1 patient for the purpose of instilling mydriatic or cycloplegic eye drops
2 and anesthetic eye drops in conjunction with such dilating drops to the
3 surface of the eye of a patient, provided that the person instilling
4 such eye drops is:

- 5 (i) under the on-site supervision of a supervising licensed physician;
- 6 (ii) at least eighteen years of age; and
- 7 (iii) complies with standards issued by the department.

8 (b) The supervising licensed physician shall submit a form prescribed
9 by the department detailing the identity of each person instilling
10 mydriatic or cycloplegic eye drops and anesthetic eye drops in conjunc-
11 tion with such dilating drops to the surface of the eye of a patient,
12 under his or her supervision, attesting to compliance with the above
13 requirements.

14 (c) The supervising licensed physician's use of any such person pursu-
15 ant to the terms of this subdivision shall be undertaken with profes-
16 sional judgment in order to ensure the safety and well-being of the
17 patient. Such use shall subject the licensed physician to the full
18 disciplinary and regulatory authority of the office of professional
19 medical conduct and the board of regents. The licensed physician must
20 notify the patient or the patient's designated health care surrogate
21 that the licensed physician may utilize the services of an individual to
22 administer certain eye drops and must provide the patient or the
23 patient's designated health care surrogate the opportunity to refuse the
24 licensed physician's plan to utilize such person.

25 § 3. Subdivision 4 of section 7106 of the education law is REPEALED.

26 § 4. Section 7105 of the education law is amended by adding a new
27 subdivision d to read as follows:

28 d. 1. A person in training or appropriately trained and deemed quali-
29 fied by the supervising licensed optometrist, to assist a licensed opto-
30 metrist in the care of a patient for the purpose of instilling mydriatic
31 or cycloplegic eye drops and anesthetic eye drops in conjunction with
32 such dilating drops to the surface of the eye of a patient, provided
33 that the person instilling such eye drops is:

- 34 (i) under the on-site supervision of a supervising licensed optome-
35 trist;
- 36 (ii) at least eighteen years of age; and
- 37 (iii) complies with standards issued by the department.

38 2. The supervising licensed optometrist shall submit a form prescribed
39 by the department, detailing the identity of each person instilling
40 mydriatic or cycloplegic eye drops and anesthetic eye drops in conjunc-
41 tion with such dilating drops to the surface of the eye of a patient,
42 under his or her supervision, attesting to compliance with the above
43 requirements.

44 3. The supervising licensed optometrist's use of any such person
45 pursuant to the terms of this subdivision shall be undertaken with
46 professional judgment in order to ensure the safety and well-being of
47 the patient. Such use shall subject the licensed optometrist to the full
48 disciplinary and regulatory authority of the board of regents and the
49 department pursuant to this title. The licensed optometrist must notify
50 the patient or the patient's designated health care surrogate that the
51 licensed optometrist may utilize the services of an individual to admin-
52 ister certain eye drops and must provide the patient or the patient's
53 designated health care surrogate the opportunity to refuse the licensed
54 optometrist's plan to utilize such person.

55 § 5. This act shall take effect on the same date and in the same
56 manner as section one of chapter 517 of the laws of 2019 takes effect.

1 Effective immediately the addition, amendment and/or repeal of any rule
2 or regulation necessary for the implementation of this act on its effec-
3 tive date are authorized to be made and completed on or before such
4 date.
