 able to the public.

27 § 5. 1. An individual may bring a private right of action in a court  
28 of competent jurisdiction to enforce any right under this act or to  
29 enjoin any violation of this act.

30 (a) Any individual alleging a violation of this act or a regulation  
31 promulgated under this act may bring a civil action in any court of  
32 competent jurisdiction.

33 (b) A violation of this act or a regulation promulgated under this act  
34 with respect to the personal information of an individual constitutes a  
35 rebuttable presumption of harm to that individual.

36 (c) In a civil action in which the plaintiff prevails, the court may  
37 award:

38 (i) liquidated damages of ten thousand dollars or actual damages,  
39 whichever is greater;

40 (ii) punitive damages; and

41 (iii) any other relief, including an injunction, that the court deter-  
42 mines is appropriate.

43 (d) In addition to any relief awarded pursuant to paragraph (c) of  
44 this subdivision, the court shall award reasonable attorney's fees and  
45 costs to any prevailing plaintiff.

46 2. The attorney general may bring an action in the name of the state,  
47 or as *parens patriae* on behalf of persons residing in the state, to  
48 enforce the provisions of this act. In an action brought by the attorney  
49 general, the court may award injunctive relief, including preliminary  
50 injunctions, to prevent further violations of and compel compliance with  
51 this act; civil penalties up to twenty-five thousand dollars per  
52 violation or up to four percent of annual revenue; other appropriate  
53 relief, including restitution, to redress harms to individuals or to  
54 mitigate all substantial risk of harm; and any other relief the court  
55 determines.

1 § 6. This act shall take effect on the thirtieth day after it shall  
2 have become a law and shall expire and be deemed repealed January 1,  
3 2023.
