Introduced by Sen. MAY -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the education law, in relation to permitting certain registered pharmacy technicians assisting in home infusion services through a home care agency to assist a licensed pharmacist in preparing prescriptions

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 6841 of the education law, as  
2 added by chapter 414 of the laws of 2019, is amended to read as follows:  
3 1. A registered pharmacy technician may, under the direct personal  
4 supervision of a licensed pharmacist, assist such licensed pharmacist,  
5 as directed, in compounding, preparing, labeling, or dispensing of drugs  
6 used to fill valid prescriptions or medication orders ~~[or]~~, and a regis-  
7 tered pharmacy technician employed by a home infusion provider licensed  
8 as a pharmacy in New York, compliant with the United States Pharmacopeia  
9 General Chapter 797 standards for pharmaceutical compounding regarding  
10 sterile preparations, and providing home infusion services through a  
11 home care agency licensed under article thirty-six of the public health  
12 law, may assist a licensed pharmacist as directed in compounding,  
13 preparing, and labeling in anticipation of a valid prescription or medi-  
14 cation order for a patient to be served by the facility, in accordance  
15 with article one hundred thirty-seven of this title where such tasks  
16 require no professional judgment. Such professional judgment shall only  
17 be exercised by a licensed pharmacist. A registered pharmacy technician  
18 may only practice in a facility licensed in accordance with article  
19 twenty-eight of the public health law, ~~[or]~~ a pharmacy owned and oper-  
20 ated by such a facility, or in a registered pharmacy operated by a home  
21 infusion provider, compliant with the United States Pharmacopeia General  
22 Chapter 797 standards for pharmaceutical compounding regarding sterile  
23 preparations, and providing home infusion services through a home care  
24 agency licensed under article thirty-six of the public health law under  
25 the direct personal supervision of a licensed pharmacist employed ~~[in]~~  
26 by such a facility or pharmacy. Such facility or pharmacy shall be

1 responsible for ensuring that the registered pharmacy technician has  
2 received appropriate training to ensure competence before he or she  
3 begins assisting a licensed pharmacist in compounding, preparing, label-  
4 ing, or dispensing of drugs, in accordance with this article and article  
5 one hundred thirty-seven of this title. For the purposes of this arti-  
6 cle, direct personal supervision means supervision of procedures based  
7 on instructions given directly by a supervising licensed pharmacist who  
8 remains in the immediate area where the procedures are being performed,  
9 authorizes the procedures and evaluates the procedures performed by the  
10 registered pharmacy technicians and a supervising licensed pharmacist  
11 shall approve all work performed by the registered pharmacy technician  
12 prior to the actual dispensing of any drug.

13 § 2. This act shall take effect on the one hundred eightieth day after  
14 it shall have become a law; provided, however, that if chapter 414 of  
15 the laws of 2019 shall not have taken effect on or before such date then  
16 section one of this act shall take effect on the same date and in the  
17 same manner as such chapter of the laws of 2019, takes effect. Effec-  
18 tive immediately, the amendment and/or repeal of any rule or regulation  
19 necessary for the implementation of this act on its effective date are  
20 authorized to be made and completed on or before such effective date.
